yearnings for a different kind of life Kingsley Amis's 1922-95 works take a humorous yet highly critical look at British society especially in the period following the end of World War II Born in London Amis explored his disillusionment in novels such as *That Uncertain Feeling* 1955 His other works include *The Green Man* 1970 *Stanley and the Women* 1984 and *The Old Devils* 1986 which won the Booker Prize Amis also wrote poetry criticism and short stories *The Loony's Royalties* Iza Chkadua, 2011-05-16 The collection consists of twenty five stories that are mostly based upon real facts that happened in Georgia in the 20th and 21st centuries and represent our customs and traditions I think the characters and subjects of the stories will be interesting for foreign readers Anyone interested in literature can read the book and no matter whether he's 13 or very very old The collection is a mixture of philosophy and mysticism Love and hatred treachery and devotion consideration and indifference are the things that people are mostly inclined to think about and the author is not an exception All the characters have something in common with the author and are prototypes of the people famous for the so called Rose Revolution But there can be no revolution without changes in one's mind *Robyn Looks for Bears* Hazel Hutchins, 2000 Every summer Robin goes to her cousin's mountain Tourist Lodge near Bear Lake for the summer It's both a holiday and a chance to help out but it's not exciting Robyn is determined to put excitement in her summer holiday by seeing some bears and having her very own bear story to tell all her friends Robyn's quest for bears leads to lots of fun but no bears Then when she least expects it her dreams come true **Loony Bin Blues** Darrell Sroufe, 2012 In this fascinating testimony author Darrell Sroufe recounts growing up in a home wracked by mental illness his teen years lost in sex drugs and rock n roll and nearly going insane after a bad drug trip Coming to Christ only a few hours before committing himself to a mental hospital he soon found full deliverance Then God opened doors for him to become a counselor therapist and case manager in several psychiatric institutions Witnessing the anti Christian charlatanism of psychiatry while knowing the delivering power of The Great Physician first hand he recommended trust in Jesus Christ rather than psychiatrists to patients with mental problems This quickly resulted in an ongoing conflict with the psychiatric industry In off hours evangelistic ministry he did the same recognizing that insanity is not relegated only to those locked inside psychiatric wards but runs amuck everywhere in sin crazed society Unmasking modern psychiatry *Loony Bin Blues* reveals the practice to be a multi billion dollar business more interested in money than remedying mental illness Its spurious history philosophies and ideologies are brought to light exposing its occult origins and illegitimate pseudo science challenges to Biblical authority in matters pertaining to the human soul If you believe that mental illness is simply the result of diseases and chemical imbalances of the brain or if you don't believe in spiritual realities then you are in for a real surprise *Loony Bin Blues* moves in and out of earthly heavenly and hellish realms unveiling the truth about psychiatry insanity and emissaries of light and darkness who battle for the souls of us all You can't make this stuff up S T Caballero Georgia Medical Care Foundation of Atlanta A Christian testimony willing to tell the warts and all truth April Riggins Life Impact International **Debris Dreams** David Colby, 2024-11-14 Appealingly
