Love Celibacy And The Inner Marriage:

Love, Celibacy and the Inner Marriage John P. Dourley, 1987 The author of *The Illness That We Are* and *The Psyche as Sacrament* shows that without a deeply compassionate relationship to our own soul we cannot realize the full extent of our ability to love either our intimates or God

Love, Celibacy and the Inner Marriage John Dourley, C.G. Jung Society of Ottawa, 1983* *The World Is a Waiting Lover* Trebbe Johnson, 2011-02-08 Johnson explores the concept of the Beloved the elusive alluring force that beckons us forth to passionate engagement with the world and shows how our sense of love is often linked to something far greater than ourselves She explains that mistaking a human lover for the inner eternal Beloved is the first step in any romance yet the ability to distinguish between the two ultimately holds the key to our quest for personal freedom and fulfillment Steeped in Western and Eastern myth and romantic imagery *The World is a Waiting Lover* guides us through story and thought in order to discover passion Eros and our authentic selves It is a personal story and at the same time an invitation to explore our individual yearnings to live with fearless authenticity as we find more passion and meaning in our work relationships and view of the future

Love: Bondage or Liberation? Deirdre Johnson, 2018-03-26 Much has been written about the function of falling in love in the course of therapy itself This book has a much broader aim The author a Jungian analyst and psychotherapy trainer uses her teaching and clinical experience to illuminate the whole range of this near universal human experience How and why does falling in love affect us so profoundly How can it enhance who we are or must it ultimately fade without lasting value The author argues that the many valuable studies by psychoanalysts relational psychologists anthropologists neuroscientists and philosophers have all made valuable contributions and uses these to highlight and explore the many values and dangers inherent in passionate love However she claims that a more holistic approach is required to show how these various accounts can be seen as complementary rather than competing and can be accommodated within an overarching view of the integration of the human being in its heights and depths
