Lotus Land Peter Anthony Thompson, 1906 *Pilgrims in Lotus Land* Robert Kenneth Burkinshaw, 1995 Pilgrims in Lotus Land explores the remarkable growth of evangelicalism in an intensely secular province during the twentieth century Robert Burkinshaw explains why evangelicalism held such appeal paying particular attention to the distinctive character

Lotusland David Joiner, 2025-02-26 In its revised ten year anniversary edition Lotusland remains one of the only works of fiction by a US author to bridge the literary gap between the Vietnam War and contemporary Vietnam Nathan Monroe is a 28 year old American living in Saigon who falls in love with a talented and ambitious Vietnamese painter When he faces crises of love and his own ambitions his safety net appears in the form of Anthony an old domineering friend in Hanoi who runs a successful real estate firm Only much later does Nathan discover that Anthony has plans for him which clash with his desire to integrate into Vietnamese life Little do they know what lies in store for them after Anthony recklessly takes both of their futures into his own hands With lyrical prose and an eye on the social dynamics of a culture undergoing great change Lotusland dramatizes the power imbalances between Westerners living abroad and between Westerners and Vietnamese in love and friendship in the consequences of war and in the pursuit of dreams This edition features a brand new cover foreword two author interviews and an essay by the author on writing about Vietnam **Lotusland** WR

Woodbury, 2023-04-01 Two night owls who have been friends since childhood reconnect and share an apartment overlooking the Vancouver skyline Rita plies her trade out of a swanky nightclub while Cole a bisexual cab driver ferries the drunk and the dispossessed around the slick neon streets Violence is not uncommon in either profession so it isn't long before the bodies of random acquaintances show up dead in what could be a maniac's killing spree There is tension between the main characters the police various ethnic groups gays of all stripes and a handful of rival factions who are out to control the lucrative transportation industry that the busy seaport generates When Rita disappears Cole conducts his own investigation playing footsie with the police and ends up bringing murderous violence closer to home than he intended *The Evolution of Consciousness* David R. Hawkins, M.D., Ph.D., 2024-10-15 Spiritual teacher and best selling author of Letting Go offers a thorough explanation of the levels of consciousness In this book renowned spiritual teacher Dr David R Hawkins offers an in depth look at each level in the Map of Consciousness and how it relates in general to the whole field of consciousness He also defines what is meant by linear and nonlinear content and context as well as the radical state of subjectivity awareness and consciousness The Map of Consciousness is used to illuminate the understanding of the ego and our programs and how to be free of them As Dr Hawkins explains the Map is not a hierarchy of worthiness but more like a prism that breaks up the light into different colors Spiritual work is making choices that move us up toward the Light In the second half of this book Dr Hawkins explores How to transcend positionalities Why just hearing certain information can be transformational That there is no such thing as nothingness The Progressive Fields of Realization and the theory of evolution How to disassemble the ego

The basics of quantum mechanics Throughout Dr Hawkins speaks on the emergence of positive spiritual energy that is dominating the consciousness field of mankind with profound implications for everyone The whole use of this scale the whole use of what we learn from it is merely to support the intention on the part of everyone here to move forward in consciousness and to fulfill the human potential Canadian Baptist Fundamentalism, 1878-1978 Taylor Murray, Paul R.

Wilson, 2022-04-01 As the first single volume work to present a national picture of Baptist engagement with the fundamentalist movement in Canada in the late nineteenth and twentieth centuries *Canadian Baptist Fundamentalism* fills an important gap in the historiography It explores the contributions of well known fundamentalists such as T T Shields William Bible Bill Aberhart and J J Sidey while also introducing the reader to several lesser known figures including Joshua Denovan E J Stobo and T A Meister Together these studies demonstrate the diversity of the fundamentalist movement as it emerged and developed across Canada By drawing on material from across the country *Canadian Baptist Fundamentalism* addresses old themes in new ways and in the process raises a variety of questions and possibilities for new avenues of study *Letters From Lotusland* Ian Whitcomb, 2010-02 Ian Whitcomb One Hit Wonder British Invader of the 1960s and teen heart throb never went home Instead he tried to settle down in Los Angeles County where over the years he produced a Grammy winning CD wrote songs for movies auditioned for butler roles in TV commercials had and lost dogs married successfully and continued to play his ukulele as the ship went down Now the entire soap opera 1996 2008 roped together in hard copy with appropriate photos can be relished as a roller coaster of self pity vaunting and failed ambition jealousy bathos and pathos culminating in a Big Dream In other words this is a comedy book Mainline Show Biz may have passed Whitcomb by but here in these precious pages he creates his own world of heroes and villains with himself as King in order to get sweet revenge through the twisted lingo of his India rubber sword **CAROLYN WELLS: 175+ Children's Classics in One Volume**
