**The Necropolitical Theater** Jeffrey K. Coleman, 2020-05-15 The Necropolitical Theater Race and Immigration on the Contemporary Spanish Stage demonstrates how theatrical production in Spain since the early 1990s has reflected national anxieties about immigration and race Jeffrey K Coleman argues that Spain has developed a necropolitical theater that casts the non European immigrant as fictionalized enemy one whose nonwhiteness is incompatible with Spanish national identity and therefore poses a threat to the very Europeanness of Spain The fate of the immigrant in the necropolitical theater is death either physical or metaphysical which preserves the status quo and provides catharsis for the spectator faced with the notion of racial diversity Marginalization forced assimilation and physical death are outcomes suffered by Latin American North African and sub Saharan African characters respectively and in these differential outcomes determined by skin color Coleman identifies an inherent racial hierarchy informed by the legacies of colonization and religious intolerance Drawing on theatrical texts performances legal documents interviews and critical reviews this book challenges Spanish theater to develop a new theatrical space Jeffrey K Coleman proposes a convivial theater that portrays immigrants as contributors to the Spanish state and better represents the multicultural reality of the nation today *The Cambridge Companion to Latin American Poetry* Stephen M. Hart, 2018-03-22 This Companion provides a chronological survey of Latin American poetry analysis of modern trends and six succinct essays on the major figures **Black Cosmopolitanism** Ifeoma Kiddoe Nwankwo, 2005-07-13 Through readings of slave narratives fiction poetry nonfiction newspaper editorials and government documents including texts by Frederick Douglass and freed West Indian slave Mary Prince Ifeoma Kiddoe Nwankwo explicates the growing interrelatedness of people of African descent through the Americas in the nineteenth century Die Romische Republik EPUB 2-3, 2015-04-22 Provides a comprehensive introduction to 20th and 21st century world poets and their most famous most distinctive and most influential poems *Stories of Latin American Women of African Heritage* María Mercedes Jaramillo, Lucía Ortiz, 2025-07-24 Stories of Latin American Women of African Heritage Daughters of Muntu highlights the significant contributions of women in the African diaspora to the Americas A translation to English of the highly influential *Hijas del Muntu* the chapters of this edited collection illuminate life experiences and examine narrative threads and traces of identity whose common theme is the history of struggle for equal rights and participation in society The diverse women in these stories come from all walks of life from the singers and poets to favela leaders and mainstream politicians Their stories are told through interviews personal accounts and traditional academic biography Stories of Latin American Women of African Heritage Daughters of Muntu will be a valuable resource to those interested in Latin American Studies Gender Studies and Race Studies among other disciplines **Afro-Latin American Studies** Alejandro de la Fuente, George Reid Andrews, 2018-04-26 Alejandro de la Fuente and George Reid Andrews offer the first systematic book length survey of humanities and social science scholarship on the exciting field of Afro Latin American studies Organized by

**Literature and Ethnography** Emily A. Maguire,2018-07-02 An important contribution to U S Caribbean dialogues in the field of Afro Diasporic literatures and cultures Jossianna Arroyo author of *Travestismos culturales literatura y etnograf a en Cuba y Brasil* Maguire s close readings of women ethnographers like Lydia Cabrera and Zora Neale Hurston result in a very original approach to dealing with the topic of race and how it overlaps with the categories of gender Outstanding work James Pancrazio author of *The Logic of Fetishism* Alejo Carpentier and the Cuban Tradition Ingeniously tells the story of the tensions between artist and ethnographer that inform the Cuban national narrative of the twentieth century *Racial Experiments in Cuban Literature and Ethnography* is essential reading for a large audience of students and scholars alike within Caribbean American and African Diaspora studies Jaqueline Loss author of *Cosmopolitanisms and Latin America* In the wake of independence from Spain in 1898 Cuba s intellectual avant garde struggled to cast their country as a modern nation They grappled with the challenges presented by the postcolonial situation in general and with the location of blackness within a narrative of Cuban ness in particular In this breakthrough study Emily Maguire examines how a cadre of writers reimagined the nation and re valorized Afro Cuban culture through a textual production that incorporated elements of the ethnographic with the literary Singling out the work of Lydia Cabrera as emblematic of the experimentation with genre

that characterized the age Maguire constructs a series of counterpoints that place Cabrera's work in dialogue with that of her Cuban contemporaries including Fernando Ortiz Nicol's Guill'n and Alejo Carpentier An illuminating final chapter on Cabrera and Zora Neale Hurston widens the scope to contextualize Cuban texts within a hemispheric movement to represent black culture Emily A Maguire is associate professor of Spanish at Northwestern University Guarding Cultural Memory Flora María González Mandri,2006 In Guarding Cultural Memory Flora González Mandri examines the vibrant and uniquely illuminating post Revolutionary creative endeavors of Afro Cuban women Taking on the question of how African diaspora cultures practice remembrance she reveals the ways in which these artists restage the confrontations between modernity and tradition González Mandri considers the work of the poet and cultural critic Nancy Morej'n the poet Excilia Salda a the filmmaker Gloria Rolando and the artists Mar'a Magdalena Campos Pons and Belkis Ay'n In their cultural representations these women conflate the artistic the historical and the personal to produce a transformative image of the black woman as a forger of Cuban culture They achieve this in several ways by redefining autobiography as a creative expression for the convergence of the domestic and the national by countering the eroticized image of the mulatta in favor of a mythical conception of the female body as a site for the engraving of cultural and national conflicts and resolutions and by valorizing certain aesthetic and religious traditions in relation to a postmodern artistic sensibility Placing these artists in their historical context González Mandri shows how their accomplishments were consistently silenced in official Cuban history and culture and explores the strategies through which culturally censored memories survived and continue to survive in a Caribbean country purported to have integrated its Hispanic and African peoples and heritages into a Cuban identity The picture that finally emerges is one not only of exceptional artistic achievement but also of successful redefinitions of concepts of race gender and nation in the face of almost insurmountable cultural odds

**What Mama Said** Osonye Tess Onwueme,2003 An explosive political drama projecting an African people's revolutionary struggle to confront government forces and foreign oil corporations that have ravaged their land and strangled the voices of their mothers and daughters

**Black Writing, Culture, and the State in Latin America** Jerome C. Branche,2021-04-30 Imagine the tension that existed between the emerging nations and governments throughout the Latin American world and the cultural life of former enslaved Africans and their descendants A world of cultural production in the form of literature poetry art music and eventually film would often simultaneously contravene or cooperate with the newly established order of Latin American nations negotiating independence and a new political and cultural balance In Black Writing Culture and the State in Latin America Jerome Branche presents the reader with the complex landscape of art and literature among Afro Hispanic and Latin artists Branche and his contributors describe individuals such as Juan Francisco Manzano who wrote an autobiography on the slave experience in Cuba during the nineteenth century The reader finds a thriving Afro Hispanic theatrical presence throughout Latin America and even across the Atlantic The role of black women in poetry and literature comes to the forefront in the

Caribbean presenting a powerful reminder of the diversity that defines the region All too often the disciplines of film studies literary criticism and art history ignore the opportunity to collaborate in a dialogue Branche and his contributors present a unified approach however suggesting that cultural production should not be viewed narrowly especially when studying the achievements of the Afro Latin world

**Africa and the Americas** Richard M. Juang, Noelle Morrisette, 2008-03-12 This encyclopedia explores the many long standing influences of Africa and people of African descent on the culture of the Americas while tracing the many ways in which the Americas remain closely interconnected with Africa Ranging from the 15th century to the present Africa and the Americas Culture Politics and History explores the many ways Africa and African peoples have shaped the cultural life of the Americas and how in turn life in the Americas reverberates in Africa This groundbreaking three volume encyclopedia offers hundreds of alphabetically organized entries on African history nations and peoples plus African influenced aspects of life in the Americas It also features authoritative introductory essays on history culture and religion demography international relations economics and trade and arts and literature In doing so it traces the complex and continuous movement of peoples of African descent to the West the mechanics and lingering effects of colonialism and the slave trade and the crucial issues of cultural retention and adaptation that are essential to our understanding of the effects of globalization

**Expressivity in Modern Poetry** Donald Wellman, 2019-02-26 Expressivity in Modern Poetry explores three interrelated subjects The first is a general exposition of the radical or deeply realistic aspects of the poetry and visual arts of the modern period The focus is on the works of Ezra Pound as understood through a prism of postmodern thought The second subject is the poetry and poetics of Charles Olson a pivotal figure during the transition from modernism to postmodernism The third subject is contemporary innovative poetry with special attention to transcultural neobarroco and language centered aspects of composition The grounding for this section is found in the works of William Carlos Williams Aime Cesaire and Jose Lezama Lima A reversal of the relation between the center and periphery decentering the New York to Paris vector is crucial for understanding the Caribbean as a seedbed for both innovative and identity based poetics Wellman's purpose is to amplify the cultural importance of expressivity in a field where critical discussion is often dominated by constructivism and conceptualism Expressivity in Modern Poetry offers a new reading of the relation between twentieth century modernism and contemporary poetic practice

**2023** Günter Berghaus, Dalila Colucci, Tim Klähn, 2023-12-04 This thirteenth volume of the International Yearbook of Futurism Studies explores some of the many facets of Neo Futurism from the second half of the twentieth century to the present day It looks both at the revival and the continuation of Futurist aesthetics whether in explicit or palimpsest form in a variety of media literature visual art design music architecture theatre and photography The essays delve into the broad spectrum of artistic research and offer a good dozen case studies that document with a transnational and interdisciplinary orientation the manifold forms of Neo Futurism in various parts of the world They investigate how historical Futurism's intellectual and artistic perspective was appropriated

and developed further in a more or less conscious faithful and original way all the while confronting its progenitor s cultural social and political misconceptions Interdisciplinary contributions to neo futurism as a global phenomenon

**White Nationalism, Black Interests** Ronald W. Walters,2003 A study of the most racially conscious aspect of the Conservative movement and its impact on politics and current public policy The rise of the Conservative movement in the United States over the last two decades is evident in current public policy including the passage of the Welfare Reform Act the weakening of affirmative action and the approval of educational vouchers for private schooling At the same time new rules on congressional redistricting prohibit legislators from constructing majority black congressional districts and blacks continue to suffer disproportionate rates of incarceration and death penalty sentencing In this significant new study the distinguished political scientist Ronald W Walters argues that the Conservative movement during this period has had an inordinate impact on American governing institutions and that a strong though very often unstated racial hostility drives the public policies put forth by Conservative politicians Walters traces the emergence of what he calls a new White Nationalism showing how it fuels the Conservative movement invades the public discourse and generates policies that protect the interests of white voters at the expense of blacks and other nonwhites Using historical and contemporary examples of White Nationalist policy as well as empirical public opinion data Walters demonstrates the degree to which this ideology exists among white voters and the negative impact of its policies on the black community White Nationalism Black Interests terms the current period a second Reconstruction comparing the racial dynamics in the post Civil Rights era to those of the first Reconstruction following the end of the Civil War Walters s analysis of contemporary racial politics is uniquely valuable to scholars and lay readers alike and is sure to spark further public debate
