Look Into The Sun:

Looking Into the Rain Barbara Baert, 2022-02-07 Humankind has a special relationship with rain. The sensory experience of water falling from the heavens evokes feelings ranging from fear to gratitude and has inspired many works of art. Using unique and expertly developed art historical case studies from prehistoric cave paintings up to photography and cinema, this book casts new light on a theme that is both ecological and iconological, both natural and cultural. Barbara Baert's distinctive prose makes Looking Into the Rain a profound reading experience, particularly at a moment when disruptions of the harmony among humans, animals, and nature affect all of us and the entire planet. Barbara Baert is Professor of Art History at KU Leuven. She teaches in the field of Iconology, Art Theory, Analysis, and Medieval Art. Her work links knowledge and questions from the history of ideas, cultural anthropology, and philosophy and shows great sensitivity to cultural archetypes and their symptoms in the visual arts.

Looking into the Revelation Dr. Boyd O. Gray, 2013-08 Since the Bible was first written, the book of Revelation has provided readers with a glimpse of what is to come. But even as the world rapidly fulfills the ancient Scripture, many still avoid its obscure symbolic language, which often lends itself to fanatical interpretation. In Looking into the Revelation, a seasoned pastor uses various versions of the Bible to provide a clear explanation of biblical texts relating to the end of the world as we know it. Dr. Boyd Gray, a minister with more than thirty years of experience, offers a comprehensive study from the premillennial view based on his opinion that the masses are either not ready for the return of Christ or have dismissed it as myth altogether. As Dr. Gray works his way through Scripture, detailing the truths of John the Apostle and the predicted tribulations of the Antichrist, he demonstrates through his interpretations that God's Word is the truth, a message he hopes will motivate sinners to heed the Lord's gracious call to salvation. Looking into the Revelation shares a careful examination of biblical text that seeks to encourage people of all faiths to reexamine their lives and their beliefs and to fall in love with the Lord Jesus Christ.
