A Study of Chekhovian Character Traits in Ayckbourn Drama* Mustafa Kirca, 2010-02-01 Mustafa Kirca explores the dark sides of Alan Ayckbourn's comedy by comparing the playwright's characters with those of Chekhov's drama and drawing a parallelism in the character portrayal of both artists The significance of Ayckbourn's plays following Chekhov's footsteps particularly lies in his vivid portrayal of characters from everyday life with psychological depth Kirca shows that the fine mix of comedy and tragedy in Ayckbourn's drama is conveyed through his realistic characterization contrary to the farcical style of his plays This kind of character portrayal in Ayckbourn's plays brings him very close to Chekhov and establishes the known equilibrium between comedy and tragedy in his theatre The study covers Ayckbourn's *Absent Friends* *Just Between Ourselves* *Joking Apart* *Season's Greetings* *Woman in Mind* *A Small Family Business* and *Henceforward* From Chekhov's drama *The Seagull* *Uncle Vanya* *The Three Sisters* and *The Cherry Orchard* are included to define the general Chekhovian character traits The book is especially interesting for teachers students and for general readers who are interested in modern human comedies *You Are Not Your Limits* Javeno Mclean, 2025-05-15 His joy from changing people's lives is so inspiring DAVINA MCCALL On a summer's day in 2023 Javeno Mclean was about to train a young girl called Kiera who was recovering from a brain tumour After chemotherapy damaged her nerves Kiera was unsure if she would ever be able to walk again With a good feeling about Kiera's progress Javeno decided to record her arrival She gets out of the front passenger seat of a car without any help She puts one hand on top of the door and one on the frame before pulling herself up I'm encouraging her Go on K Boogie Kiera steadies herself gets her balance and walks across the pavement to J7 I'm next to her but I didn't need to support her She puts her hand on the door and opens it The video has since been watched over 23 million times After leaving professional sports to run fitness classes in the local community Javeno realised he wanted to be a different kind of trainer He envisioned a truly inclusive health centre one where anybody could come and be empowered to soar no matter what challenges they may be facing in life This book is the story of how that vision became a

of Nothing Clark Buckner, 2014-09-30 The Coen Brothers' films are rife with figures of absence. In *The Big Lebowski*, the Dude does nothing. He is put on the trail of a kidnapping that never happened and solves the crime when he realizes that he paid the ransom with a ringer for a ringer. *The Hudsucker Proxy* features a dupe who draws zeros throughout the film, enthusiastically proclaiming, "You know, for the kids." Barton Fink is a film that revolves around the absence of a film. In *Apropos of Nothing*, Clark Buckner appeals to these and other figures of the void in the Coen Brothers' films in order to articulate the close proximity and ultimate opposition between Lacanian psychoanalysis and Derridean deconstruction. In the process, he situates both theories in relationship to Heidegger's existential phenomenology and undertakes a comparative analysis of the negativity in death, language, drive, anxiety, visual perception, paternity, and the unconscious. Formulating one of the most theoretically rigorous readings of the Coens' oeuvre to date, Buckner also offers a readable overview of some central debates in late twentieth-century continental philosophy. **My wife is A CEO** Yan Dou, 2019-11-12 In a fit of anger, I quit my job and went to a place not far away from the female netizens to work hard again. On my way to being a big guest, I coincidentally ran into a junior who had just graduated, and in the middle of the night, she even asked me to share a blanket with her. She even asked me to share a single apartment with her after getting off the car. He had never dreamt that a female netizen who had been chatting for such a long time would be the unattainable and beautiful chairman of the board of directors in reality.

Politics of Maturity Tanya Loughead, 2023-07-17 What is maturity? In answering this question, Tanya Loughead shows how maturity has traditionally been defined in a conservative fashion as a patriarchal, heteronormative, pro-nuclear family project. *Politics of Maturity* challenges existing notions of maturity by raising fundamental questions about society and its structure. Which structures and experiences help us to mature, and which ones block us from maturing? How can we redefine what it

means to be a mature person at this moment of capitalist devastation and climate catastrophe This book tackles maturity not merely as a problem of individual personality but as a political and philosophical problem that requires revolutionary rethinking and redefinition It envisions maturity as collective liberationist enterprise that requires us to see and live differently A progressive vision of maturity must define progress anew and prepare a ground that cultivates critical open minded thinkers
