Punishing the Mentally Ill Bruce A. Arrigo, 2012-02-01 A powerful sophisticated and original critique on how the disciplines of law and psychiatry behave and on how the mental health and justice systems operate Punishing the Mentally Ill reveals where how and why the identity and humanity of persons with psychiatric disorders are consciously and unconsciously denied Author Bruce A Arrigo contends that despite periodic and well intentioned efforts at reform the current law psychiatry system functions to punish the mentally ill for being different The book synthesizes a wide range of mainstream and critical literature in sociology law philosophy history psychology and psychoanalysis to establish a new theory of punishment at the law psychiatry divide To situate the analysis enduring psycholegal issues are explored including the meaning of mental illness definitions and predictions of dangerousness the ethics of advocacy the right to community based treatment the logic of forensic courtroom verdicts transcarceration and the execution of mentally disordered offenders among others Punishing the Mentally Ill shows that current mental disability law research programming and policy are seriously flawed and that wholesale reform is necessary if the goals of citizen justice social well being and humanism are to be realized
