Ambiguity and Film Criticism Hoi Lun Law, 2021-02-02 This book defends an account of ambiguity which illuminates the aesthetic possibilities of film and the nature of film criticism Ambiguity typically describes the condition of multiple meanings But we can find multiple meanings in what appears unambiguous to us So what makes ambiguity ambiguous This study argues that a sense of uncertainty is vital to the concept Ambiguity is what presses us to inquire into our puzzlement over a movie to persistently ask why is it as it is Notably this account of the concept is also an account of its criticism It recognises that a satisfying assessment of what is ambiguous involves both our reason and doubt that is reason and doubt can work together in our practice of reading This book then considers ambiguity as a form of reasonable doubt one that invites us to reflect on our critical efforts rethinking the operation of film criticism

Shadows of Foxworth V.C. Andrews, 2020-06-30 Forbidden passions have been the hallmark of the Dollanganger clan since *Flowers in the Attic* debuted more than forty years ago In this third book of a new related trilogy witness the birth of the Dollanganger curse as Corrine Foxworth's children learn that family is but destiny by another crueler name As a young girl in France Marlina Hunter's life was a fairy tale She had a talented artist for a father a doting mother and a brother she couldn't be closer to She loved her family she just didn't know what her family actually was When a car crash kills their parents Marlina and Yvon lose not only France but also their identity Sent to Richmond Virginia they arrive at the home of two aunts they've never met before who tell them that their true last name is Dawson that their father had fled the family years back and that now the family is calling in the debt Trapped in a mansion with as many secrets as rooms Marlina yearns for escape But in America you can either make friends or make profit and Yvon suddenly seems much more interested in the latter While he is free to

leave the house Marlana is left to avoid lecherous tutors and the secretary to wife track expected of a woman Caught between mastering the game to escape it and falling prey to its allure she needs to learn fast for Malcolm Foxworth has cast his eye in her direction And no family name can protect her from the twisted roots of the Dollanganger family tree Life Inside the Asylum Don Savant,2008-05-17 A Collection of Poetry written by some of the internet s best kept secrets
