Louisiana Political Hijinks:

Louisiana Political Hijinks Clyde C. Vidrine,1985 **Louisiana History** Florence M. Jumonville,2002-08-30 From the accounts of 18th century travelers to the interpretations of 21st century historians Jumonville lists more than 6 800 books chapters articles theses dissertations and government documents that describe the rich history of America s 18th state Here are references to sources on the Louisiana Purchase the Battle of New Orleans Carnival and Cajuns Less explored topics such as the rebellion of 1768 the changing roles of women and civic development are also covered It is a sweeping guide to the publications that best illuminate the land the people and the multifaceted history of the Pelican State Arranged according to discipline and time period chapters cover such topics as the environment the Civil War and Reconstruction social and cultural history the people of Louisiana local parish and sectional histories and New Orleans It also lists major historical sites and repositories of primary materials As the only comprehensive bibliography of the secondary sources about the state ILouisiana History R is an invaluable resource for scholars and researchers

Wizards Brian Fairbanks,2022-10-15 A corrupt old Democrat A surging Republican populist The Democrat hounded by corruption allegations the Republican dogged by business failures and ties to white supremacists The Republican turned out thousands of screaming supporters for speeches blaming illegal immigrants and crime on the Democrats and the Democrat plummeted in the polls Sound familiar The 91 Louisiana Governor s race was supposed to be forgettable But when former KKK Grand Wizard David Duke shocked the nation by ousting incumbent Republican Governor Buddy Roemer in the primary the world took notice Democrat Edwin Edwards a former three term governor and two time corruption defendant was left alone to face Duke in the general election and he was going to lose Then a little known state committeewoman stepped in with evidence of Duke s nefarious past Could her evidence be enough to sway the minds of fired up voters or would Louisiana welcome a far right radical into the highest office in the state Journalist Brian Fairbanks explores how the final showdown between Duke and Edwards in November 1991 led to a major shift in our national politics as well as the rise of the radical right and white supremacist groups and how history repeated itself in the 2016 presidential election The story of these political wizards almost forgotten by history remains eerily prescient and disturbingly relevant and a compulsive page turner

The Party Is Over Robert Mann,2022-02-16 For decades the Louisiana political scene has been a source of interest and intrigue for scholars and casual observers alike In recent years the state s political economic and environmental challenges have drawn sustained attention from regional and national media Observers have typically focused on Louisiana s distinctive political culture including jungle primaries colorful candidates and tolerance for scandal However recent shifts have eroded the state s unique political character aligning it with national political trends of partisan realignment political polarization and outside influence in state and local elections The Party Is Over brings together top scholars journalists and policy analysts to investigate these recent shifts in institutions politics and policy and situate them in the context of national politics Both accessible and thorough the

volume offers an informed and reliable foundation for those new to Louisiana's political culture and for long time observers seeking new insights into recent developments Contributors recognize the challenges posed by the new politics and point toward opportunities to leverage the state's cultural and economic strengths to build a better Louisiana

Backrooms and Bayous: My Life in Louisiana Politics Robert Mann, 2021-08 This autobiography by the communications director of Gov Kathleen Blanco during Hurricane Katrina covers the political drama and intrigue he witnessed and learned from as a political columnist and congressional aide since the late 1970s He reported on and/or worked for Louisiana's top political leaders of the last forty years Edwin Edwards Russell Long John Breaux J Bennett Johnston and Mary Landrieu He is a professor and Manship Chair in Journalism at Louisiana State University

Courtroom Carnival S. L. Alexander, 2011-10-13 The outrageous antics of ten of Louisiana's high profile legal celebrities on both sides of the courtroom are the focus of this fascinating book Editor S L Alexander brings together communications and legal experts Jennifer John Block Erin Bremer Lyn Koppel Glenn Watts and Charles Zewe to delve into the legal foibles and follies that plague Louisiana's legal system After an introduction to the intricacies of Louisiana's courtroom customs each chapter provides a concise history of a colorful personality from former four term governor and convicted felon Edwin Edwards's outlandish antics to wealthy entrepreneur Chicken King Al Copeland's many peccadilloes Included are characters from both sides of the law such as TV reporter Richard Angelico Jefferson Parish Sheriff Harry Lee known as the Chinese Cowboy DA Harry Connick Sr known as much for his singing as his courtroom performances and many more

Courtroom Carnival Famous New Orleans Trials presents a fascinating and educational read from the overview of what makes the courtrooms of Louisiana so unique to the exposés of the bizarre characters on both sides of the bench

Mediated Images of the South Alison Slade, Dedria Givens-Carroll, Amber J. Narro, 2012-01-01 Mediated Images of the South The Portrayal of Dixie in Popular Culture edited by Slade Givens Carroll and Narro seeks to explore and understand the impact of the image of the Southerner within mass communication and popular culture by looking at images in politics film television public relations advertising sports and social media

Louisiana Bennett H. Wall, John C. Rodrigue, 2014-01-28 Covering the lively even raucous history of Louisiana from before First Contact through the Elections of 2012 this sixth edition of the classic Louisiana history survey provides an engaging and comprehensive narrative of what is arguably America's most colorful state Since the appearance of the first edition of this classic text in 1984 Louisiana A History has remained the best loved and most highly regarded college level survey of Louisiana on the market Compiled by some of the foremost experts in the field of Louisiana history who combine their own research with recent historical discoveries Includes complete coverage of the most recent events in political and environmental history including the continued aftermath of Katrina and the 2010 BP oil spill Considers the interrelationship between Louisiana history and that of the American South and the nation as a whole Written in an engaging and accessible style complemented by more than a hundred photographs and maps

LLA Bulletin Louisiana Library

Association,1984 **Inside the Carnival** Wayne Parent,2006-09-01 With both an entertainer's eye and a social scientist's rigor Wayne Parent subjects Louisiana's politics to rational and empirical analysis seeking and finding coherent reasons for the state's well known unique history He resists resorting to vague hand waving about exoticism while at the same time he brings to life the juicy stories that illustrate his points Parent's main theme is that Louisiana's ethnic mix natural resources and geography define a culture that in turn produces its unique political theater He gives special attention to immigration patterns and Louisiana's abundant supply of oil and gas as well as to the fascinating variations in political temperaments in different parts of the state Most important he delivers thorough and concise explanations of Louisiana's unusual legal system odd election rules overwrought constitutional history convoluted voting patterns and unmatched record of political corruption In a new epilogue Parent discusses how the hurricanes of 2005 will affect state politics and politicians as Louisiana struggles to regain its footing in the New South **Falling Up** Raymond Strother,2005-04-01 This brash and rollicking autobiography is a potent primer of the rough and tumble world of political consulting by one of its founding fathers and preeminent experts A cross between a patriotic redneck raconteur and a TV savvy renaissance man Raymond D Strother is unafraid to name names and refuses to mince words in tales of what he calls the beauty and gore of American politics From the crash course in Louisiana politics and corruption he received following graduate school to his compelling entry into the big time senatorial and congressional races of the 1970s and early 1980s and his adventures with candidates Clinton Gore and Hart and famous consultants Dick Morris and James Carville Strother offers a wildly entertaining controversial but finally optimistic political and media success story that will thrill and inspire anyone spellbound by American politics Political Assassinations and Attempts in US History J. Michael Martinez,2017-11-14 The long dark history of political violence in the United States Violence has been employed to achieve political objectives throughout history Taking the life of a perceived enemy is as old as mankind Antiquity is filled with examples of political murders such as when Julius Caesar was felled by assassins in 44 BCE While assassinations and assassination attempts are not unique to the American way of life denizens of other nations sometimes look upon the US as populated by reckless cowboys owing to a Wild West attitude about violence especially episodes involving guns In this book J Michael Martinez focuses on assassinations and attempts in the American republic Nine American presidents Andrew Jackson Abraham Lincoln James A Garfield William McKinley Harry S Truman John F Kennedy Richard Nixon Gerald Ford and Ronald Reagan have been the targets of assassins President elect Franklin D Roosevelt was also a target shortly before he was sworn into office in 1933 Moreover three presidential candidates Theodore Roosevelt Robert F Kennedy and George Wallace were shot by assailants In addition to presidents and candidates for the presidency eight governors seven U S senators nine U S House members eleven mayors seventeen state legislators and eleven judges have been victims of political violence Not all political assassinations involve elected officials Some of those targeted such as Joseph Smith Malcolm X and Martin Luther King Jr were public figures who

influenced political issues But their cases are instructive because of their connection to and influence on the political process No other nation with a population of over 50 million people has witnessed as many political assassinations or attempts These violent episodes trigger a series of important questions First why has the United States a country constructed on a bedrock of the rule of law and firmly committed to due process been so susceptible to political violence Martinez addresses these questions as he examines twenty five instances of violence against elected officials and public figures in American history

U.S. News & World Report ,2005 *The Times-picayune Index* ,2001 **Stories of the South** K. Stephen Prince,2014-04-28 In the immediate aftermath of the Civil War the character of the South and even its persistence as a distinct region was an open question During Reconstruction the North assumed significant power to redefine the South imagining a region rebuilt and modeled on northern society The white South actively resisted these efforts battling the legal strictures of Reconstruction on the ground Meanwhile white southern storytellers worked to recast the South s image romanticizing the Lost Cause and heralding the birth of a New South In *Stories of the South* K Stephen Prince argues that this cultural production was as important as political competition and economic striving in turning the South and the nation away from the egalitarian promises of Reconstruction and toward Jim Crow Examining novels minstrel songs travel brochures illustrations oratory and other cultural artifacts produced in the half century following the Civil War Prince demonstrates the centrality of popular culture to the reconstruction of southern identity shedding new light on the complicity of the North in the retreat from the possibility of racial democracy

The Proceedings of the Louisiana Academy of Sciences Louisiana Academy of Sciences,1963 **Books in Print** ,1991 *The Cajuns* Shane K. Bernard,2009-09-28 The past sixty years have shaped and reshaped the group of French speaking Louisiana people known as the Cajuns During this period they have become much like other Americans and yet have remained strikingly distinct *The Cajuns Americanization of a People* explores these six decades and analyzes the forces that had an impact on Louisiana s Acadiana In the 1940s when America entered World War II so too did the isolated Cajuns Cajun soldiers fought alongside troops from Brooklyn and Berkeley and absorbed aspects of new cultures In the 1950s as rock n roll and television crackled across Louisiana airwaves Cajun music makers responded with their own distinct versions In the 1960s empowerment and liberation movements turned the South upside down During the 1980s as things Cajun became an absorbing national fad Cajun became a kind of brand identity used for selling everything from swamp tours to boxed rice dinners At the dawn of the twenty first century the advent of a new information age launched Cyber Cajuns onto a worldwide web All these forces have pushed and pulled at the fabric of Cajun life but have not destroyed it A Cajun himself the author of this book has an intense personal fascination in his people By linking seemingly local events in the Cajuns once isolated south Louisiana homeland to national and even global events Bernard demonstrates that by the middle of the twentieth century the Cajuns for the first time in their ethnic story were engulfed in the currents of mainstream American life and yet continued to make outstandingly distinct contributions

The New Republic Herbert David Croly, 1962 *The Economist* , 2001

Louisiana Political Hijinks Book Review: Unveiling the Magic of Language

In a digital era where connections and knowledge reign supreme, the enchanting power of language has become more apparent than ever. Its power to stir emotions, provoke thought, and instigate transformation is truly remarkable. This extraordinary book, aptly titled "**Louisiana Political Hijinks**," published by a highly acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound effect on our existence. Throughout this critique, we shall delve into the book's central themes, evaluate its unique writing style, and assess its overall influence on its readership.
