Children's Magazine Guide, 1983 *A Legacy of Love* Juanita L. Tryon, 2017-07-24 *A Legacy of Love* is the story of a Southern Indiana farm family and the trials and tribulations of raising children during the Great Depression Era. This family, like most people during this era who lived in agricultural communities, did not have central heat, electricity, nor indoor bathrooms. Most farm families raised or made most of their own food, including chickens, eggs, butter, milk, beef, pork, and vegetables from their own gardens. They relied on each other, their extended families, neighbors, and their church community to survive. Ora and Ann Wolfe raised seven children who became productive adults on 64 acres of land, of which 30 were not tillable, in a three-room clapboard house. Supplemental income came from intermittent work in the coal mines by Ora and the selling of butter and eggs by Ann to stores in the city and to neighbors who did not have their own. They faced personal challenges with the loss of a young child to scarlet fever, years where farming efforts barely produced enough to feed them all, and family members who left the nest to go off to war or to work in the factories or elsewhere to support the war effort. Every day was a challenge, but their belief that an all-wise God ruled the affairs of mankind kept the family grounded in its Christian Faith. Church was the center for community and social life. Sunday services, church potluck dinners, and singing in the church's Glee Club were activities enjoyed by this family. The strict observance of the Sabbath was celebrated with a large dinner served around the noon hour that would be enjoyed by every family member and often with friends of the family. *A Legacy of Love* will provide the reader with an understanding of life in America during difficult economic times, a time when many people lost hope and some left their homes and farms never to return. Others gained strength through family hard work and their churches. The average farm family had little or no money, but nearly everyone faced similar challenges. Adults and

children alike learned ways to enjoy the simple things in life at practically no cost These difficult times not only instilled a good work ethic in children but a strong commitment to each other This commitment is the legacy of love that bound this family so tightly together with a rich family heritage It is the fabric that builds strong communities A New Love for Charlotte Amy Lillard,2021-03-30 Renewed faith and happiness await three generations of women in this heartwarming series from Amy Lillard set in the Oklahoma Amish community of Wells Landing With her daughter newly married widow Charlotte Burkhardt should have been content to find a companion for her later years in Amish widower Glenn Esh Yet Charlotte longs for more than life has offered her thus far When she discovers a baby on her doorstep the child seems like the miracle Charlotte s been praying for Unfortunately Glenn doesn t feel the same way What s a single woman aching to experience motherhood once more to do From the moment Paul Brenneman sees Charlotte Burkhardt with a new baby he senses his lovely neighbor and the sweet child are meant to be Which is why he offers to marry Charlotte and make her adoption dreams come true No stranger to heartache himself the stalwart widower knows second chances don t happen every day especially not with a woman like Charlotte the first woman in a long time who has him taking a leap of faith that happily ever after is still possible **Italy: I Love You!** Geralyn Peterkin,2009-03-24 This is not a guide book not is it a directory for works of art hotels restaurants places of interest or things to see for Italy It is not an historical tract or a political lecture So what am I writing about In simplest terms I suppose one could call it a love letter a statement of my love for this country In real terms Italy is more much more than a country Browning described this condition perfectly Italy becomes a part of your heart a state of mind an emotional experience **Library Journal** ,1983 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately **Love Inspired June 2024 Box Set - 2 of 2** Lucy Bayer,Lisa Carter,Stacie Strong,2024-05-21 Love Inspired brings you three new titles Enjoy these uplifting contemporary romances of faith forgiveness and hope This box set includes THEIR SECRET AMISH ARRANGEMENT by Lucy Bayer When contractor Henry Barrett arrives in Hickory Hollow his plans to renovate a house and mend the relationship with his estranged brother go awry But a fake courtship with shy baker Clara Templeton might just solve both their problems She ll help clean up the house and he ll teach her how to date There s no risk of heartbreak since an Amish girl and an Englisher could never share real love could they FALLING FOR HER BEST FRIEND by Lisa Carter Ten months ago Mollie Drake agreed to marry her best friend but only to care for his infant son Now Colton Atkinson is back from his Army deployment to end their charade Until their hometown surprises the newlyweds with a calendar of romance From date nights to family dinners soon the couple s marriage of convenience begins to feel real But will they risk their friendship for a chance at love SUNFLOWER FARMS REDEMPTION by Stacie Strong After leaving home a decade ago Jesse Cooper returns with one goal in mind sell the family farm But longtime manager Rose McFarland is not about to let the man who broke her heart risk her future Working side by
