

E♭ ALTO SAXOPHONE/
HORN in E♭

CRAZY IN LOVE

Words and Music by
EUGENE RECORD, RICHARD HARRISON,
BEYONCE KNOWLES and SEAN CARTER
Arranged by DOUG ADAMS

Moderate dance tempo

Sheet music for E♭ Alto Saxophone/Horn in E♭ of "Crazy in Love". The score is written in 4/4 time with a key signature of one sharp (F#). It begins with a dynamic of *ff* (fortissimo). The music features a series of eighth and sixteenth notes, with some measures containing rests. Measure numbers 7, 13, 21, 27, and 33 are indicated in boxes. A triplet of eighth notes is marked with a '3' over a bracket in measure 33. The score ends with a double bar line and a final *ff* dynamic marking.

Piano Lesson Billy Georgette,2014-03-25 Being sent for piano lessons was probably the single worst thing that could have happened in my young life But thanks to an exceptional lady and piano teacher named Florence Powers I wound up unexpectedly becoming a professional piano player Here are some curious things about the piano that I picked up along the way Playing the piano has got to be one of life s greatest treasures In my estimation there are few other activities that can even begin to compare with the ability to play this amazing instrument As you can probably guess I have the highest regard for those individuals who have mastered the art of playing the piano Some performers have taken the art to a very high level often out of the reach of most players But my aim here is to present a simple accessible approach on learning how to listen to or how to approach playing the piano for one s own pleasure first and foremost This self centered idea doesn t necessarily imply being selfish but it probably does require a slight adjustment to one s priorities However if you can get around this inconvenience the possibilities are sitting right there in front of you and all you have to do is reach out and take My aim here is to demystify the piano for both listeners or those who wish to learn how to get started in learning how play this amazing instrument In any event I feel that pleasure can be derived by having a wider understanding as just what the piano actually is And while a book such as this one may be helpful to those who wish to learn to play the piano there is no substitute for a live teacher However it s extremely important to find a teacher that can fulfill one s personal musical taste and ambition There is much involved if a student wishes to become a proficient music reader thus having a good teacher is essential to success in this area Take your time in finding the right one and good luck However before looking at the piano it s also important to establish what kind of music one is interested in whether for listening or performing For purposes of this book I have arbitrarily broken it down into four major forms Classical Standards Popular and Jazz Classical leads the list as the music

that has been around longer much longer than the other two forms of music It represents the foundation of all of today's music Much of it is seriously challenging to play and requires years of dedicated practice At the concert level Olympic style discipline prevails as the techniques of performance far surpasses the scope of this book Be that as it may classical music has an abundance of priceless melodies that can be played in a simplified manner while still retaining their pure magic for listeners and pianists Music operates on principles that were founded in the past 600 years they carry with them an enormous amount of human cultural genius including the invention of equal temperament

The Musician, 1901 **The Monthly Musical Record**, 1885 **The Musical Standard**, 1873 *Janáček's Eternal Love* George M. Cummins III, 2015-04-28 In the last decade of his life starting when he was a sixty two year old curmudgeon in a backwater Slavic country Czech composer Leo Janáček produced operas and chamber music that would stun the music world one masterpiece on top of another In Janáček's *Eternal Love* author George M Cummins III presents a biography focusing on the life of Janáček 1854-1928 based on original Czech sources with special attention to detailed analysis of the last four operas and biographical focus on the composer's relationship with his muse Kamila Stösslová In 1916 Janáček was known only as a local ethnographer specializing in folk music but he acquired international fame with the operas and chamber pieces he composed after the age of sixty two until his death at seventy four Cummins with both a personal and scholarly knowledge of Czech language history and culture narrates a personal biography that includes detailed insightful descriptions of Janáček's compositions

George Gershwin Larry Starr, 2010-12-14 In this welcome addition to the immensely popular Yale Broadway Masters series Larry Starr focuses fresh attention on George Gershwin's Broadway contributions and examines their centrality to the composer's entire career Starr presents Gershwin as a composer with a unified musical vision a vision developed on Broadway and used as a source of strength in his well known concert music In turn Gershwin's concert hall experience enriched and strengthened his musicals leading eventually to his great Broadway opera *Porgy and Bess* Through the prism of three major shows *Lady Be Good* 1924 *Of Thee I Sing* 1931 and *Porgy and Bess* 1935 Starr highlights Gershwin's distinctive contributions to the evolution of the Broadway musical In addition the author considers Gershwin's musical language his compositions for the concert hall and his movie scores for Hollywood in the light of his Broadway experience
