Nonny Hogrogian

Dear Ann—

The poems in the first section should be read to you. I believe they are the result of my return to an ecology of my childhood—after more than ten years in California—and from my riding to teaching of ten more the year before.

The poems in later two are pretty much my recent poetry, though the last five were also written that same summer in the Berkeley—San Francisco area and like the two—my poems and poems. I hope and hope we both much love David.
