Nat Love's memoir *Life and Adventures of Nat Love* is one of the only firsthand accounts of an African American cowhand in the western United States from this period. Love and his parents were owned by planter Robert Love and after Emancipation his parents remained on Love's plantation as sharecroppers while Nat left and headed west. He found work as a cowboy first on the Duval Ranch in the Texas panhandle then on the Gallinger Ranch in southern Arizona. Love's narrative details his many adventures and exploits such as being captured and shot by Pima Indians who eventually spared his life because they sympathized with his plight as a black man. In Deadwood Dakota Territory he entered a rodeo winning 200 and the nickname Deadwood Dick, a reference to a literary character from a dime novel of the day. Published in 1907, the *Life and Adventures of Nat Love* would help to make Love a black folk hero of the Old West.

*The Life and Adventures of Nat Love, Better Known in the Cattle Country as "Deadwood Dick"* Nat Love, 1995-01-01

Thousands of black cowpunchers drove cattle up the Chisholm Trail after the Civil War but only Nat Love wrote about his experiences. Born to slaves in Davidson County, Tennessee, the newly freed Love struck out for Kansas after the war. He was fifteen and already endowed with a reckless and romantic readiness. In wide open Dodge City he joined up with an outfit from the Texas Panhandle to begin a career riding the range and fighting Indians, outlaws, and the elements. Years later he would say, "I had an unusually adventurous life. That was rare understatement." More characteristic was Love's claim, "I carry the marks of fourteen bullet wounds on different parts of my body, most any one of which would be sufficient to kill an ordinary man, but I am not even crippled." In 1876, a virtuoso rodeo performance in Deadwood, Dakota Territory, won him the moniker of Deadwood Dick. He became known as DD all over the West, entering dime novels as a mysteriously dark and heroic presence. This vivid autobiography includes encounters with Bat Masterson and Billy the Kid, a soon-after view of the Custer battlefield, and a successful courtship. Love left the range in 1890, the year of the official closing of the frontier. Then, as a Pullman train conductor, he traveled his old trails, and those good times bring his story to a satisfying end.

Sternberg,1999-06-03 In this groundbreaking work Robert Sternberg opens the book of love and shows you how to discover your own story and how to read your relationships in a whole new light What draws us so strongly to some people and repels us from others What makes some relationships work so smoothly and others burst into flames Sternberg gives us new answers to these questions by showing that the kind of relationship we create depends on the kind of love stories we carry inside us Drawing on extensive research and fascinating examples of real couples Sternberg identifies 26 types of love story including the fantasy story the business story the collector story the horror story and many others each with its distinctive advantages and pitfalls and many of which are clashingly incompatible These are the largely unconscious preconceptions that guide our romantic choices and it is only by becoming aware of the kind of story we have about love that we gain the freedom to create more fulfilling and lasting relationships As long as we remain oblivious to the role our stories play we are likely to repeat the same mistakes again and again But the enlivening good news this book brings us is that though our stories drive us we can revise them and learn to choose partners whose stories are more compatible with our own Quizzes in each chapter help you to see which stories you identify with most strongly and which apply to your partner Are you a traveler a gardener a teacher or something else entirely Love is a Story shows you how to find out Scrolls of Love Peter S.
