Copyright Office,1974-07 **Love** Tony Milligan,2014-10-14 What is love What is it to be loved Can we trust love Is it overrated These are just some of the questions Tony Milligan pursues in his novel exploration of a subject that has occupied philosophers since the time of Plato Tackling the mood of pessimism about the nature of love that reaches back through Schopenhauer and Kierkegaard he examines the links between love and grief love and nature and between love of others and loving oneself We love too few things in the world Milligan concludes adding that we need to be loved too to appreciate our own value and the worth of life itself True to Life Michael P.

Lynch,2005-08-05 Why truth is important in our everyday lives Why does truth matter when politicians so easily sidestep it and intellectuals scorn it as irrelevant Why be concerned over an abstract idea like truth when something that isn't true for example a report of Iraq's attempting to buy materials for nuclear weapons gets the desired result the invasion of Iraq In this engaging and spirited book Michael Lynch argues that truth does matter in both our personal and political lives Lynch explains that the growing cynicism over truth stems in large part from our confusion over what truth is We need to think our way past our confusion and shed our cynicism about the value of truth he writes Otherwise we will be unable to act with integrity to live authentically and to speak truth to power True to Life defends four simple claims that truth is objective that it is good to believe what is true that truth is a goal worthy of inquiry and that truth can be worth caring about for its own sake not just because it gets us other things we want In defense of these truisms about truth Lynch diagnoses the sources of our cynicism and argues that many contemporary theories of truth cannot adequately account for its value He explains why we should care about truth arguing that truth and its pursuit are part of living a happy life important in our personal relationships and for our political values
