

## LOST LOVE

My sister spent a whole life in the earth.  
She was born, she died.  
In between,  
not one alert look, not one sentence.

She did what babies do,  
she cried. But she didn't want to be fed.  
Still, my mother held her, trying to change  
first fate, then history.

Something did change: when my sister died,  
my mother's heart became  
very cold, very rigid,  
like a tiny pendant of iron.

Then it seemed to me my sister's body  
was a magnet. I could feel it draw  
my mother's heart into the earth,  
so it would grow.

**Every Inch a Woman** Carellin Brooks, 2011-11-01 What makes the textual image of a woman with a penis so compelling malleable and persistent Although the figure of the phallic woman is in no sense unique to our age Every Inch a Woman takes note of a proliferation of phallic feminine figures in disparate North American and European texts from the end of the nineteenth century onward This multiplication which continues today admits of a corresponding multiplicity of motives The phallic woman can be a ribald joke a fantastical impossibility a masculine usurper an ultimately unthreatening sexual style an interrogation into the I of the author or an examination of female culpability Carellin Brooks takes up the textual figure of the phallic woman where Freud locates it in the imagined mother that the little boy in fantasy credits with a penis of her own It traces this phallic woman motif backward to the sexological case study and forward to newspaper accounts of testosterone taking third sexers Brooks examines both high and low literature pornography postmodern theory and writing that would seem to answer Lacan's injunction to move beyond the phallus Witty and engaging Every Inch a Woman makes an innovative contribution to sexuality gender and women's studies as well as psychoanalytic theory and criticism
