**Special Love / Special Sex** Robert S. Fogarty, 1994-10-01 Victor Hawley was a thirty year old dental assistant with a passion for collecting butterflies who fell in love with Mary Jones another colony member Because of the community s unique social and sexual practices however the two were kept apart and denied their request to have a child In the eyes of the community their love was unsanctified Instead on the order of colony founder John Humphrey Noyes Jones was subsequently impregnated by Noyes s son Fogarty effectively uses the diary to illuminate with particular clarity the largely ignored darker side of the community Thus this rare chronicle opens for radical reinterpretation the Oneida Community s plan on procreation and the central role that sexual domination played in its history Hawley s intense struggle to reconcile individual and community needs and desires illustrates a fundamental tension that characterized the community in the years immediately preceding its dissolution In

1877 after twenty three years at Oneida Victor Hawley left the community with Mary Jones after he nursed her through an agonizing pregnancy that ended in stillbirth They married had five children and lived on their own outside the embrace of Eden From numerous entries in Hawley s secret diary which were written in an arcane shorthand Robert S Fogarty successfully extracts some astonishing personal details which include descriptions of areas of community life never before revealed on such matters as religious commitment and experiments in eugenics Special Love Special Sex will be specifically of interest to scholars in utopian and communitarian studies and to social historians      **Love and Marriage** Serena Nanda,2018-12-10 Cultural anthropologist Serena Nanda mines a wide range of ethnographic research to examine the patterns of love marriage sexuality and family unique to eight cultures around the world After reviewing changing patterns in the United States readers are taken to China India Brazil Iran Indonesia Nigeria the South Pacific and Nepal to explore traditions and transformations and the intertwining dynamics of kinship class politics religion and gender roles in love and marriage An additional chapter traces the diversity of LGBTQ relationships with contemporary examples drawn from the US Indonesia and India A valuable summary chapter features a brief analysis of similar and different cultural configurations Nanda s ethnographically rich examples and fresh perspective will challenge readers to understand that their own culture is not natural or superior but rather just one of many possibilities adapted to specific environments and subject to changes

Dangerous Liaisons: Sex and Love in the Segregated South (p) Charles Frank Robinson,Charles F. Robinson II,2003 In the South after the Civil War segregation and race itself was based on the idea that interracial sex posed a biological threat to the white race In this groundbreaking book Charles Robinson examines how white southerners enforced antimiscegenation laws His findings challenge conventional wisdom documenting a pattern of selective prosecutions under which interracial domestic relationships were punished even more harshly than transient sexual encounters      *Making Love Just* Marvin M. Ellison,2012 These days sexual sin is far less about sex and far more about the misuse of power and exploitation of vulnerability It s time to redraw the ethical map But how should a contemporary Christian ethic of sexuality be formulated Marvin Ellison a pioneer in contemporary Christian rethinking of sexuality and sexual ethics uses a series of provocative questions to increase readers skills and confidence for engaging in ethical deliberation about sexuality Students and all adults will welcome this book for enabling their personal clarity approach to relationships and mindful participation in respectful moral debate Publisher description      Love and Sexuality in Social Theory Emiliano Bevilacqua,Mariano Longo,Michael Hviid Jacobsen,2024-11-27 Love and Sexuality in Social Theory considers the role that love and sexuality play in private and public life Drawing on both classical and contemporary social theory this book presents both theoretical and empirical studies of love and sexuality as social factors from the earliest reconstructions of modern emotional life to the most recent analyses of liquid love With attention to the consequences that passions and desires have both on morals and behaviour it departs from the analysis of society in terms of the division of labour and utilitarian mechanisms to consider how

a society based on performances values human energy and emotional behaviour in a contradictory way This book therefore presents and discusses classic authors from Georg Simmel and Pitirim Sorokin to Marianne Weber and Simone De Beauvoir through the work of Erving Goffman and ending with contemporary authors such as Michel Foucault Anthony Giddens Zygmunt Bauman Ulrich Beck and Eva Illouz By presenting love as the social foundation of altruism an essential element in modern conceptions of subjectivity and a force shaping intimacy and contemporary social life this book will appeal to scholars of sociology particularly those interested in social theory and the sociology of emotions

What if a family was introduced into your almost perfect life and turned your world upside down in the worse way What if these people made you feel vulnerable uncertain maybe even insecure Now let s take this a step further What if this family were racist and you were black And what if you had been a part of this distasteful family and you had no clue Could it be possible that you had been reincarnated purposefully to face the hate that you once gave out Perhaps you have been picked by a loving universe to bring this racist family to an awakening although you don t remember making this agreement This is what happens to Nova an intelligent pretty secure young woman who lives in an affluent black family where everything seemed to be in its proper perspective That is until the Young family arrive in her town Amid issues of racism drugs and teen problems Love Life and Beyond shows the reader another way at looking at life s jarring troubles through the story of Anne a racist from the South who dies from a brain aneurism After some time to reflect in the spiritual realm Anne s soul is ready for another trial on

Earth this time in the body of Nova a black girl Having no clue of her previous non physical proclamation to transform their beliefs a personal battle erupts when Trent and Nova are thrown together many times through distressing situations Sonia gets involved with the wrong crowd and begins using drugs and Nova is the only person capable of helping Brenda and her family Trent resents her association with his family and like a smoldering volcano Trent and Nova reach their boiling point with venomous hate for one another until something unforeseen happens and the impact of it alters all of their lives forever

*Youth Sexuality in the Context of HIV/AIDS in South Africa* Karl Peltzer, Supa Pengpid, Teresa-Ann B. Mashego, 2006  
Dowsett 2003 notes that by far the vast majority of non biomedical research on HIV AIDS has been behavioural research usually by survey methods counting people s sex acts partners preferences places times and reasons for sex and assessing levels of risk for HIV infection revealing the dominance of seeing sex largely as behaviours      **New Philosophies of Sex and Love** Sarah LaChance Adams, Christopher M. Davidson, Caroline R. Lundquist, 2016-11-30 Our amorous and erotic experiences do not simply bring us pleasure they shape our very identities our ways of relating to ourselves each other and our shared world This volume challenges some of our most prevalent assumptions relating to identity the body monogamy libido sexual identity seduction fidelity orgasm and more In twelve original and philosophically thought provoking essays the authors reflect on the broader meanings of love and sex what their shifting historical meanings entail for us in the present how they are constrained by social conventions the ambiguous juxtaposition of agency and passivity that they reveal how they shape and are formed by political institutions the opportunities they present to resist the confines of gender and sexual orientation how cultural artefacts can become incorporated into the body and how love and sex both form and justify our ethical world views Ideal for students both in philosophy and gender studies this highly readable book takes us to the very heart of two of the most important dimensions of human experience and meaning making to the seductive and alluring confusing and frustrating realms of love and sex      **The Real Facts Of Life** Margaret Jackson, 2005-08-04 During the last twenty years feminist research into the history of sexuality has made important contributions to the theoretical understanding of the relationship between sexuality and male power When sexology became established as a science feminists had for many years been engaged in a struggle to change male sexuality by waging campaigns against male sexual violence and abuse of women and children by challenging the institutions of marriage and prostitution and by asserting in theory and in practice the right to female sexual autonomy Despite the excellent research published in this important and fascinating aspect of feminist history there are still gaps in our knowledge The Real Facts of Life aims to fill these gaps Why and when did sexuality become an important political issue for the 19th century feminist What was the history of campaigns against double standards of sexual morality Why were feminists so divided in their views about sexual freedom and its relationship to women s emancipation The analysis of these issues illuminates past and present feminists ideas and theories about sexuality Margaret Jackson s main aims in The Real Facts of Life are to make a contribution towards understanding the

history of the struggle for female sexual autonomy to provide a revolutionary feminist analysis of the social construction of sexuality and its relationship to male power and to provide a critique of sexology and the male defined concept of sexual liberation     **Journal of Sexology and Psychoanalysis** ,1924
