Defining Love Rod Charles,1901 Recently I was thinking of a way to define love I will use a visual illustration to look at love There are many different inaccurate uses of the word love as it applies to the material world From the heartfelt love I see that there are two ways to define love One To fill a void in our lonely lives we find a kind of love that I refer to as a superficial love To illustrate this I will use a glass of water Once the water is consumed the glass is empty as is life and the lonely heart returns to find another glass of water That is why the divorce rate in the world is so high This kind of love is very definable as you can see Two Again I will use the same glass of water to illustrate this second kind of love The glass is full of water as before however when the water is consumed the glass is still full It does not matter how much water is consumed the glass remains full there is no way to explain or define the reason why this phenomenon exists It is a kind of meaningful everlasting love You can live this love through the deep feelings from an unknown source within our hearts and our inner beauty Inner beauty is defined as living life from the heart These deep feelings of love remain undefinable We feel this love

but we will never know why and we really do not need to know why This love is just there and all the relationships last until death do us part For centuries philosophers sages and countless other individuals have tried to define these inner unknowing feelings of love All efforts have failed and will continue to fail for as long as time exists These words I have written here I hope will inspire the readers to look at life a little differently Living a Life You Love Joyce Meyer,2018-04-03 You may say that you love your family your spouse your church or the Lord You may also express love for more temporal things like a good cup of coffee your home or a nice dinner at your favorite restaurant But it is rarer to truly say I love my life It s common to be more frustrated with life than at peace with it because the daily grind wears you down Responsibilities and burdens become heavy and rob you of the happiness you re meant to have as a child of God But you can be hopeful learn to rise above your challenges and be filled with wonder at what God might do every day Written by 1 New York Times bestselling author Joyce Meyer who has gone from heartache to happiness through Christ this book is the key to shifting your perspective so that you may also relish every moment and every part of life You will learn how to love life fully in spite of your obstacles and experience the happiness that is promised to you Joyce will explain Why you can t love life unless love is the central theme of it Why your attitude affects your life more than any outside circumstances How the love help and kindness you give away will come back to you immeasurably How to look to the future and keep your joy And so much more God has already blessed you with a life to love and it s time to start LIVING A LIFE YOU LOVE With Love G.
