## Look At Leninism:

A Look at Leninism Ron Taber, 1988      **Lenin and Leninism: Lenin as the Organizer and Leader of the Russian Communist Party** Joseph Stalin, 2024-05-09 A new translation from the original Russian manuscript with a new afterword by the translator and a timeline of Stalin's life and works Written by Stalin for the 50th anniversary of Lenin's birthday this article defends Lenin and the Soviet regime from the western Liberal assertion that the Soviet Union did not practice real communism Stalin not only defends Lenin's legacy but begins the process of elevating him to an almost mythic status paving the way for a cult of personality around both Lenin and eventually himself      *Unfinished Leninism* Paul Le Blanc, 2014-06-15 Praise for Paul Le Blanc's *Lenin and the Revolutionary Party* A work of unusual strength and coherence inspired not by academic neutrality but by the deep conviction that there is much to learn from the actual ideas and experiences of Lenin Michael L. Wy As a leader of the Russian Revolution Vladimir Lenin was perhaps the greatest revolutionary of the twentieth century These clearly written essays offer an account of his life and times a lively view of his personality and a stimulating engagement with his ideas Paul Le Blanc is a professor of history at La Roche College and has written widely on radical movements      **Lenin, Hegel, and Western Marxism** Kevin Anderson, 1995 This first full length treatment of Lenin's studies of Hegel presents Lenin as a major figure in Hegelian Marxism providing a more nuanced portrait of his work than that of either official Marxist Leninism or most Western accounts With impressive argumentation and wide ranging scholarship Anderson presents us with a Lenin that no one seriously interested in current debates over the relevance of Marxist theory to socialist practice can afford to miss Bertell Ollman author of *Dialectical Investigations* An important contribution to grasping the conceptual roots of Marxist theory and practice Tom Rockmore author of *Hegel's Circular Epistemology* Today Lenin looks like he did little more than prepare the way for Stalin You will find the opposite view in this novel study I recommend the book to anyone seriously interested in Russia and revolution George Uri Fischer author of *The Soviet System and Modern Society*      Lenin Beryl Williams, 2014-06-17 Drawing on the flood of new material to emerge from Russian and Western sources in recent years Beryl Williams focuses on Lenin's years in power and provides first rate introduction to the life ideology and impact of one of the formative figures of the 20th century Within an overall chronological framework Williams examines topics such as cultural revolution foreign policy and expansion As well as being an examination of Lenin's life and work this is an up to date evaluation of recent historiographical debates and literature in the context of the period      *Lenin* Robert Service, 2011-02-21 Lenin is a colossal figure whose influence on twentieth century history cannot be underestimated Robert Service has written a calmly authoritative biography on this seemingly unknowable figure Making use of recently opened archives he has been able to piece together the private as well as the public life giving the first complete picture of Lenin This biography simultaneously provides an account of one of the greatest turning points in modern history Through the prism of Lenin's career Service examines events such as the October Revolution and the ideas of Marxism

Leninism the one party state economic modernisation dictatorship and the politics of inter war Europe In discovering the origins of the USSR he casts light on the nature of the state and society which Lenin left behind and which have not entirely disappeared after the collapse of the Soviet regime in 1991 Immensely scholarly but also vivid and readable This is a splendid book much the best that I have ever read about Lenin I was overwhelmed by the power and vividness of this portrait Dominic Lieven Sunday Telegraph He has managed skilfully to depict the surreal life of an obsessive brilliant and stubborn individual Guardian Lenin s life was politics but Service has succeeded in keeping Lenin the man in focus throughout This book deserves a place among the best studies of one of the most fascinating figures in modern history Harold Shukman The Times

**The Communist Party In Power** Karel Kaplan,Fred H Eidlin,2019-06-21 The aim of this book is simple It seeks to describe the main features of the internal life and functioning of a communist party It reflects both the results of a historian s research and the long years of experience of a communist official and party apparatchik **Essential Texts of**

**Marxism-Leninism** Marx-Engels-Lenin Institute,2015-01-31 This volume includes The Communist Manifesto by Marx Engels Socialism Utopian and Scientific by Engels State and Revolution by Lenin On Practice and On Contradiction by Mao

Foundations of Leninism by Stalin **Lenin's Electoral Strategy from 1907 to the October Revolution of 1917** August H. Nimtz,2014-03-13 This book is the first full length study of Lenin s party building project and writings on elections looking in detail at his leadership of the Bolshevik wing of the Russian Social Democratic Labor Party in the four state Dumas from 1906 to the beginning of the First World War The Future of Lenin Alla Ivanchikova,Robert R. Maclean,2022-07-01

Situated in a particular historical moment marked by the violent crises of capitalism the rise of the alt right the COVID 19 pandemic and the Black Lives Matter movement The Future of Lenin collects essays by an international cohort of scholars to assert Lenin s relevance for twenty first century politics and thought Taking different and sometimes opposing vantage points on Lenin s value for the future the contributions to this volume reveal an unexpected Lenin one who escapes the stale Cold War era discourse of demonization and hagiography Instead the future oriented Lenin in these pages comes to life as our contemporary an interlocutor who is surprisingly relevant for Black and anticolonial struggles in the US and beyond for building the new Left and for assessing Bernie Sanders movement as well as alt right anti statism In short Lenin s concrete development of Marxism for his historical conditions may yet offer lessons for revolutionaries to come Lenin: A Political

Life Robert Service,2016-07-27 The final volume of Robert Service s major trilogy on Lenin s political life takes the account from the Brest Litovsk Treaty of 1918 to the Bolshevik leader s death in 1924 Attention is paid to the military political and economic conditions as they changed to the internal pressures of the party s politics to ideological imperatives and to one man s reaction to events and situations he had only imperfectly anticipated The volume incorporates not only the post 1985 documentary revelations but also the results of the author s searches in the Moscow archives since 1991 **Lenin Lives?**

Christopher Read,2024 A lively accessible and wide ranging account of one of the most influential figures of the twentieth

century Through a brief but stimulating and penetrating account of his life and chief ideas the study examines how Leninism emerged and became a global force

**Lenin and Philosophy and Other Essays** Louis Althusser,2001 Louis Althusser has tackled a wide variety of subjects including philosophy economics psychology aesthetics and political science This book contains a selection of his writings

**Factory of Strategy** Antonio Negri,2014-02-04 Factory of Strategy is the last of Antonio Negri's major political works to be translated into English Rigorous and accessible it is both a systematic inquiry into the development of Lenin's thought and an encapsulation of a critical shift in Negri's theoretical trajectory Lenin is the only prominent politician of the modern era to seriously question the withering away and extinction of the state and like Marx he recognized the link between capitalism and modern sovereignty and the need to destroy capitalism and reconfigure the state Negri refrains from portraying Lenin as a ferocious dictator enforcing the proletariat's reappropriation of wealth nor does he depict him as a mere military tool of a vanguard opposed to the Ancien R gime Negri instead champions Leninism's ability to adapt to different working class configurations in Russia China Latin America and elsewhere He argues that Lenin developed a new political figuration in and beyond modernity and an effective organization capable of absorbing different historical conditions He ultimately urges readers to recognize the universal application of Leninism today and its potential to institutionally not anarchically dismantle centralized power
