Dairy Bulletin, 1928 **The Origins of Australia's Capital Cities** Pamela Statham, 1989 The Origins of Australia's Capital Cities is a comprehensive survey well illustrated with maps and plans which aims to answer two questions First why Australia's eight capital cities are situated where they are and second how they were established Pairs of chapters on each of the State capitals Sydney Hobart Perth Adelaide Melbourne and Brisbane are accompanied by studies of Canberra as the federal capital and Darwin as a territorial capital A capital is the administrative centre of a political entity and in Australia unlike many overseas countries a uniquely high proportion of the population resides in the capitals Companion chapters examine the causes of initial European settlement in each area and reasons for the actual establishment of each capital city

Attention is given to such topics as planning and layout the basis of growth potential rivals the social nature of the cities and the nature of their spread While there have been no other volume covering all the capitals to seek answers to the same basic questions This will therefore be an invaluable source book and provide a stimulus to further enquiry in the social history of Australia An introduction by the editor pulls together the general strands which link the chapters and highlights the ways in which the Australian experience contrasts with the urban experience overseas

The Romance of War, Vol.3 (of 3)

James Grant, 2017-07-07 Exmaple in this ebook continue from Vol 2 CHAPTER I HOSTILITIES A LOVE LETTER Boiling with rage at Louis s insulting defiance Ronald returned to his quarters in the Alcanzar determined at day break to summon him forth to fight or apologize He often repeated the words Her heart has never wandered from you Ah if this should indeed be the case and that Alice loved him after all But from Louis his honour demanded a full explanation and ample apology either of which he feared the proud spirit of the other would never stoop to grant Yet to level a deadly weapon against the brother of Alice against him to whom he had been a constant friend and companion in childhood and maturer youth and perhaps by a single shot to destroy him the hopes and the peace of his amiable father and sister he felt that should this happen he never could forgive himself But there was no alternative it was death or dishonour Two ways lay before him to fight or not to fight and his sense of injured honour made him without hesitation choose the first and he waited in no ordinary anxiety for the dawn when Alister Macdonald who was absent on duty would return to the quarters of the regiment Next morning when the grey daylight was beginning faintly to show the dark courts and gloomy arcades of the Alcanzar he sprung from his couch which had been nothing else than his cloak laid on the polished floor tiles and undergoing a hasty toilette he was about to set forth in search of Macdonald when Lieutenant Chisholm one of the officers entered What up already Stuart said he I hope you are not on any duty No Why Because Lisle has asked me to wait upon you Upon me asked Ronald with a frown of surprise Upon me Chisholm Yes of course you will remember what occurred in the cathedral last night How could I ever forget Mr Lisle under its roof insulted me most grossly replied Ronald his lips growing white with anger I was just about to seek Macdonald to give him a message but Mr Lisle has anticipated me For Heaven s sake Stuart let us endeavour to settle this matter amicably Think of the remorse which an honourable survivor must always feel A hundred men slain in action are nothing to one life lost in a duel Address these words to your principal they are lost on me but you are an excellent fellow Chisholm It is long since we have had an affair of this sort among us and Cameron is quite averse to this mode of settling disputes I shall not consult his opinion or that of any other man in defence of my own honour said Ronald haughtily As you please replied the other with an air of pique Lisle and you have long been on very distant terms and the officers have always predicted that the matter would terminate in this way Curse their impertinent curiosity And so Lisle calls me out in consequence of the high words we exchanged in the cathedral last night That is one reason the least one I believe He mentioned that his sister Miss Lisle Stay Chisholm I will hear no more of this cried Stuart then suddenly changing his mind

added Ah well his sister Miss Alice Lisle Go on Faith Stuart you seem confoundedly confused Do settle this matter in peace
Lisle has told me the story in confidence and I think you have been to blame indeed you have Send Lisle an apology for I
assure you he is boiling with passion and will not yield a hair s breadth To be continue in this ebook
