Love From Linda:

The Road to Love Linda Ford, 2008-05-01 The road that led to Kate Bradshaw's door sometimes seemed the loneliest in the world. In the depths of the Depression the young widow was struggling to hold on to the family farm and raise two small children. And she had only her faith to sustain her until the day Hatcher Jones came walking up that long lonely road. The handsome mysterious drifter was clearly haunted by some terrible secret from his past. But the simple acts of kindness he showed Kate and her children spoke of a good heart and strong values. And she longed to make him see that there could be redemption for anyone even him and that all his wandering had brought him home at last. The Man on the Train Wanda Rhodes, 2013-05

Leroy Chester grows up in a small Oklahoma town knowing his mama is sad. She is all he has in the world and he just wants her to be happy. When he turns eighteen he embarks on a three month journey from train to train with the hope of finding the only man she has ever loved. But when he fails and returns home his mother is nowhere to be found. Two days later he finds his mother's lifeless body next to the chicken coop the victim of murder. Left distraught and without answers as to who killed his mama Leroy drowns his troubles in whiskey. But it is not long before he determines it is Al Jenkins his mother's ex boyfriend who murdered her. After he kills Jenkins in a fit of rage he flees on the train only to meet up with his mother's great love John. Before he knows it Leroy ends John's life too. Now on the run Leroy lays low until fate leads him to what he hopes is a new beginning in Arkansas. The Man on the Train is the story of one man's journey from childhood into adulthood as he attempts to put a tragic violent past behind him and start anew. **For the Love of Service Book 2**

Our Love Margaret Porter, 2018-02-05 Our Love seems like a great title for this book of love between two teenagers who met and fell deeply in love and how I waited for him for four years during his time in the U S Navy. Lifestyles change society has changed a lot but my hope is that teenagers will read this book and learn how they can find the love of their lives and go on their special journey of love and make it last a life time. I never thought that I would meet a man at 16 and fall deeply in love with him and he with me. If our love letters were not found after being tucked away for 65 years I would never have thought about writing a book even when Elijah and I were always asked how could we be together for so long and still be in love. Maybe some of your questions will be answered when you read this book. *The Wing of Love*

Pieces of My Path Thomas Riddell, 2009-08-28 As the years move on, I think many of us don't really consider the subtle but sometimes enormous changes that can take place in the human mind.

over the course of time We often hear people say I d love to be eighteen again and know what I know now but how many of us would want to put our past lives out there for the whole world to see especially when the path that we ve walked was chest deep in pain and turmoil It was in January of 2006 that I decided to write PIECES OF MY PATH What precipitated my putting finger to keyboard was located in a cardboard box stashed away and wrapped in a black garbage bag high upon a shelf in the guest bedroom closet I was thinking a lot about my dark days and how far I had come from those crippling depressed times in the early 90 s so I decided to pull down that black bag filled with memories and take a peek back into a bleak yet rewarding past
