**The Book of English Verse** Various Authors, 2020-09-28 FOR this Anthology I have tried to range over the whole field of English Verse from the beginning or from the Thirteenth Century to this closing year of the Nineteenth and to choose the best Nor have I sought in these Islands only but wheresoever the Muse has followed the tongue which among living tongues she most delights to honour To bring home and render so great a spoil compendiously has been my capital difficulty It is for the reader to judge if I have so managed it as to serve those who already love poetry and to implant that love in some young minds not yet initiated My scheme is simple I have arranged the poets as nearly as possible in order of birth with such groupings of anonymous pieces as seemed convenient For convenience too as well as to avoid a dispute royal I have gathered the most of the Ballads into the middle of the Seventeenth Century where they fill a languid interval between two winds of inspiration the Italian dying down with Milton and the French following at the heels of the restored Royalists For convenience again I have set myself certain rules of spelling In the very earliest poems inflection and spelling are structural and to modernize is to destroy But as old inflections fade into modern the old spelling becomes less and less vital and has been brought not I hope too abruptly into line with that sanctioned by use and familiar To do this seemed wiser than to discourage many readers for the sake of diverting others by a scent of antiquity which to be essential should breathe of something rarer than an odd arrangement of type But there are scholars whom I cannot expect to agree with me and to conciliate them I have excepted Spenser and Milton from the rule Glosses of archaic and otherwise difficult words are given at the foot of the page but the text has not been disfigured with reference marks And rather than make the book unwieldy I have eschewed notes reluctantly when some obscure passage or allusion seemed to ask for a timely word with more equanimity when the temptation was to criticize or appreciate For the function of the anthologist includes criticizing in silence

**Praying with Jesus** Rick Rannie, 2024-02-14 Praying with Jesus uncovers the four aspects of having a successful prayer life The main key is realizing that the Father Jesus and the Holy Spirit are with us in prayer The Scripture in Acts 10:38 talks about how Jesus was anointed with the Holy Ghost and power and went about doing good healing all that were oppressed of the devil for God was with Him It is knowing God is with us that will cause us to realize nothing is impossible for us in prayer

The Revelations of St. Birgitta of Sweden Bridget Morris, 2008-10-07 St Brigitta of Sweden 1303-73 canonized 1391 was one of the most charismatic and influential visionaries of the later Middle Ages Altogether she received some seven hundred revelations dealing with subjects ranging from meditations on the human condition domestic affairs in Sweden and ecclesiastical matters in Rome to revelations in praise of the Incarnation and devotion to the Virgin Her Revelations collected and ordered by her confessors circulated widely throughout Europe and long after her death Many eminent individuals including Cardinal Juan Torquemada Jean Gerson and Martin Luther read and commented on her writings which influenced the spiritual lives of countless individuals Birgitta was

also the founder of a new monastic order which still exists today She is the patron saint of Sweden and in 2000 was declared with Catherine of Siena and Edith Stein co patroness of Europe Birgitta s Revelations present her as a commanding and dauntless visionary who develops a contemplative mysticism that is always interwoven with social engagement and a commitment to the salvation of the world The varied styles of her revelations are dominated by frequent juxtapositions of memorable images and allegories that illustrate her fierce and fertile imagination her sharp powers of observation and understanding and her passionate and receptive storytelling powers This is the second of four volumes and it contains Book IV and Book V of the Revelations Book IV includes some of Birgitta s most influential visions with topics ranging from the Avignon papacy and purgatory to the Hundred Years War Book V the Liber Quaestionum Book of Questions takes the form of a learned dialogue between Christ and a monk standing on a ladder fixed between heaven and earth The argument centers on the way in which God s providence is constantly misunderstood and rejected by self centered human beings The translation is based on the recently completed critical edition of the Latin text and promises to be the standard English translation of the Revelations for years to come
