Lord Durhams Report

John George Lambton Durham (Earl of))

Lord Durhams Report:

Lord Durham's Report Gerald M. Craig, Janet Ajzenstat, Guy Laforest, 2006-12-18 In his famous 1839 call to reform John George Lambton Earl of Durham recommended that Upper and Lower Canada be accorded responsible government by uniting the two provinces under a single legislative assembly a union which would also bring about the assimilation of the French Canadians The Report has been criticized ever since from British imperialists who found it dangerously liberal to French Canadians who despised Durham for his presumed racism This new edition of Gerald Craig s abridgement retains his 1963 introduction and adds essays that debate Durham s political assumptions and goals re examine the philosophical and historical context in which the Report was created and review the Report s reception and influence Janet Ajzenstat reconsiders the report in the context of nineteenth century debates about the relation between culture and political institutions arguing that Durham should be seen as a progressive universalist opposed to the divisions of race and creed who wanted to give more freedom to French and English Canadians alike Guy Laforest re examines the report in terms of British liberal imperialism and twentieth century English Canadian perspectives to argue that Durham was a one sided sociologist and the first in long line who used liberalism for imperialist purposes

The Durham Report and British Policy Ged Martin, 1972-11-09 In 1838 Lord Melbourne s Whig government in Britain sent the radical Lord Durham to Canada as Governor General to deal with a colony in the aftermath of a rebellion Durham s vanity and arrogance made him a poor choice for the post and he resigned a few months later after the government had been forced to overrule him for exceeding his powers After his return to Britain he wrote his Report on the Affairs of British North America and its unauthorized publication in the Times caused a sensation This report the famous Durham Report has been seen as the starting point of the British tradition of colonial self rule leading through the Statute of Westminster of 1931 to the independent self governing Commonwealth of today

Political Thought of Lord Durham Janet Ajzenstat, 1988 Lord Durham s Report on the Affairs of British North America is usually discussed only in terms of its historical context the events that brought Durham to Canada and the consequences of the Report s reform proposals In a markedly different approach Janet Ajzenstat treats the Report as a text in modern political thought She develops Durham s underlying arguments and

assumptions demonstrating the essentially liberal character of his recommendations and revealing a tough minded argument about political freedom and the place of national minorities in a free society *Lord Durham's Report on the Affairs of British North America* John George Lambton Earl Of Durham,2020-03-14 **Lord Durham's Report on the Affairs of British North America** John George Lambton Durham (Earl of),1992 **Lord Durham's Report** John George Lambton Durham (Earl of),1964 **LORD DURHAMS REPORT ON THE AFF** John George Lambton Earl of Durham, 17,Charles Prestwood Sir Lucas, 1853-1931,2016-08-29 *Lord Durham's Report* John George Lambton Durham,1969 Lord Durham's Mission to Canada Chester New,1963-01-01 This edition of Professor New s distinguished biography of Lord Durham reproduces that portion approximately one half which deals with Durham s mission to Canada and the production of his famous Report With its intimate picture of the political administration of the Canadas immediately after the 1837 rebellion this has long been required reading for every student of Canadian history and politics **Lord Durham's Report on the Affairs of British North America Volume 1** Durham John George Lambton 1792-1840,2013-01 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy *Lord Durham's Report on the Affairs of British North America Volume 3* Durham John George Lambton 1792-1840,2013-01 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy **Lord Durham's Report on the Affairs of British North America Volume 2** Durham John George Lambton 1792-1840,2013-01 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy
