Nigel Yates, 2011-01-01 Nigel Yates brings together the religious and social dimensions of the 1950s and 60s and examines the enormous changes in moral attitudes that took place in these two decades Much of the popular literature on post war Britain tends to present the 1950s as a period of continuing repression and respectability in the area of private and public morality and the 1960s as one in which there was rapid social change Using a wide range of contemporary sources books including novels magazines newspapers advertising fashion catalogues films and television as well as a number of significant archive collections Nigel Yates argues that changes in attitudes to religion and morality in the 1960s were only made possible by developments in the 1950s **Love's Curriculum** Jenny Hogg Ashwell, 2015-11-11 As our companions through the current spiritual Awakening Jesus the archangels and other spiritual teachers have gathered as the High Council and now share with us in Love's Curriculum their messages of enlightenment These Divine messages have a clear goal To awaken us to the Love that connects all You hold in your hands the High Council's gift to you a guidebook for this journey Through Divine grace and enormous trust Jenny Hogg Ashwell travelled a path from lawyer to student of spirituality and mother of three to spiritual counselor and intuitive to learn of her soul's assignment to scribe Love's

Durrant,2019-11-17 What is love Craig thought that he knew what it was until his life fell apart and his dreams shattered along with all that he held close to his heart burnt in the fires of divorce and broken hearts He thought it was giving up our dreams in order to please others and to do whatever it takes to make them happy but that isn t love Everything that he thought was love failed over and over and felt more like neediness and desperation instead of love Believing that his only source of love was from others he had given away his dreams and his power which left him feeling broken and needy Love is a heart and soul learning how to love and dream again with increased openness and greater depth Love is many things but it is never needy or broken In his journey to love again the answers came It exposes our inner song as a gift to those we love and to the world This is a gift to the world It is Craig s inner song of loving again with the transparency and nakedness of love It is remembering and learning that love is Read on and see if it speaks to your soul like it has for so many others Love is
