The Cloak and the Parchments Frank P. Spinella Jr., 2009-10-01 Told in the first person by the author of the Gospel of Mark The Cloak and the Parchments relates the story of how the earliest gospel came to be written against the backdrop of emergent Christianity's doctrinal tensions But it is also the story of one man's struggle of faith especially with the remarkable notion at least for a first century Jew steeped in monotheistic tradition of the divinity of Jesus Christ The year is 64 CE and Paul has summoned Mark and Timothy from Ephesus to his prison cell in Rome On their journey the travelers discuss many of Paul's teachings including that Jesus is truly the Son of God After reaching Italy they meet up with Peter whose own account of Jesus's ministry quickly poses a challenge to Paul's views But there will be no opportunity to hear Peter and Paul debate their differences for they arrive in Rome at the outbreak of the Great Fire Amid the turmoil of the resulting Christian persecution Paul urges Mark to escape and write Peter's account of Jesus's ministry consistently with Paul's own teaching Mark finds himself conflicted by his promises to both men and by the disparity between Peter's eyewitness testimony and Paul's claim to
