Cajun Caress Ashland Price, Janice M. Carlson-Buffie, 1990 FICTION ROMANCE GOTHIC The New Orleans of Fiction James A. Kaser, 2014-07-29 The importance of New Orleans in American culture has made the city's place in the American imagination a crucial topic for literary scholars and cultural historians While databases of bibliographical information on New Orleans centered fiction are available they are of little use to scholars researching works written before the 1980s In *The New Orleans of Fiction: A Research Guide* James A Kaser provides detailed synopses for more than 500 works of fiction significantly set in New Orleans and published between 1836 and 1980 The synopses include plot summaries names of major characters and an indication of physical settings An appendix provides bibliographical information for works dating from 1981 well into the 21st century while a biographical section provides basic information about the authors some of whom are obscure and would be difficult to find in other sources Written to assist researchers in locating works of fiction for analysis the plot summaries highlight ways in which the works touch on major aspects of social history and cultural studies i.e. class ethnicity gender immigrant experience and race The book is also a useful reader advisory tool for librarians and readers who want to identify materials for leisure reading particularly since genre juvenile and young adult fiction as well as literary fiction are included

Temptation's Trail Dana Ransom, 1994 Amanda Duncan headed West to find her missing brother her privileged upbringing hadn't prepared her for the perils of frontier Texas so she hires a legendary gunslinger to help her Much to Amanda's surprise the handsome Harmon Bass shows up unarmed What kind of hero doesn't carry a gun in the Old West

Velvet Thunder Teresa Howard, 1994-03-01 Stevie Johns had seen her Comanche mother die in childbirth Now a vicious white enemy had driven Stevie and her father off their land How could she trust the mysterious man in black who just appeared out of nowhere a devilish stranger whose sapphire eyes seemed to see right into her soul Lean and rugged he offered his help risking life itself to protect her Though Stevie could never give her heart she could not resist his tender embrace He called himself Lucky Diamond More at home with a deck of cards than a six shooter Heath Turner had lived through the worst of the Civil War Now the rugged U.S. marshal had left his native New York behind to bring justice to the New Mexico Territory But from the moment he rode into Adobe Wells and set eyes on Stevie Johns Heath

knew he'd found the woman he'd want forever Let her fight him with all the passion blazing in her soul he was determined to win Stevie's heart and heal the pain of the past with the rapturous promise of love **Many Thousands Gone** Ira Berlin, 2009-07-01 Today most Americans black and white identify slavery with cotton the deep South and the African American church But at the beginning of the nineteenth century after almost two hundred years of African American life in mainland North America few slaves grew cotton lived in the deep South or embraced Christianity *Many Thousands Gone* traces the evolution of black society from the first arrivals in the early seventeenth century through the Revolution In telling their story Ira Berlin a leading historian of southern and African American life reintegrates slaves into the history of the American working class and into the tapestry of our nation Laboring as field hands on tobacco and rice plantations as skilled artisans in port cities or soldiers along the frontier generation after generation of African Americans struggled to create a world of their own in circumstances not of their own making In a panoramic view that stretches from the North to the Chesapeake Bay and Carolina lowcountry to the Mississippi Valley *Many Thousands Gone* reveals the diverse forms that slavery and freedom assumed before cotton was king We witness the transformation that occurred as the first generations of creole slaves who worked alongside their owners free blacks and indentured whites gave way to the plantation generations whose back-breaking labor was the sole engine of their society and whose physical and linguistic isolation sustained African traditions on American soil As the nature of the slaves labor changed with place and time so did the relationship between slave and master and between slave and society In this fresh and vivid interpretation Berlin demonstrates that the meaning of slavery and of race itself was continually renegotiated and redefined as the nation lurched toward political and economic independence and grappled with the Enlightenment ideals that had inspired its birth *Flaming Iguanas* Erika

French Colonial Louisiana and the Atlantic World Bradley G. Bond, 2005-07-01 French colonial Louisiana has failed to occupy a place in the historic consciousness of the United States perhaps owing to its short duration 1699-1762 and its standing outside the dominant narrative of the British colonies in North America This anthology seeks to locate early Louisiana in its proper place bringing together a broad range of scholarship that depicts a complex and vibrant sphere Colonial Louisiana comprised the vast center of what would become the United States It lay between Spanish British and French colonies in North America and the Caribbean and between woodland and eastern plains Indians As such it provided a meeting place for Europeans Africans and native Americans functioning as a crossroads between the New World and other

worlds While acknowledging colonial Louisiana's peripheral position in U.S. and Atlantic World history this volume demonstrates that the colony stands at the thematic center of the shared narratives and historiographies of diverse places Through its twelve essays French Colonial Louisiana and the Atlantic World tells a whole story the story of a place that belongs to the historic narrative of the Atlantic World **Victory's Woman** Gretchen Genet, 1994 Set against the fiery backdrop of the American Revolution this tale by Gretchen Genet tells the stirring story of three men fighting for their heritage and the extraordinary woman destined to change all their lives forever From a graceful Virginia plantation to the majestic mountains of Kentucky they live an unforgettable moment in history *Strange True Stories of Louisiana* George Washington Cable, 1889 Haunted by Empire Ann Laura Stoler, 2006-05-05 DIVA groundbreaking interdisciplinary collection that rethinks the connection between the intimate and United States colonial and postcolonial histories div
