

# Louvre In Closeup

**E. Alex Pierce**

## **Louvre In Closeup:**

*The Louvre in Close-up* Claire D'Harcourt, 2001 Reproductions of twenty four works of art housed at the Louvre in Paris include magnifications of details within each work for readers to find with lift the flap keys to reveal the solutions and additional background information for each work

**Europe: an Aerial Close-up** Charles E. Rotkin, 1962 Low level serial photographs of the cities and landmarks of western Europe Dust jacket

**Edgar Degas: Drawings in Close Up** Annabelle Thornhill, 2015-01-06 Like the Impressionists Degas sought to capture fleeting moments in the flow of modern life yet he showed little interest in painting plain air landscapes favoring scenes in theaters and cafes illuminated by artificial light which he used to clarify the contours of his figures adhering to his Academic training He is especially identified with the subject of dance more than half of his works depict dancers He also was a superb draftsman and particularly masterful in depicting movement as can be seen in his interpretations of dancers and female nudes His portraits are notable for their psychological complexity and for their portrayal of human isolation

*Close-up on Sunset Boulevard* Sam Staggs, 2003-02-04 Billy Wilder's *Sunset Boulevard* a classic film noir and also a damning dissection of the Hollywood dream factory evokes the glamour and ruin of the stars who subsist on that dream It's also one long in joke about the movie industry and those who made it great and who were in turn destroyed by it One of the most critically admired films of the twentieth century *Sunset Boulevard* is also famous as silent star Gloria Swanson's comeback picture Sam Staggs's *Close Up On Sunset Boulevard* tells the story of this extravagant work from the writing casting and filming to the disastrous previews that made Paramount consider shelving it It's about the writing team of Billy Wilder and Charles Brackett sardonically called the happiest couple in Hollywood and their raucous professional relationship It's about the art direction and the sets the costumes the props the lights and the cameras and the personalities who used those tools to create a cinematic work of art Staggs goes behind the scenes to reveal William Holden endlessly attacked by his bitter wife and already drinking too much Nancy Olson the cheerful ingenue who had never heard of the great Gloria Swanson the dark genius Erich von Stroheim the once famous but long forgotten Waxworks and of course Swanson herself who just like Norma Desmond had once been the greatest star of them all But the story of *Sunset Boulevard* doesn't end with the movie's success and acclaim at its release in 1950 There's much more and Staggs layers this stylish book with fascinating detail following the actors and Wilder into their post *Sunset* careers and revealing Gloria Swanson's never ending struggle to free herself from the clutches of Norma Desmond *Close Up On Sunset Boulevard* also chronicles the making of Andrew Lloyd Webber's musical production of *Sunset Boulevard* and the explosive diva controversies that dogged it The book ends with a shocking example of Hollywood life imitating Hollywood art By the last page of this rich narrative readers will conclude We are those wonderful people out there in the dark

**The Sphinx That Traveled to Philadelphia** Josef Wegner, Jennifer Houser Wegner, 2015-09-28 Written to celebrate the centennial of the Sphinx's arrival in Philadelphia *The Sphinx That Traveled to Philadelphia* tells the fascinating story of the

colossal sphinx that is a highlight of the Penn Museum's Egyptian galleries and an iconic object for the Museum as a whole. The narrative covers the original excavations and archaeological history of the Sphinx, how it came to Philadelphia, and the unexpected ways in which the Sphinx's story intersects with the history of Philadelphia, the University of Pennsylvania, and the Museum just before World War I. The book features ample illustrations, photographs, letters, newspaper stories, postcards, maps, and drawings drawn largely from the extensive materials in the Museum Archives. Images of related artifacts in the Penn Museum's Egyptian collection and other objects from the Egyptian Near East and Mediterranean Sections, many not on view and some never before published, as well as pieces in museums in the United States, Europe, and Egypt, place the story of the Penn Museum Sphinx in a wider context. The writing style is informal, and text is woven around the graphics that form the backbone of the narrative. The book is designed to be of interest to a wide audience of adult readers but accessible and engaging to younger readers as well. *Close Up*, 1927 **Advances in Utopian Studies and Sacred Architecture**

Claudio Gambardella, Claudia Cennamo, Maria Luisa Germanà, Mohd Fairuz Shahidan, Hocine Bougdah, 2021-02-02 At a time dominated by the disappearance of Future as claimed by the French anthropologist Marc Augé, Utopia and Religion seem to be two different ways of giving back an inner horizon to mankind. Therefore, this book, on the one hand, considers the importance of utopia as a tool and how it offers an economic and social resource to improve cities' wealth, future, and livability. On the other, it explores the impact of religious and cultural ideals on cities that have recently emerged in this context. Based on numerous observations, the book examines the intellectual legacy of utopian theory and practices across various academic disciplines. It also presents discussions, theories, and case studies addressing a range of issues and topics related to utopia.

**Piranesi's Candelabra and the Presence of the Past** Caroline van Eck, 2023 This volume explores the creation and reception of Piranesi's three colossal neoclassical candelabra. Caroline Van Eck's study explores the intense interest taken by producers and consumers of art objects in objects that made the classical live again in the late 1700s and early 1800s.

*Andrea Mantegna: Paintings in Close Up* Roger Godfrey, 2015-01-06 Andrea Mantegna (1431–1506) one of the foremost north Italian painters of the 15th century. A master of perspective and foreshortening, he made important contributions to the compositional techniques of Renaissance painting. Like other artists of the time, Mantegna experimented with perspective, e.g., by lowering the horizon in order to create a sense of greater monumentality. His flinty, metallic landscapes and somewhat stony figures give evidence of a fundamentally sculptural approach to painting. He also led a workshop that was the leading producer of prints in Venice before 1500. **A Masterpiece Close-up**, 1981 Edgar Degas: Paintings in Close Up

Annabelle Thornhill, 2015-01-06 Edgar Degas seems never to have reconciled himself to the label of Impressionist, preferring to call himself a Realist or Independent. Nevertheless, he was one of the group's founders, an organizer of its exhibitions, and one of its most important core members. Like the Impressionists, he sought to capture fleeting moments in the flow of modern life, yet he showed little interest in painting plain air landscapes, favoring scenes in theaters and cafés illuminated by artificial

light which he used to clarify the contours of his figures adhering to his Academic training He is especially identified with the subject of dance more than half of his works depict dancers He also was a superb draftsman and particularly masterful in depicting movement as can be seen in his interpretations of dancers and female nudes His portraits are notable for their psychological complexity and for their portrayal of human isolation

**Arnold Böcklin: Paintings in Close Up** Carla Tagloff, 2015-01-06 Arnold Böcklin was a Swiss symbolist painter influenced by Romanticism His painting is symbolist with mythological subjects often related with the Pre Raphaelites He depicts fantastical figures alongside classical buildings frequently revealing an obsession with death creating a strange fantasy world Art critics have constantly found it not easy to categorize this original and eccentric artist Böcklin hated giving titles to his pictures and declared that he painted in order to make people dream Just as it is poetry's task to express feelings painting must provoke them too A picture must give the spectator as much food for thought as a poem and must make the same kind of impression as a piece of music

**Ready for My Close-up!** Denny Martin Flinn, 2007-11 Limelight If I want to send a message I'll call Western Union This famous line has been attributed to various movie moguls yet while these moguls ruled the Hollywood studio system movies were in the midst of a golden age of dialogue Films included more messages ideas themes and pontifications than they ever have since Although producers trembled at commands from the front office writers the low men and women on the totem pole went quietly to their typewriters and as the subversive revolutionaries that most writers are turned out prose that did send messages How could they resist They had the biggest and best platform in the world Hollywood movies The 200 speeches collected in Ready for My Close Up are from some of the best and a few of the worst films ever made From Groucho Marx's I shot an elephant in my pajamas to Julia Roberts's What it takes to be a movie star here is the wit and wisdom of the great Hollywood screenwriters

**Close-Up View of Froebel's Kindergarten with Frank Lloyd Wright at the Drawing Table** Wally Rogers, 2016-02-29 Unparalleled account of two astute thinkers German Friedrich Froebel and American Frank Lloyd Wright about an intertwined connection between a captivating school master and a tenacious master architect An in depth examination of how children learn coupled with what Wright learned in Froebel's Kindergarten and how he applied it at the drawing table Appropriate for parents caretakers and educators of children and young people up through college age and academic scholars and avid practitioners who advocate for the preservation of Wright's legacy Narrative transcends years of commonplace thinking and practices founded upon an unrivaled method that accurately led to patterns of lovely shapes and magnificent angles the bedrock of Froebel's historical kindergarten and Wright's timeless architecture

**The Louvre** Shelley Wanger, Clement Jacquot, 2006 **The Structural Basis of Architecture** Bjørn N. Sandaker, Arne P. Eggen, Mark R. Cruvellier, 2019-03-25 This is a book that shows how to see structures as being integral to architecture It engages a subject that is both about understanding the mechanical aspects of structure as well as being able to relate this to the space form and conceptual design ideas that are inherent to the art of building Analyzing the structural principles behind many of

the best known works of architecture from past and present alike this book places the subject within a contemporary context The subject matter is approached in a qualitative and discursive manner illustrated by many photographs and structural behavior diagrams Accessible mathematical equations and worked out examples are also included so as to deepen a fundamental understanding of the topic This new color edition s format has been thoroughly revised and its content updated and expanded throughout It is perfect as either an introductory structures course text or as a designer s sourcebook for inspiration for here two essential questions are addressed in parallel fashion How do structures work and What form do structures take in the context of architecture and why so A rich varied and engaging rationale for structural form in architecture thus emerges *A Masterpiece Close-up* Raphael, Fabrizio Mancinelli, 1979 **To float, to drown, to close up, to open** E. Alex Pierce, 2022-08-31 In this collection E Alex Pierce enters the territory of memory embedded in landscape where language tied to the land evokes the cadence of tidal rivers and creates a fluid world She traces the fragmented childhood beginnings that lead to the formation of a young artist who moves from music through theatre to poetry The passionate relationships and complex juxtapositions of art and performance that form an artist s life find voice here in the symphonic structure of the long poem the provocative individual prose poems and the final stretched sonnet sequence that interrogates a lost love Still Shimmering in the morning wind And gone These fiercely poised works are layered and rich with sensuous attention to line and breath a major work from an accomplished poet And in that space of summer afternoon the image born of sound and light inhabits all her blood and bone the mind ignites She sees the fire space for her is stage now theatre is the flame She sees it burning all the way back to the Sable River the lamp the voices the two old people in the dark without wall or roof or post or beam and even as her father buries refuse in the cellar hole turns all this under she seizes it picks up her torch and runs from the title poem The Great King's Word under AhuraMazdā's Protection Salman Aliyari Babolghani, 2025-04-03 This volume presents part of the author s research on the Achaemenid Royal Inscriptions recovered in the ruins of the Achaemenid palaces in Susa conducted within the framework of the DARIOSH Louvre Project It offers a new study of several fragmentary inscriptions in Old Persian Achaemenid Elamite and Achaemenid Babylonian currently designated as DSe DSt DSb DSl DSa DSk DSi DSp D2Sb DSj A2Se DSs Inc Sb and others The book provides a new edition of each inscription based on both published and unpublished fragments Additionally it introduces some new lexicons and cuneiform signs in the Old Persian language and script **France** Magic Speak, Welcome the Magic Speak 7 Languages Collection This book is designed to help you improve your language skills by reading engaging and entertaining short stories translated in 7 languages to help you on becoming a polyglot Whether you are a beginner or an advanced learner you will find something in this book that will challenge and inspire you By the end of this book you will have not only improved your language skills but also gained a deeper understanding of the culture and people of the language you are learning So sit back relax and let the stories take you on a journey to fluency You will find a collection of carefully selected short stories

translated into 7 languages First you are going to read the 5 original stories in English and then the translations in German French Italian Spanish Portuguese and Catalan In addition to helping you learning anew language you will also give you a deeper understanding of the culture and people of the language you are learning The stories are set in different locations and times and they depict the customs beliefs and experiences of the people who speak the language As you read you will gain a better understanding of the culture and society of the language you are learning and this will help you to communicate more effectively with native speakers This book is an ideal resource for anyone who wants to improve their language skills through reading engaging and entertaining short stories On this episode we will read 5 stories about Sabrina s trip to France Enjoy
