Heaven on Earth: The Order and Meaning of Mass Ralph Barnett,2024-03-26 The Catechism of the Catholic Church encourages parents to catechize their children Parents duty to educate their children is instinctive and inalienable Parents have the first responsibility for educating their children Parents role in education is so important it is near impossible to offer an adequate substitute By marriage parents receive the responsibility of evangelizing their children Parents educate their children to fulfill God s law As first heralds parents should initiate their children into the mysteries of the faith Education in the faith by parents should begin in the child s earliest years Family catechesis precedes other forms of religious instruction

in the faith But catechize on what and how As a cradle Catholic father grandfather layperson and ardent student of our Faith I offer a suggestion based on common sense and a book series We re living through the greatest loss of faith in the history of the Catholic Church a refrain reverberating thru Catholic America Likely you are familiar with the statistics 25% percent decline in Mass attendance 15% of churches closed and or consolidated 65% of Catholics do not believe in the Real Presence Catholicism the largest Christian creed followed closely by fallen away Catholics America s religious decline is not new Experts claim Christianity has been on decline since the removal of prayer from public schools in 1962 Catholic school enrollment declined concurrently Yet prayer was not removed from Catholic schools Predictably Mass attendance followed What changed Catholic authorities proffered explanations and recommendations none of which stemmed the tide a sure sign the root cause was not rightly identified What changed was the equivalent of removing the pillar of prayer from public schools Mass was removed from Catholic catechesis school CCD RCIA adult formation ambo and domestic church A cursory look at a Baltimore Catechism the 1950 60s field manual for Catholics reveals a 30 page segment Catechism of the Mass immersing students in liturgical details A cursory look at current Catholic curricula reveals a paucity of information on Mass ranging from a few paragraphs in texts for schools and homeschool to take home trifolds for CCD RCIA etc Is Mass that important Did you know Mass Is the only sacrifice perfect pleasing and acceptable to God Is the most sacred function of the Church surpassing all others in efficacy Is the Church s greatest prayer Is the Church s 1 effort to save souls Is the same sacrifice Christ made on the Cross Is the perfect answer to prayer as it brings mercy and salvation Christ won for us Is required attendance every Sunday and six Holy Days a year but Communion only once Is the Source and Summit of our Faith Is Heaven on Earth Seemingly Mass is the answer to everything integral to Catholicism Why is it not taught in Catholic education settings How do we reverse the tide Catholics must re assess school CCD RCIA adult formation school and homeschool catechesis to make space for a deep dive into Mass To fulfill the need I submit a book series Catechism Curriculum for Catholic Homeschool which includes a 163 page text accompanied by a workbook with fifty one lesson reviews containing 1 600 questions The series is not a theological or academic treatise but a user friendly step by step guide to Mass for homeschool catechesis unlike anything available elsewhere Author s Promise Your family will never ever go to church attend Mass or receive Communion the same way again
