Paul Tillich and Asian Religions Ka-fu Keith Chan, Yau-nang William Ng, 2017-08-21 This volume investigates Paul Tillich's relationship to Asian religions and locates Tillich in a global religious context It appreciates Tillich's heritage within the western and eastern religious contexts and explores the possibility of global religious cultural understanding through the dialogue of Tillich's thought and East West religious cultural matrix

Paul Tillich and Sino-Christian Theology Keith Ka-fu Chan, 2023-06-23 With contributors from different generations of the Chinese speaking world the book addresses the relevance of Paul Tillich's thought in the Chinese cultural political contexts Appropriating and transforming different themes of Tillich's thought in the Chinese context the contributors reframe the dialogue with Buddhism and Confucianism religion

and science and religion and politics under the interpretation of Tillich's ideas. The thought provoking essays examine the intellectual potentiality or further contribution of Paul Tillich's ideas in Sino-Christian Theology. The book will be of interest to scholars and postgraduate students studying Paul Tillich's thought, Chinese theology and East-West religious dialogues.

The Secret Language of Doctors Brian Goldman, 2015-04-01. Most people have visited a doctor's office or emergency room in their lifetime to gain clarity about an ailment or check in after a procedure. While doctors strive to ensure their patients understand their diagnoses, rarely do those outside the medical community understand the words and phrases we hear practitioners yell across a hospital hallway or murmur to a colleague behind office doors. Doctors and nurses use a kind of secret language comprised of words unlikely to be found in a medical textbook or heard on television. In *The Secret Language of Doctors*, Dr. Brian Goldman decodes those code words for the average patient. What does it mean when a patient has the symptoms of incarcerated hernia? What are blocking and turfing? And why do you never want to be diagnosed with a horrendoma? Dr. Goldman reveals the meaning behind the colorful and secret expressions doctors use to describe difficult patients' situations and medical conditions, including those they don't want you to know. Gain profound insight into what doctors really think about patients in this funny and biting examination of modern medical culture. [Your Pregnancy, Your Way](#) Allison Hill, 2017-04-11. As an OB-GYN, Dr. Allison Hill has delivered thousands of babies. As a mom, she's given birth to her own two children. Hill has a unique perspective on the many questions moms have surrounding pregnancy and childbirth, especially when it comes to going natural. Drawing on her twenty years of expertise as well as current medical data, she weighs the pros and cons of the range of options available: hospital or birthing center, MD or midwife. Covering everything from understanding a doctor's bias to medical interventions, what's necessary and what's not to home births, Hill debunks common myths and provides insight into hot-button issues and a keen look into why doctors do what they do. *Your Pregnancy, Your Way* helps parents to achieve a safe and healthy delivery. [They Do What?](#) Javier A. Galván, 2014-06-19. This single-volume work covers many traditions, customs, and activities Westerners may find unusual or shocking, covering everything from the Ashanti people's funeral celebrations to wife-carrying competitions in Finland. In Maharashtra, India, a tradition exists to throw newborn babies off the tops of buildings. At the Vegetarian Festival in Phuket, Thailand, some people ritualistically pierce their cheeks and faces with swords and knives. How did these surprising customs come to be? From camel wrestling to cheese-rolling competitions to a tomato-throwing festival, this fascinating single-volume encyclopedia examines more than 100 customs, traditions, and rituals that may be considered strange and exotic to U.S. readers. This work provides high school and undergraduate students with a compelling and fascinating exploration of world customs and traditions. Comprising entries by anthropologists, religious leaders, scholars, dancers, musicians, historians, and artists from almost every continent in the world, this encyclopedia provides readers a truly global and multidisciplinary perspective. The entries explore the origins of the custom, explain how it was established as a tradition, and describe how and where it is practiced. A thematic

guide enables readers to look up entries by the type of tradition or custom such as birth coming of age courtship and wedding funeral daily customs holidays and festivals

Adopting the Tune of Appearance: An Mental Symphony within **Lotus Birth**

In a global eaten by screens and the ceaseless chatter of quick communication, the melodic elegance and mental symphony created by the published term usually fade in to the back ground, eclipsed by the constant noise and interruptions that permeate our lives. But, nestled within the pages of **Lotus Birth** a charming fictional treasure filled with organic thoughts, lies an immersive symphony waiting to be embraced. Constructed by an outstanding composer of language, this charming masterpiece conducts readers on an emotional journey, skillfully unraveling the concealed songs and profound impact resonating within each cautiously crafted phrase. Within the depths with this moving examination, we shall investigate the book is main harmonies, analyze their enthralling publishing design, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
