Changed for Good Apostolos "Tolly" Kizilos,2021-01-31 A Chronicle of a Persistent Change Agent The book attempts to piece together some significant parts of my life to convey the experiences I ve had in my journey for finding meaning in the pursuit of my goals and a purpose that could endure to my journey s end The book is also an attempt to gain a deeper understanding of my life as a whole made greater than the sum of its parts after experiencing God s love in a spiritually intense turning point in my life Some of us have a lot of stories with meaningful experiences i e experiences that reveal the kind of people we are the kind of world we are trying to build and the journey we have been on My childhood stories show the joys and challenges of life that I have lived through during the Nazi occupation of Greece the Communist insurrection in Greece and from surviving in times of famine fear and hazard in a culture of mystery magic and miracle My experiences of moving a lifetime from one continent and culture to another is unusual enough but it becomes a metaphor for an explorer s resilience when it is followed by the pursuit of widely diverse careers achieved by work in pursuit of goals and a strangely manifest providential help As I reach the later years of my life I continue to reflect on how I ended up where I am and the work ahead We all know that life is a hodge podge of success and failure studded with unknowing and mystery The book is intended to show that the persons we are at first and the persons we choose to become using our free will and following God s guidance can move us closer to an enduring purpose which for those who have faith is closeness to God **The Emerald Series: Volume I** Kelly Savage,2017-08-25 EMERALD FIRE BURNING BRIGHT The second book of this generational family saga finds Karensa s children coming of age in the turbulent 60s In Arizona two discover truths during a time of political unrest as Native Americans struggle to reclaim their heritage and lands in Venezuela two grow up as oil interests threaten to overtake traditional native culture and lands *Chants Communal* Horace Traubel,1904 *Your Personality In Christ* Harrison Johnson Uche,2023-10-10 Discovering your personality makes you live like God here on earth If you don t discover your personality in Christ you cannot add value to your life and to the lives of others in your family Until you discover your personality in Christ you can never know what God wants from you you will be living here on earth without direction confused without knowing what to do and what God wants from you or how he wants you to relate to other people and how to receive your benefits from God as his child And it will be impossible for you to love your neighbors when you have not discovered their value to your life and for you to discover their value you must first have discovered yourself Whenever you discover your role in the life of others you will understand how useful they can be to you and you will understand too that there is no need to be at war with anybody But whenever you have failed to discover yourself you might think that the breakthrough of others is your disadvantage and if you don t change this mindset and knowledge you might even fight against people that God has ordained to deliver you like Joseph s brothers who fought the man that God has destined to help their lives This book YOUR PERSONALITY IN CHRIST will help you discover your personality in Christ and enjoy his deposit
