**Looking Back to the Future** Griselda Pollock, 2014-04-08 In this selection of recent essays Pollock insightfully engages all major areas of contemporary theory especially focusing on sexed subjectivities post colonialism and Marxist informed history In her commentary Penny Florence places Pollock s critique of modernism art history and criticism within the context of the social political and ideological developments that have taken place since the 1970s Florence recognizes in Pollock s work a critical model that moves beyond the contradictions that take place within the history of art Pollock s own essays and Florence s commentary elaborate the complexities in evaluating this prominent theorist and feminist whose work demands a capacity to sustain contradiction *Looking Back, Moving Forward* Girish Daswani, 2015-02-26 How do Ghanaian Pentecostals resolve the contradictions of their own faith while remaining faithful to their religious identity Bringing together the anthropology of Christianity and the anthropology of ethics Girish Daswani s *Looking Back Moving Forward* investigates the compromises with the past that members of Ghana s Church of Pentecost make in order to remain committed Christians Even as church members embrace the break with the past that comes from being born again many are less concerned with the boundaries of Christian practice than with interpersonal questions the continuity of suffering after conversion the causes of unhealthy relationships the changes brought about by migration and how to deal with them By paying ethnographic attention to the embodied practices interpersonal relationships and moments of self reflection in the lives of members of the Church of Pentecost in Ghana and amongst the Ghanaian diaspora in London *Looking Back Moving Forward* explores ethical practice as it emerges out of the questions that church members and other Ghanaian Pentecostals ask themselves

*Walking Forward, Looking Back* Dinah Latham, 2014-10-28 The book tells the story of a retired district nurse and midwife reflecting on her life whilst walking with her close companion Harriet the dog It is a touchingly honest work written straight from the heart The reader will both laugh and cry as the author recounts many moving stories of patients cared for in 1960s London The writings so patently contrast care in the community then and now that it becomes impossible not to regret the passing of a time when nursing was seen as a vocation when nurses were proud to serve Divorce and single parenthood accompany her career journey while living alone escorts her into retirement It is then that fortune takes a hand or rather a paw and brings Harriet the dog into her life This may just have been the coming together of chance and good timing but destiny or happy accident it was certainly a blessing It was her need to be taken on daily walks that finds our author evoking memories randomly flicking through a lifetime of unwritten diaries Together they share their walks taking the reader through the changing seasons of the Chiltern countryside while also travelling a new pathway one with an unfamiliar landscape a one way journey into growing old This is a voyage of discovery one that promises many unexpected new experiences not the least of which is their most recent pastime sheepherding **Death and Other Happy Endings** Melanie Cantor, 2020-07-14 There s nothing like being told that in three months you ll be dead to make you think about what you really want in life A

novel about self discovery with plenty of surprises and a snappy Bridget Jones gets a terminal diagnosis vibe Booklist Jennifer Cole has just been told that she has a terminal blood disorder and has just three months to live ninety days to say goodbye to friends and family and to put her affairs in order Ninety days to come to terms with a diagnosis that is unfair unexpected and completely unpronounceable Focusing on the positives she won't have to go on in a world without Bowie or Maya Angelou she won't get Alzheimer's or Parkinson's like her parents or have teeth that flop out at the mere mention of the word apple Jennifer realizes she only has one real regret the relationships she's lost Rather than running off to complete a frantic bucket list Jennifer chooses to stay put and write a letter to the three most significant people in her life to say the things she wished she'd said before but never dared her overbearing selfish sister her jelly spined cheating ex husband and her charming unreliable ex boyfriend and finally tell them the truth At first Jennifer feels cleansed by her catharsis Liberated even Her ex boyfriend rushes to her side and she even starts to build bridges with her sister Isabelle that is once Isabelle's confirmed that Jennifer's condition isn't genetic But once you start telling the truth it's hard to stop And as Jennifer soon discovers the truth isn't always as straightforward as it seems and death has a way of surprising you

Vick, 2017-03-10 The question of what happens after death has fascinated human beings for as long as we've had any sense of spirituality There have been popular books stories of speculative fiction reports of visions and serious Bible studies attempted to explain to us what happens at death and beyond In *Death Immortality and Resurrection* Dr Edward Vick explores this question from the viewpoint of a philosopher and theologian In this book he examines scriptural sources along with a variety of philosophers over the millennia and looks at such questions as what happens to the body what we mean by identity and survival whether we are innately immortal and what is the meaning of resurrection This is a serious work but comprehensible to the student willing to take the time to study these issues The reader is invited to give consideration to those issues that have challenged philosophers and scholars through the ages The book is suitable for study groups
