Love Is God:

Treatise on the Love of God St. Francis de Sales, 2013-08-20 Treatise on the Love of God is a manual intended to help believers strengthen their devotion to God De Sales describes his project by saying it is truly my intention to represent simply and na vely without art still more without false colours the history of the birth progress decay operations properties advantages and excellences of divine love The Treatise is divided into twelve books The first four books explain the nature of the human soul and provide the history of divine love Book Five explores the two principle exercises of love namely sacred complacency and benevolence Books Six and Seven discuss the importance of practicing love through prayer while Books Eight and Nine express the importance of submitting to God s will The final three books are devoted to exploring the practical importance of God s holy love in our lives De Sales Treatise is a captivating depiction of love **What Is Love?**

Ifeanyi Chukwujama, 2014-11-05 I received this revelation Love is enduring pain heartaches and wrongs visited on you by people you care about Forgiveness is actually an expression of love You need love to forgive When people you love do wrong to you in their irrational state it hurts It makes you recoil and want to distance yourself from them But love dictates that you continue to give even when it no longer feels right to give That is why Jesus Christ said Greater love has no one than this that he lay down his life for his friends John 15 13 Love is being ready to offer yourself for someone you love not only when they are good to you but also when they are not So bear unfair treatments from loved ones and remain committed to the relationship while at the same time committing yourself into God s hand for the saving power of His grace No other relationship calls for that commitment more than marriage The Bible says For it had been granted you on behalf of Christ not only to believe on him but also to suffer for him Philippians 1 29 Jesus Christ also washed the feet of Judas Iscariot at the Last Supper Love knows no boundaries Whether it is the love of God for us or our love for God or any other love is love and operates the same way all the time There is nothing like different kinds of love All we have is different kinds of relationships involving love Whether it is love between a husband and a wife or between a mother and a son or between a man and God or between friends or among a congregation or between neighbors and son on it is the same love unaltered and indivisible Only God gives love and love is a spirit so its level can fluctuate And love can be tarnished and minimized by us through the power of our minds Evil crops up in the heart and fills whatever vacuum is created when love dissipates from our hearts And when evil comes in sin happens And the Bible tells us that all wrongdoing is sin When love is at the highest level in your heart you have no room in your heart for the evil spirit therefore you have no capacity for wrongdoing hence the Scripture We know that anyone born of God does not continue to sin the one who was born of God keeps him safe and the evil one cannot harm him 1 John 5 18 Love puts you in a state of goodness that endears your heart to people you are in relationship with all your relationships The nature of your relationship with someone then determines what acts and activities you perform in the relationship And various acts and activities lead to various emotions which can be mistaken as love or lack thereof Love is

perfection but human emotions are imperfect and all over the place One minute we feel one way and the next we feel another way Some of our emotions may tarnish love and minimize it sometimes to the point of extinction Love is simply love And love is the purest of all things there is nothing else that God created which compares to the purity and potency of love Love shines with God's glorious splendor and puts life into all things Love is perfection Love is so pure and so potent that it ionizes and refines all things Love dissipates all wrongs and imperfections wears down all resistance and removes all obstacles Love renews and revives things and restores luster to them Love makes everything attractive That is why the Bible says Love never fails But where there are prophecies they will cease where there are tongues they will be stilled where there is knowledge it will pass away For we know in part and we prophesy in part but when perfection comes the imperfect disappears 1 Corinthians 13 8 10 Love makes prophecies cease love causes tongues to be stilled and love makes knowledge to pass away because love is the best attribute of God For God so loved the world that he gave his only begotten Son that whosoever believes in Him shall not perish but have eternal life John 3 16 *The Love of God* Christopher W.

Morgan, 2016-09-30 Our understanding of the love of God has been tragically distorted The comfortable sentimentalized version we commonly encounter today is far from the biblical depiction of God's love Featuring contributions from well known evangelical scholars this multi disciplinary study presents the biblical view of the love of God from the perspectives of systematic theology biblical theology apologetics pastoral theology and ethics The contributors including D A Carson Andreas J K stenberger Raymond C Ortlund Jr Robert L Plummer and many others address a variety of issues related to how God's love is expressed in the Old and New Testaments the Trinity apologetics Christian living social justice and more This addition to the Theology in Community series will promote clear sound thinking about what Scripture means when it declares that God is love Part of the Theology in Community series **To Love as God Loves** Roberta C. Bondi, 1987 Being a Christian means learning to love with God's love But God's love is not a warm feeling in the pit of the stomach It has definite characteristics we learn in the course of our life in the behavior and teaching of the early monastics as we ponder over what we can say about God as God deals with us and finally as we model our own lives on what we have learned God of Love and God of Judgement Stephen K. Moroney, 2009-07-06 How can a God of love also be a God of judgment If God loves everyone what is the point of judgment Does God change from being wrathful in the Old Testament to loving in the New Testament Can we discern God's judgments in current events such as hurricanes and personal tragedies Is it ever right for humans to judge These are not just daunting issues for theologians to ponder They are urgent questions for everyone Our answers profoundly affect how we relate to God and how we live with one another Coming to grips with these issues is vital for our spiritual journeys Many people today emphasize God's love and downplay his judgment The problem with this approach is that God's judgment is taught in Scripture from the beginning of Genesis to the end of Revelation and it is a core part of the gospel preached by Jesus and his apostles There are problems at the other end of the spectrum too when we

believe in a God of judgment who is not also a God of love It is impossible for us to find spiritual peace when we live in constant dread of God pictured as a harsh judge whom we can never please This book calls us to embrace a more full biblical image of God one that joins his love and judgment together Additionally the book shows that as those who are made in God's image we can fuse love and judgment together constructively in our own daily lives *It's All About God's Love* William T. Kremmell, 2019-03-21 In today's society couched in secularism relativism and general moral decline many people may have lost a sense of sin and are struggling to embrace the importance of spiritual healing Thankfully God always welcomes us back to experience God's merciful and healing love In an uplifting and deeply spiritual presentation retired priest William Kremmell underscores a basic truth of Christian faith that our God is a God of unconditional all embracing love and forgiveness for all people revealed in Jesus Throughout his study Father Kremmell examines why God's love is everlasting why we are all sinners the major reasons why Catholics do not approach the Sacrament of Reconciliation and the reasons why they should return to this grace filled experience all while helping believers find a healthy sense of sin a new appreciation of the God who is love and a better understanding of the Sacrament as a sign of God's merciful presence and life giving power in our lives *It's All about God's Love* is a retired priest's exploration of the Sacrament of Reconciliation and why it needs to be renewed and restored as an integral element of the spiritual journey of today's Catholic **God's Love** Melissa Reeves, 2007-08 Reeves compares God's love as a gift waiting to be opened While mankind sees love as complicated Reeves says God sees love as simple and freely gives to all Practical Life *The Glory of God's Light: Connect with God Through His Light, Love, and Word* Brother Raymond, 2020-05-19 Darkness represents anything that is inconsistent with God's nature character and manifestation It appears humanity has lost its connection with God but finding a relationship with God can bring us into the light of His love In *The Glory of God's Light* Brother Raymond shows how to have a relationship with God through His Light His Love and His Word Brother Raymond digs deeper into Scripture and takes examples from his own life to show how God's light is present in every circumstance and points those in darkness into the glory of God's light Could you relish a great relationship with God our Heavenly Father Yes you can *Because God Is Love* Pastor Rod Compton, 2022-02-21 A Year of Love Each day of this year I am challenging myself and anyone else who will join to love like you've never been hurt Love unconditionally Love completely Love forgivingly What if when Jesus said to love your neighbor as yourself He really meant it Think about your neighbors your co workers your in laws and even your outlaws Do you love them as yourself I would like to start with the two greatest commandments Matt 22:34 Hearing that Jesus had silenced the Sadducees the Pharisees got together 35 One of them an expert in the law tested him with this question 36 Teacher which is the greatest commandment in the Law 37 Jesus replied Love the Lord your God with all your heart and with all your soul and with all your mind 38 This is the first and greatest commandment 39 And the second is like it Love your neighbor as yourself 40 All the Law and the Prophets hang on these two commandments In Reality Jesus said this Love God Love People Let us

hold these two truths in our hearts this year and Love God with all of our heart soul and minds and Love others as much as we love ourselves

The Nature of Love Thomas Jay Oord, 2010-04-01 God is love Consequently shouldn't love exist at the center of Christian theology When love is at the center theology is understood differently than it has typically been understood Some theologians have placed faith at the center others God's sovereignty still others the Church but Dr Oord places the emphasis on love God's love for us revealed in Christ in the Church and in creation and our love for God and others as ourselves must be afforded its rightful place Beginning with the foundation of love is what differentiates the Christian faith from others a loving God Dr Oord defines love as To love is to act intentionally in sympathetic empathetic response to God and others to promote overall well being Is this not what has defined Christians throughout history *Do You Love God?* John William Lester, 1854 *Love, God* Deborah J.
