Love Marriage And The Catholic Conscience Understanding The Church's Teachings On Birth Control:

Love, Marriage, and the Catholic Conscience Dietrich Von Hildebrand, 1998 What every Christian needs to know about love marriage and contraception eye opening reasons for you to give these Church teachings a closer look Plus as a special bonus we've included the complete text of Humanae Vitae Pope Paul VI's encyclical letter on contraception **Why Humanae Vitae Is Still Right** Janet Smith, 2018-07-11 Paul VI's genius proved prophetic he had the courage to stand against the majority to defend moral discipline to exercise a brake on the culture to oppose present and future neo Malthusianism Pope Francis Of all the paradoxical fallout from the Pill perhaps the least understood today is this the most unfashionable unwanted and ubiquitously deplored moral teaching on earth is also the most thoroughly vindicated by the accumulation of secular empirical post revolutionary fact The document in question is of course Humanae vitae Mary Eberstadt Author Adam and Eve after the Pill After half a century how has the teaching of Pope Paul VI on marriage and birth control presented in his encyclical Humanae vitae On Human Life held up Very well says philosopher Janet Smith and her colleagues in Why Humanae Vitae Is Still Right A sequel to Smith's classic Why Humanae Vitae Was Right this new volume shows how the ethical theological spiritual and sociological case for Paul VI's controversial document remains strong indeed how it's in some ways even stronger today following Pope John Paul II's Theology of the Body and in light of the problems caused by the sexual revolution In addition to essays by Dr Smith herself the book features contributions by other renowned experts and scholars such as Mary Eberstadt author of the best selling Adam and Eve after the Pill George Weigel Therese Scarpelli Corey Michael Waldstein Christopher West Obianuju Ekeocha author of the best selling Target Africa Maria Fedoryka Deborah Savage Derek Doroski Angela LaFranchi William Newton Joseph Atkinson Michele M Schumacher and Peter Colosi Why Humanae Vitae Is Still Right includes the Krakow Document composed under the supervision of Cardinal Karol Wojtyla later Pope John Paul II which provided research by moral theologians and other experts that helped to shape Humanae vitae to be a more personalistic document Called to Give Life Jason T. Adams, 2003 **Toil and Transcendence** Fr. Charles Connor, 2020-11-15 The Catholic hierarchy and laity factored into many of the great stories of twentieth century America which are told here by one of our country's foremost experts on Catholic American history Fr Charles Connor **In the Lógos of Love** James Heft, Una M. Cadegan, 2016 This volume brings together scholars of theology history law and media studies of religion who explore the Catholic intellectual tradition from the perspectives of these disciplines Each essay explores both the promise of Catholic intellectual life and its contemporary predicaments **New Perspectives on Contraception** Donald DeMarco, 1999 Sex and the Marriage Covenant John Kippley, 2014-01-23 The thesis of this book is that God intends that sexual intercourse should be at least implicitly a renewal of the marriage covenant From this it follows that the marriage covenant provides the criterion to evaluate the morality of every sexual act Thus the title Sex and the Marriage Covenant is an appropriate description of the book's contents Marriage

comes into being by a couple unreservedly entering God's covenant of marriage contraceptive intercourse contradicts the very essence of the marriage covenant From these considerations Kippley developed the covenant theology of sexuality described in this book

Catholicism: A Global History from the French Revolution to Pope Francis John T. McGreevy, 2022-09-06 A magisterial history of the centuries long conflict between progress and tradition in the world's largest international institution The story of Roman Catholicism has never followed a singular path In no time period has this been more true than over the last two centuries Beginning with the French Revolution extending to the Second Vatican Council in the 1960s and concluding with present day crises John T McGreevy chronicles the dramatic upheavals and internal divisions shaping the most multicultural multilingual and global institution in the world Through powerful individual stories and sweeping birds eye views Catholicism provides a

mesmerizing assessment of the Church's complex role in modern history both shaper and follower of the politics of nation states both conservator of hierarchies and evangelizer of egalitarianism McGreevy documents the hopes and ambitions of European missionaries building churches and schools in all corners of the world African Catholics fighting for political and religious independence Latin American Catholics attracted to a theology of liberation and Polish and South Korean Catholics demanding democratic governments He includes a vast cast of riveting characters known and unknown including the Mexican revolutionary Fr Servando Teresa de Mier Daniel O Connell hero of Irish emancipation Sr Josephine Bakhita a formerly enslaved Sudanese nun Chinese statesman Ma Xiaobang French philosopher and reformer Jacques Maritain German Jewish philosopher and convert Edith Stein John Paul II Polish pope and opponent of communism Gustavo Guti rrez Peruvian founder of liberation theology and French American patron of modern art Dominique de Menil Throughout this essential volume McGreevy details currents of reform within the Church as well as movements protective of traditional customs and beliefs Conflicts with political leaders and a devotional revival in the nineteenth century the experiences of decolonization after World War II and the Second Vatican Council in the twentieth century and the trauma of clerical sexual abuse in the twenty first all demonstrate how religion shapes our modern world Finally McGreevy addresses the challenges faced by Pope Francis as he struggles to unite the over one billion members of the world's largest religious community **Judas Was a**

Bishop William M. Shea, 2015-10-07 The author a practicing Roman Catholic was confronted in 2002 with a leadership crisis in the church Decades of horrendous clergy sexual abuse of children was accompanied by an even more momentous hierarchical betrayal in the cover up of the crimes The explosion in 2002 ended his na vet and caused him to rework his understanding of the history and methods of hierarchy and to think about the evils of clerical monarchy The basic determinants of the current church crisis are first the sacred hierarchism of church structure and second the culture of clericalism that flows from it The author argues that the church needs a thoroughly desacralized and demythologized leadership if Catholic clericalism is to be eliminated The book also reflects on the lived Catholic life contrasting the life of the priesthood and the life of marriage and family The approach is at once narrative historical critical and ecclesiological It also offers a personal look at the author's life as a Catholic for the past seventy years The basic existential issue is Why am I still a Catholic and indeed why is anyone Powerful absorbing memoir by turns angry funny engaging and painfully candid Shea offers radical proposals for reform all turning on the notion that the core problem to be confronted is the gulf that separates clergy and laity the long term result of a flimsy theological rationale which insists that the act of ordination itself marks an ontological change in its recipients making them company men of a special sort fundamentally different from those they would help and teach loyal mainly to guidance from above Michael J Lacey is coeditor with Francis Oakley and contributor to The Crisis of Authority in Catholic Modernity Oxford University Press New York 2011 Bill Shea has written a powerful and complex book about what Catholics so often write about God sex authority and the Church He writes autobiographically in

the tradition of St Augustine's Confessions and Thomas Merton's Seven Storey Mountain as well as his The Sign of Jonas He writes about the traumatic spiritual struggle with celibacy with which both Augustine and Merton were familiar They chose to stay the course Shea chose after some twenty years to find another spiritual path That path was one opened up by marriage a wife and two children which finally gave him the spiritual peace he had been seeking He writes of coming to the priesthood and leaving the priesthood for the lay Catholic life at a time of momentous historical transformation from the pre Vatican II Church to the post Vatican II Church Even now we live with the struggle that exists between these two visions of the Church So it is no accident that like Augustine and Merton Bill Shea finds God as a continuing presence not at the end of his tale but in the twists and turns the agonies and ecstasies of his life journey Darrell Fasching Professor Emeritus of Religious Studies University of South Florida Tampa Sex, Violence, and Justice Aline H. Kalbian, 2014-04-03 Kalbian outlines the Church's position against artificial contraception as principally rooted in three biblical commandments Her deeper investigation into these issues helps show how discourses about sexuality both in the Church and in culture more broadly are often tied to discourses of violence harm and social injustice **The Oxford History of British and Irish Catholicism, Volume V** Alana Harris, 2023-09-01 The fifth volume of The Oxford History of British Irish Catholicism covering the period from the Great War through the Second World War and the Second Vatican Council surveys the transformed ecclesial landscape between the papacies of Benedict XV and Pope Francis It explores the efforts of bishops priests and people in Ireland and Scotland Wales and England to respond to modern challenges and reintegrate the experiences and expertise of the laity into the ministry of the Church Alongside the twentieth century's designation as an era of technological innovation war peace globalization decolonization and liberation this period has also been designated the People's Century Viewed through the lens of the Catholic church in Britain and Ireland these same dynamics are explored within thematic synoptic chapters by leading scholars As a century characterized by the rise or better renewal of the apostolate of the laity this edited collection traces the struggles to reconcile tradition re evaluate hierarchical authority adapt to social and educational mobility as well as to adjudicate serious challenges from outside and within including inflammatory biopolitics and clerical sexual abuse to religious belief and the legitimacy of the Church as an institution Catholic World, 1929 **A Secret World** A.W. Richard Sipe, 2013-05-24 A Secret World is a valuable contribution to the field of Family Therapy Looks at the history and origins of celibacy discusses its role in the priesthood and considers the psychological aspects of celibacy **The Birth Control Review** Margaret Sanger, 1922 *Simple Gifts* John N. Kotre, 1979 *The Catholics* Roy Hattersley, 2017-03-02 The story of Catholicism in Britain from the Reformation to the present day from a master of popular history A first class storyteller The Times Throughout the three hundred years that followed the Act of Supremacy which by making Henry VIII head of the Church confirmed in law the breach with Rome English Catholics were prosecuted persecuted and penalised for the public expression of their faith Even after the passing of the emancipation acts

Catholics were still the victims of institutionalised discrimination The first book to tell the story of the Catholics in Britain in a single volume The Catholics includes much previously unpublished information It focuses on the lives and sometimes deaths of individual Catholics martyrs and apostates priests and laymen converts and recusants It tells the story of the men and women who faced the dangers and difficulties of being what their enemies still call Papists It describes the laws which circumscribed their lives the political tensions which influenced their position within an essentially Anglican nation and the changes in dogma and liturgy by which Rome increasingly alienated their Protestant neighbours and sometime even tested the loyalty of faithful Catholics The survival of Catholicism in Britain is the triumph of more than simple faith It is the victory of moral and spiritual unbending certainty Catholicism survives because it does not compromise It is a characteristic that excites admiration in even a hardened atheist
