Louis Brandeis Slept Here A Slightly Cynical History Of American Jews:

Louis Brandeis Slept Here David Gleicher, 1997 From Colonial America to intermarriage in present times Louis Brandeis covers such controversial issues as Jews and Blacks and Jews and politics with each point being analyzed through the eyes of history and a strong dose of irreverence **Divided We Stand** Ofira Seliktar, 2002-11-30 The relationship between Israel American Jews and the peace process has been a subject of passionate debate among scholars political activists and lay observers alike This book is the first rigorous attempt to chart the impact of the peace process on the American Jewish community and its relationship with Israel as mediated by the changing identity needs of American Jews Overall the trajectory of this relationship has been from a wide consensus of support for Israeli foreign policy toward increasing polarization On one side is the peace camp composed mainly of those whose Jewish American identity is based on a religious universalistic definition of Judaism on the other those who identify as nationalistic or orthodox in religious terms and support a hard line vision of Greater Israel The acrimony between the two combined with demographic change has undermined Israel as a symbol of Jewish identity in America and impeded effective lobbying for Israel **Three Perspectives: Jewish, Christian, and Muslim** Steven H. Propp, 2009-12-30 You're Jewish aren't you This blunt question is the way that college freshman Richard Cohn is introduced to an outspoken fellow student named Dov Epstein who calls himself a Messianic Jew and believes that God has a special purpose for the Jewish people in these Last Days Raised by secular Jewish parents Richard is completely oblivious to his own Jewish background until this ongoing dialogue forces him to confront his own heritage The two young men vigorously argue with each other over the interpretation of the Hebrew Bible particularly its reputed predictions of a Messiah Christian doctrines such as the Trinity and most significantly about the identity and significance of Jesus of Nazareth The rigorous process of self examination this initiates leads Richard to embrace his Jewish identity even as he vehemently denies the same for Dov The two ultimately become fast friends but as they progress from an academic environment to the professional world they are challenged by racist statements made by prominent national figures anti Semitic doctrines such as Christian Identity which teaches that white Anglo Saxons are the true Israel and also purported scholars who deny the reality of the Holocaust itself Circumstances in life connect them with a young Iranian migr named Jahangir Khatami whose Muslim beliefs conflict strongly with their own Yet when a violent incident brings the three of them together they are forced to reexamine not just their differences but their similarities While they clash over the ideals of Zionism and its ramifications in the modern State of Israel they are united in their horror over the terrorist attacks of September 11 2001 Join a diverse cast of characters some of whom appeared in the authors earlier book *Beyond Heaven and Earth* in a probing exploration that may help you reconsider just what it means to be Jewish Christian or Muslim in the modern world **The Jewish Spectator** ,1998 *American Book Publishing Record* ,1997-09 *The Publishers Weekly* ,1997 *My Yeshiva College* Menachem Butler, Zev Nagel, 2006 **Jewish Life in Washtenaw**
