## **Love Every Minute Of Moms:**

Mother Shock Andrea J. Buchanan, 2009-03-13 According to Andrea Buchanan Mother shock is the state in which many new parents exist during those first confusing chaotic and often comical years of parenting It is the clash between expectation and result theory and reality It is the twilight zone of 24 hour a day living where life is no longer neatly divided into day and night the triple impact of hormonal imbalance sleep deprivation and physical exhaustion It is the stress of trying to acclimate quickly to the immediacy of mothering a new conception of oneself one's role in the family and in the world a fearful new level of responsibility and a new delegation of domestic duties In this much needed and delightfully funny collection of essays Buchanan shares the insight she gains as she moves through the stages of mother shock From Fear of the Double Stroller and Confessions of a Bottle Feeder to I'm an Idiot and Everything I Needed to Know I Learned in Playgroup Buchanan details the unimaginably difficult and unbelievably rewarding process of becoming a mother A Minute with Mom April Spann, 2022-01-12 Have you ever wondered if you can have just one minute of uninterrupted time with your daughter where you can pour into her life the love and gratitude that God has given you to share This guided journal takes you through many life lessons and aids in areas where conversations can begin This journal helps to reaffirm who she is in Christ and strengthens your relationship with her It also helps them affirm that they are truly special in your eyes as well as the eyes of God and that they can do and be anything they purpose in their heart May these minutes with your daughter turn into a lifetime of memories and wisdom in how she can love herself God and others **Losing Lola** Shannon Eilers, 2010-03-30 Set in a rural town in Texas Losing Lola is a memoir of losing a mother to brain cancer While Lola was dying her daughter Shannon struggled with the reality at hand while battling mental illness and a drug addiction As Shannon tried to cope with Lola's impending death she was also dealing with a marriage in shambles Shannon was suicidal and her husband was not supportive but pushed her over the edge Lola's mother also died of brain cancer which influenced Lola's decision to not treat the cancer in any way Lola's mother fought her brain cancer and lived in a nursing home mute and unable to walk Lola did not want to die like her mother Suffering for three years After Lola died Shannon's drug use increased She used LSD crack marijuana and cocaine Marijuana was used daily during her mother's illness and after her death Divorce came next as Shannon retreated to Germany to be with her high school sweetheart A passionate love affair began and Shannon married Roger at a quiet ceremony at the Austin courthouse Shannon continued to live with mental illness and drug abuse Roger demanded that Shannon go to rehab After six months in rehab Shannon relapsed many times until Roger had hired a divorce attorney and had found an apartment to move into Devastated Shannon stopped using drugs and learned how to be a good wife and mother Ten years after her mother's death Shannon and Roger have a happy life with two wonderful boys A story of sadness and illegal behavior ends in joy and a new understanding of life *Love, Mom* Brenda McGuire, 2001 *A Promise Of Hope* Autumn Stringam, 2011-05-03 Some children inherit the family nose Autumn Stringam

and her brother Joseph inherited the family bipolar disorder a severe mental illness that led to their mother's and grandfather's suicides Autumn at 22 was psychotic and in a psychiatric hospital on suicide watch Joseph at 15 was prone to violent episodes so terrifying the family feared for their lives But after they began taking a nutritional supplement developed by their father and based incredibly on a formula given to aggressive hogs Autumn's and Joseph's symptoms disappeared Today they both lead normal productive lives A Promise of Hope is the personal story of Autumn Stringam's flight from madness to wellness all due to the vitamin and mineral supplement that works on the premise that some forms of mental illness are caused by nutritional deficiencies An honest book that exposes the hidden torment of bipolar disorder it is the story of a daughter seeking to forgive her mother A Promise of Hope is also an astonishing scientific account that moves from a kitchen table in Alberta to the treatment offices of a distinguished Harvard psychiatrist and into the labs of a skeptical medical establishment It climaxes in a bitter but eventually triumphant battle with Health Canada in which the tiny supplement company is exonerated and praised for saving the lives of thousands of Canadians previously thought lost to mental illness More than anything A Promise of Hope is a powerful story and a call for a new understanding of the causes of mental illness and its treatments 20% of Canadians will experience mental illness in their lifetimes Over 300 000 Canadians are affected by bipolar disorder or manic depression 15% of people with bipolar disorder commit suicide EMPower Plus the supplement that worked for Autumn is being used and studied around the world reflecting the growing awareness of the role of micronutrients in normal brain function

Long,2015-01-29 Every parent worries about their children when they start to drive You want to know they are safe but you also don't want to alienate them with countless phone calls and texts When my son started driving himself to school I was a bundle of nerves I found that a single simple daily prayer sent to him via text message kept me calm It also served to let him know he was being thought of with love each morning Its a tradition that continues to this day even though my son is now in college I never thought anyone other than my son would read the prayers I sent him and I am honored he thought them worthy of a book This is our collection of the prayers from his high school days It is my hope that these love filled words will give you inspiration and leave you feeling blessed
