Fifty Major Cities of the Bible John Charles Hugh Laughlin, 2006 Concise informative and highly accessible this text is a superb overview of the cities and towns that made up the Biblical world and an essential resource for students and enthusiasts

The City in Biblical Perspective J.W. Rogerson, John Vincent, 2014-12-18 The city is an ambiguous symbol in the Bible The founder of the first city is the murderer Cain The city of Jerusalem is the place chosen by God yet is also a place of wrong doing and injustice Jesus seems to have largely avoided cities except Jerusalem where he was crucified The City in Biblical Perspective examines the archaeological and social background of the urban biblical world and explores the implications of the deliberate ambiguities in the biblical text The book aims to deepen our understanding of both the biblical and the contemporary city by asking how the Bible s complex understanding of the city can illuminate our own ever more urban time

Acts Gerald L. Stevens, 2016-04-05 This analysis of Luke s post ascension story of Jesus challenges orthodoxies in the interpretation of Acts and Paul Carefully constructed narrative arguments from within the story in Acts use the themes of Pentecost the Hellenists and the character development of Saul Paul to reveal Luke s insight that the future of the Jesus story is in the Hellenist movement realizing the promise of Pentecost in Israel These Hellenists are at odds with the Jerusalem church on the implications of the outpoured Spirit of Pentecost Further the Saul Paul of Acts is not what most readers presume from Paul s letters For Luke Paul finds his narrative significance in Acts only within the Hellenist movement and Pentecost fulfillment Paul himself becomes Luke s premier example of the God active God resisted theme of the speech of Stephen that drives the plot of Acts This plot mechanism provides illuminating exegesis of Paul s insistence on going to Jerusalem from Ephesus with its dramatic conclusion in the shipwreck of Paul Stevens concludes by integrating the ending of Acts into Luke s three major themes and overall narrative strategy an impressive compelling and thoroughly fresh reading of Acts
