Love And Desire:

Love, Sex, and Desire in Modern Egypt L. L. Wynn, 2018-11-23 Cairo is a city obsessed with honor and respectability and love affairs Sara a working class woman has an affair with a married man and becomes pregnant only to be abandoned by him Ayah and Zeid a respectably engaged couple argue over whether Ayah's friend is a prostitute or a virgin Malak a European belly dancer who sometimes gets paid for sex wants to be loved by a man who won't treat her like a whore just because she's a dancer and Alia a Christian banker who left her abusive husband is the mistress of a wealthy Muslim man Haroun who encourages business by hosting risqu parties for other men and their mistresses Set in transnational Cairo over two decades Love Sex and Desire in Modern Egypt is an ethnography that explores female respectability male honor and Western theories and fantasies about Arab society L L Wynn uses stories of love affairs to interrogate three areas of classic anthropological theory mimesis kinship and gift She develops a broad picture of how individuals love and desire within a cultural and political system that structures the possibilities of and penalties for going against sexual and gender norms Wynn demonstrates that love is at once a moral horizon an attribute that naturally inheres in particular social relations a social phenomenon strengthened through cultural concepts of gift and kinship and an emotion deeply felt and desired by individuals

Women, Mothers, Subjects Maura Sheehy, 2015-10-14 This collection drawn from twelve years of the influential journal Studies in Gender and Sexuality offers a groundbreaking advance in thinking and theorizing about what happens to women when they become mothers It explores how women are changed and shaped by interaction with their children and the cultural constructs about motherhood in which they are embedded Distinguished psychoanalysts philosophers feminists gender and cultural theorists explore the meeting place of cultural representations of motherhood maternal theory and mothers interacting in the clinical setting and with their children to illuminate how the process of becoming a mother creates and informs female subjectivity identity desire expression aggression ambition shame envy and relationships Contributors find mothers to be complex subjects negotiating rich hybrid identities that explode received notions of maternal and even female subjectivity in their complexity They create an exciting and very accessible new set of ideas and templates for thinking about mothers and women that will be of value to clinicians academics and mothers alike This book was originally published as a special issue of Studies in Gender and Sexuality

Life, Love, and Hope Jan-Olav Henriksen, 2014-11-10 Taking both knowledge of evolution and belief in God as Creator into account Henriksen's Life Love and Hope articulates a vision for understanding the relationship between God and human experience in contemporary terms Henriksen maintains that evolutionary theory does not account for all that can and must be said about human life and experience Conversely he also argues that any belief in God as Creator can be informed and deepened by knowledge of evolution Publisher's website

Lacan on Love Bruce Fink, 2017-09-05 Quintessentially fascinating love intrigues and perplexes us and drives much of what we do in life As wary as we may be of its illusions and disappointments many of us fall

blindly into its traps and become ensnared time and again Deliriously mad excitement turns to disenchantment if not deadening repetition and we wonder how we shall ever break out of this vicious cycle Can psychoanalysis with ample assistance from philosophers poets novelists and songwriters give us a new perspective on the wellsprings and course of love Can it help us fathom how and why we are often looking for love in all the wrong places and are fundamentally confused about what love really is In this lively and wide ranging exploration of love throughout the ages Fink argues that it can Taking within his compass a vast array of traditions from Antiquity to the courtly love poets Christian love and Romanticism and providing an in depth examination of Freud and Lacan on love and libido Fink unpacks Lacan s paradoxical claim that love is giving what you don t have He shows how the emptiness or lack we feel within ourselves gets covered over or entwined in love and how it is possible and indeed vital to give something to another that we feel we ourselves don t have This first ever commentary on Lacan s Seminar VIII Transference provides readers with a clear and systematic introduction to Lacan s views on love It will be of great value to students and scholars of psychology and of the humanities generally and to analysts of all persuasions

Conjugial Love Emanuel Swedenborg, 2013-11-19 This work published in 1768 when Swedenborg was eighty years of age was the first of the author s theological works on the title of which his name appeared It treats of the relation of the sexes of the nature and origin of love truly conjugial and of its indissoluble nature of the marriage of the Lord and the Church and its correspondence of the spiritual conjunction of partners in true marriage of the change effected in both sexes by marriage of the causes of disaffection separations and divorces of the causes of apparent love friendship and favor in marriage and of iterated marriages To which is appended a treatise on Adulterous or Scortatory Love in its various degrees showing it to be in its nature the very opposite of Conjugial Love

Plato's Animals Jeremy Bell, Michael Naas, 2015-05-01 A unique and

intriguing point of entry into the dialogues and a variety of concerns from metaphysics and epistemology to ethics politics and aesthetics Eric Sanday University of Kentucky Plato's Animals examines the crucial role played by animal images metaphors allusions and analogies in Plato's dialogues These fourteen lively essays demonstrate that the gadflies snakes stingrays swans dogs horses and other animals that populate Plato's work are not just rhetorical embellishments Animals are central to Plato's understanding of the hierarchy between animals humans and gods and are crucial to his ideas about education sexuality politics aesthetics the afterlife the nature of the soul and philosophy itself The volume includes a comprehensive annotated index to Plato's bestiary in both Greek and English Plato's Animals is a strong volume of beautifully written paeans to postmodern themes found in premodern thought Notre Dame Philosophical Reviews Shows readers of Plato that he remains significant to issues currently pursued in Continental thought and especially in relation to Derrida and Heidegger Robert Metcalf University of Colorado Denver Will provide fertile ground for future work in this area Jill Gordon author of Plato's Erotic World

The Trouble With Passion Cheryl Hall, 2013-01-22 Political theorists have long argued that passion has no place in the political realm where reason reigns supreme But is this dichotomy between reason and passion sustainable Does it underestimate the indispensable role of passion in a fully democratic society Drawing upon Plato Rousseau and contemporary feminist theorists Cheryl Hall argues that passion is an essential component of a just political community and that the need to educate passion together with reason is paramount Trouble with Passion provides a compelling defense of the crucial place of passion in politics

Shakespeare Studies Susan Zimmerman, Garrett A. Sullivan, 2009 Shakespeare Studies is an international volume published every year in hard cover that contains essays and studies by scholars and cultural historians from both hemispheres Although the journal maintains a focus on the theatrical milieu of Shakespeare and his contemporaries it is also concerned with Britain's intellectual and cultural connections to the continent its sociopolitical history and its place in the emerging globalism of the period The journal also includes substantial reviews of significant publications dealing with these issues as well as theoretical studies relevant to scholars of early modern culture This issue features another Forum entitled The Universities and the Theater Organized and introduced by John H. Astington the Forum includes commentary considering the relationship between theater in the universities and the Renaissance public stage Volume XXXVII also features articles on the Fortune contract and Titus Andronicus and the New World as well as a review article on women and the early modern stage There are nineteen reviews in this volume on such varying topics as angels in the early modern world Shakespeare and the nature of love and Shakespeare in French theory Susan Zimmerman is Professor of English at Queens College City University of New York Garrett Sullivan is Professor of English at Pennsylvania State University

The Passion of Love in the Summa Theologiae of Thomas Aquinas Daniel Joseph Gordon, 2023-05-19 This book is an introduction to three questions

on love according to St Thomas Aquinas Summa Theologiae I II qq 26 28 These three questions reflect on the nature of love q 26 the causes of love q 27 and the effects of love q 28 It is thus an introduction to the entire phenomenon of love both as a bodily passion and an act of the will The purpose is to present the Thomistic and broadly scholastic account of human and divine love from a philosophical and theological perspective It aims to be a theological and philosophical study of the topic useful both for a graduate professional audience as part of an undergraduate or graduate course and perhaps for the educated reader The thesis of the book is that contrary to contemporary conceptions not all loves are created equal Some loves perfect us and some loves corrupt us The worth of a love depends on its object and end St Thomas thus presents an objective and teleological account of human and divine love that is of philosophical and theological interest The method is broadly exegetical presenting a careful reading of the text and supplying the philosophical and theological background which the text of Aquinas assumes The scope of the work is limited to three questions ST I II qq 26 28 References to interpretative disputes of Aquinas and references to further resources in the secondary literature will be mostly limited to the footnotes making the body of the text accessible to more readers Journal of Moral Theology, Volume 1, Number 2 David M. The Prudence of Love Eric J. Silverman, 2009-12-02 The Prudence of Love How Possessing the Virtue of Love Benefits the Lover focuses upon the intersection of philosophical theological and psychological issues concerning love Eric Silverman advocates an account of the virtue of love derived from Thomas Aquinas's account of charity and makes three claims concerning love's effect on a person's happiness First he argues that there are at least five distinct ways that possessing the virtue of love contributes to the lover's happiness Surprisingly only one of these benefits is primarily relational while the other benefits are largely psychological Second Silverman argues that the combination of love's benefits typically increases the lover's overall level of happiness Finally he argues that possessing a loving disposition is a more reliable strategy for increasing one's overall happiness than possessing an unloving disposition Throughout The Prudence of Love Silverman demonstrates that love's benefits are identifiable according to all four major views of happiness Imperfect Garden Tzvetan Todorov, 2009-02-09 Available in English for the first time Imperfect Garden is both an approachable intellectual history and a bracing treatise on how we should understand and experience our lives In it one of France's most prominent

intellectuals explores the foundations limits and possibilities of humanist thinking Through his critical but sympathetic excavation of humanism Tzvetan Todorov seeks an answer to modernity s fundamental challenge how to maintain our hard won liberty without paying too dearly in social ties common values and a coherent and responsible sense of self Todorov reads afresh the works of major humanists primarily Montaigne Rousseau and Constant but also Descartes Montesquieu and Toqueville Each chapter considers humanism s approach to one major theme of human existence liberty social life love self morality and expression Discussing humanism in dialogue with other systems Todorov finds a response to the predicament of modernity that is far more instructive than any offered by conservatism scientific determinism existential individualism or humanism s other contemporary competitors Humanism suggests that we are members of an intelligent and sociable species who can act according to our will while connecting the well being of other members with our own It is through this understanding of free will Todorov argues that we can use humanism to rescue universality and reconcile human liberty with solidarity and personal integrity Placing the history of ideas at the service of a quest for moral and political wisdom Todorov s compelling and no doubt controversial rethinking of humanist ideas testifies to the enduring capacity of those ideas to meditate on and if we are fortunate cultivate the imperfect garden in which we live Shakespeare Survey Stanley Wells,Jonathan Bate,2002-11-28 The first fifty volumes of this yearbook of Shakespeare studies are being reissued in paperback *The Church* ,1860 *Soulful Reflections: Poems for Spouse* Hseham Amrahs,2025-02-04 Soulful Reflections Poems for Spouse celebrates love within marriage capturing its joys challenges and transformative power This heartfelt collection explores passion companionship and devotion through evocative poetry Each verse reflects the depth of emotions shared between spouses resonating with those who have experienced love s beauty Intended for couples and love enthusiasts alike these poems inspire appreciation for the sacred bond of marriage and the profound connection between two souls
