Taking Sides

Brent D. Slife,2002 The book is a debate style reader designed to introduce students to controversies in psychology The readings which represent the arguments of leading psychologists and commentators reflect a variety of viewpoints and have been selected for their liveliness and substance and because of their value in a debate framework For each issue the editor provides a concise introduction and challenge questions The introduction sets the stage for the debate as it is argued in the yes and no readings and the challenge questions provoke further examinations of the issue By requiring students to analyze opposing viewpoints and reach considered judgments the book actively develops students critical thinking skills P 4 of cover

Autonomy-Supportive Parenting Emily Edlynn,2023-09-05 As parents we want our children to take responsibility for their schoolwork their chores and their choices We want them to grow into independent adults but when we see them struggling

we sometimes have a tendency to step in and problem solve telling them exactly what to do or even doing things for them ourselves The problem is the more controlling we are with our children the more out of control they feel When our children feel out of control problems big and small follow from more tantrums in thwarted toddlers to a higher risk of drug and alcohol use in adolescence So how do we support our children s autonomy while maintaining boundaries and not losing our minds in the process From clinical psychologist Emily Edlynn PhD comes a flexible parenting framework that can apply to every family and every parental relationship With Autonomy Supportive Parenting you can build trust in your child and trust in yourself **Stanford** ,1990 *Grandparenting for the Nineties* Robert A. Aldrich,Glenn Austin,1991 This book discusses how grandparents represent a more stable nourishing age and how the future of American children depends upon the values competence and social responsibility that they can learn from grandparents in this age of shattered family networks and moral degradation **Journal of Nursery Education** ,1993 **Subject Guide to Books in Print** ,1991 **One Family, One Heart** L. Ann Eynon,2012-09-19 The book is an openly honest very personal inspirational memoir of change within a family beginning with a thought in late summer 1981 I do not want to slap and scream at my young daughters I do not want to be my mother She was looking for something She didn t know what she didn t know Author Bio Ann Eynon a licensed professional counselor has been Associate Director of The Parent Center at Bryn Mawr College in Pennsylvania since the mid 80 s a role that takes her into community as well as school settings She also maintains a part time private practice Prior to family life Ann taught secondary English Ann and her husband Rick live in the western suburbs of Philadelphia keywords Parenting Family Children Spirituality Relationship Transformation Enlightenment Inspiration Devotion Creativity **The Power of Positive Parenting** Matthew R. Sanders,Trevor G. Mazzucchelli,2017-11-20 Safe nurturing and positive parent child interactions lay the foundations for healthy child development How children are raised in their early years and beyond affects many different aspects of their lives including brain development language social skills emotional regulation mental and physical health health risk behavior and the capacity to cope with a spectrum of major life events As such parenting is the most important potentially modifiable target of preventive intervention The Power of Positive Parenting provides an in depth description of Triple P one of the most extensively studied parenting programs in the world backed by more than 30 years of ongoing research Triple P has its origins in social learning theory and the principles of behavior cognitive and affective change and its aim is to prevent severe behavioral emotional and developmental problems in children and adolescents by enhancing the knowledge skills and confidence of parents Triple P incorporates five levels of intervention on a tiered continuum of increasing strength for parents of children from birth to age 16 The programs comprising the Triple P system are designed to create a family friendly environment that better supports parents with a range of programs tailored to their differing needs This volume draws on the editors experience of developing Triple P and chapters address every aspect of the system as well as how it can be applied to a diverse range of child and parent problems in different age groups and
