and most innovative thinking from around the world on the full range of topics related to training development and
performance management Bradford S Bell PhD Cornell University USA Editor Personnel Psychology I wish I could have
accessed this book many years ago Comprehensive and scholarly the four sections training e learning personal and
professional development and performance management fit well together and address a gap in the literature that has been
apparent for some time The psychological perspective speaks to growing interest in the micro foundations of strategic
success and the blending together of both formal and informal perspectives on learning in organizations ensures a holistic
rather than piecemeal approach to the question of how to build individual knowledge skills and competences in organizations
I believe that this book will make a significant impact on its target audience in this critical area Helen Shipton Professor of
