place by Damien Shaw's side even when his love was a distant dream. Marrying her only because of an unexpected pregnancy, Damien's affection never blossomed. Instead, her devotion turned him from a mere sales manager into the billionaire CEO of IMU, one of Europe's most powerful tech empires. But her sacrifices weren't enough. After losing their baby, Damien's coldness deepened, sealing their marriage with an unspoken, no-meddling rule. Imogene's reward? Watching Damien parade countless mistresses all while she buried her own dreams to fuel his. She believed naively that one day he'd see her worth. But when he fell in love with her stepsister and served her with divorce papers, Imogene's world shattered. Realizing she was nothing more than a pawn in Damien's game, she vanished pregnant and determined to protect her unborn child. Three years later, Imogene returns not as the broken woman who fled but as a renowned artist and mother to their two-year-old daughter. Now Damien realizes what he's lost and wants her back. But this time Imogene is ready to fight and she's not making the same mistake twice.

Mending Broken Lives Jenny Wren-Patrick, 2019-08-27 After suffering years of anxiety and abuse, Jenny Wren-Patrick was diagnosed with bipolar disorder. And while learning about her condition helped to explain a lot of her confusion and mood swings, her consultant psychiatrist advised her to take another step forward and start to write down her life's story. Mending Broken Lives is the result, and for Jenny, writing it has unlocked many memories, both good and bad, helping her to deal with the things she had buried deep down. She has received counseling at various times but still maintains that writing it all down has been the most help, and hopefully it will help others too, whether you are another soul with bipolar disorder, a professional studying bipolar disorder, or someone who has a friend or relative with this disorder. With the right support and understanding, there is light at the end of this long black tunnel.
