Souls in Love... Madly. Truly. Badal Verma,2022-08-20 Souls in Love Madly Truly is a love story that transcends time

The book is premised on the imagination that everything is connected and everything that once lived lives on forever in the eternity of time The spinning wheel turns round and round in a circle One fate is tied to the next The thread red like blood cleaves together all our deeds One cannot unravel the knots but they can be severed Someone severed the knot of the protagonists with a sharp blade Yet something remained behind that could not be severed an invisible bond The bond is held together by a love that admits to hierarchical needs and is a subject of souls Love evolves with time and reaches an intermediate stage where souls fall in love and identical souls yearn to reunite much before the bodies meet each other The story of Souls in Love is a small part of the journey of love that is experienced by Rahul and Saral in their present life felt in a future life as Param and Sneha and again experienced in the next life where their identical souls reunite as Abhay and Nusrat in most unlikely circumstances When they do so they feel the bond of love from their past lives The Creator communes with them through dreams imagination intuition hope longing and love to make them aware of such a bond between them But there is no way of knowing that ever Rahul and Saral or Param and Sneha or for that matter Abhay and Nusrat are just the names The choice of couple and or names are immaterial because souls are experiencing love through the bodies In that sense mythology defines every couple as cloud and rain that is Badal and Varsha Mishmi Verma Rao **Shakspeare's Werke** William Shakespeare,1882 **Love & Light** Clayten Tylor,2017-05-20 This book examines Swedenborg s spiritual experiences of Heaven and Hell from an esoteric perspective as a feeling the language of angels and spirits To perceive this spiritual feeling begins the regeneration process that develops an inner perception of celestial love as spiritual light When we can perceive love and light as a feeling as it expresses through our physical senses we can start to affect our own psycho spiritual development to evolve from a sensual to a spiritual feeling of conjugal love As we examine love and light as a spiritual feeling through heaven and hell we too begin to experience a deeper spiritual awareness which can initiate a personal communication with the Divine as a Conjugal Love experience With creative self expression as our goal we can take regeneration into our own hands to speed up our own evolution while we transmute the forces that block the spiritual feeling of the Brotherhood of Mankind and thereby together manifest the feeling of Heaven on Earth God's Love of Love Songs Donnie Ralph Rieser Jr.,2011-10-26 New classic religious rock songs that had never been sung Original work that had never been heard before The songs will go with all types of religions and denominational churches My Heartfelt Love Poems Shanae Jones,2014-12-30 In my way of my heart I thought that this would be the time to show the way I love poetry so much so I decided to write an all poetry book with love sonnets This book expresses my love that I have inside of me The love that I want to give and have Some are dark inspiring funny and memorable I speak in the words that my heart felt and that my mind could express Some poems are even fictional but all from my heart So please let this book touch your heart like my heart felt when she poured out Love in the Hills Fanny Emily Penny,1913 **Clouds** Chandrahas Choudhury,2019-08-20 From one of India s most accomplished writers an illuminating novel about identity family and mythology set in a rapidly

Letters to Lelia Francis Rosenfeld, 2015-05-12 Never forget my dear child that life is made of days and no matter how many days you were gifted with you should strive to enjoy every single one of them When you have given your love and attention to your family and friends it will still be overflowing so pay attention to the ideals you care about to the people whose needs call out to you to the human race to the universe itself Energy spent in activities that don't touch your soul is wasted and those activities will drag along for a while only to be abandoned when the first justification presents itself When you put your heart into something you love however not a single obstacle can ever stand against it It may not always be easy but you can't let go of it because it is a part of who you are your purpose
