# MAKE IT SO

The fast-changing business world of today is far different from just a few years ago. Success in today's marketplace requires new leadership techniques, new thinking, and an eye on the future....

In **MAKE IT SO: LEADERSHIP LESSONS FROM *STAR TREK: THE NEXT GENERATION***<sup>®</sup>, Wess Roberts and coauthor Bill Ross take their inspiration from today's most striking and most popular vision of the future—*Star Trek*<sup>®</sup>—an unprecedented television, feature film and publishing phenomenon. From the top-rated television series *Star Trek: The Next Generation*, Roberts and Ross find a new symbol for successful leadership: Captain Jean-Luc Picard.

As entertaining as it is useful, **MAKE IT SO** captures the mythos of *Star Trek: The Next Generation* as it delivers dramatically rich lessons on leadership, including the importance of the ability to focus on a single "mission," effective communication, teamwork, honor...and other important concepts. The examples are taken from the on-screen adventures of Captain Picard and the *Starship Enterprise*<sup>™</sup>, but the lessons and the benefits are real—and can be applied to everyday situations where the goal is the kind of high-performance organization embodied by the crew of the *U.S.S. Enterprise*<sup>™</sup> 1701-D.

Sure to appeal to *Star Trek* enthusiasts and serious students of leadership alike, **MAKE IT SO** is the most exciting business book on the shelves—the one book that shows the future of modern leadership while giving managers the tools they need for success today!

**Make it So** Wess Roberts, William C. Ross, 1995 Leadership lessons from Star Trek the Next Generation *Make It So* Wess Roberts, Bill Ross, 1996-08 Taking its inspiration from today's most striking and popular vision of the future Star Trek this Business Week bestseller offers valuable lessons for today's fast changing business world A great book for all forward thinkers Lillian Vernon **Make It So: Leadership Lessons from Star Trek: The Next Generation** Wess Roberts, Bill Ross, 1996-08-01 With Capt Picard as the role model for effective leadership this bestselling book uses Star Trek The Next Generation as advice guide for successful business management The fast changing business world of today is far different from just a few years ago Success in today's marketplace requires new leadership techniques new thinking and an eye on the future In *Make It So Leadership Lessons from Star Trek The Next Generation* Wess Roberts and coauthor Bill Ross take their inspiration from today's most striking and most popular vision of the future Star Trek an unprecedented television feature film and publishing phenomenon From the top rated television series Star Trek The Next Generation Roberts and Ross find a new symbol for successful leadership Captain Jean Luc Picard As entertaining as it is useful *Make It So* captures the mythos of Star Trek The Next Generation as it delivers dramatically rich lessons on leadership including the importance of the ability to focus on a single mission effective communication teamwork honor and other important concepts The examples are taken from the on screen adventures of Captain Picard and the Starship Enterprise™ but the lessons and the benefits are real and can be applied to everyday situations where the goal is the kind of high performance organization embodied by the crew of the U S S Enterprise Sure to appeal to Star Trek enthusiasts and serious students of leadership alike *Make It So* is the most exciting business book on the shelves the one book that shows the future of modern leadership while giving managers the tools they need for success today *Star Trek* Duncan Barrett, Michèle Barrett, 2016-08-05 In a world shrunk by modern transport and communication Star Trek has maintained the values of western maritime exploration through the discovery of strange new worlds in space Throughout its fifty year history the starry sea has provided a familiar backdrop to an ongoing interrogation of what it means to be human This book charts the developing Star Trek story from the 1960s through to the present day Although the core values and progressive politics of the series earliest episodes have remained at the heart of Star Trek throughout half a century in other ways the story it tells has shifted with the times While The Original Series and The Next Generation showed a faith in science and rationalism and in a benign liberal leadership with Deep Space Nine and Voyager that modern order began to decline as religion mental illness and fragmented identities took hold Now fully revised and updated to include the prequel series Enterprise and the current reboot film series this new second edition of *Star Trek The Human Frontier* published to coincide with Star Trek's golden jubilee celebrations addresses these issues in a range of cultural contexts and draws together an unusual combination of expertise Written to appeal to both the true Trekker and those who don't know Star Trek from Star Wars the book explores and explains the ideas and ideals behind a remarkable

cultural phenomenon     "Hailing frequencies open" Thomas D. Parham, III, 2019-07-29 Star Trek The Next Generation blended speculative science fiction and space opera in its portrayal of communication Multiple modes of communication used between characters are presented and the multilevel tapestry of communication in the series is critical in its appeal This book proposes that these patterns of communication reveal a foundational philosophy of Star Trek while enticing millions of viewers These patterns serve both to cause strong empathetic connections with characters and to impel viewers to form relationships with the show explaining their extreme devotion     Humble Leadership N. Graham Standish, 2007-02-26 There comes a point at which leadership can break down precisely because of our success as leaders When confidence turns to pride and arrogance we lose sight of the people that we have been called to serve and become consumed with following our own vision Graham Standish offers a way forward that moves us through this paradox by seeking to humbly follow God's plans rather than our own Humble leadership grounded in the teachings of Jesus means recognizing that what we have and who we are is a gift from God and our lives should reflect our gratitude for this gift It requires us to be radically and creatively open to God's guidance grace and presence in everything When we lead out of such openness God's power and grace flow through us The path Standish proposes is not easy Humble leadership can be personally dangerous exposing our weakness powerlessness fear and anxiety Our cultural need for strength infects Christian leaders with a pride that causes them to ignore biblical teachings on humility But a humble leader says to God I'm yours no matter where you call me to go what you call me to do and how you call me to be I will seek your will and way as I lead others to do the same     Sexual Generations Robin Roberts, 1999 Boldly going where no one has gone before Robin Roberts forges intriguing links between feminist politics and theory and the second Star Trek series Star Trek The Next Generation This lively discussion shows how science fiction's ability to make the familiar strange allows Star Trek to expose and comment on entrenched attitudes toward gender roles and feminist issues By having aliens or sexually neutral beings enact female dominance or passivity experience pregnancy or maternity or suffer rape or abortion Star Trek provides viewers with a new perspective on these experiences and an antidote to explicit and implicit cultural biases Roberts maintains that the relevance of Star Trek The Next Generation to feminist issues accounts as no other factor can for the program's huge following of female fans The incisive and innovative readings in Sexual Generations provide food for thought about how the final frontier can clarify pressing questions of our own space and time     **Living with Star Trek** Lincoln Geraghty, 2007-03-30 There is a wealth of literature on Star Trek and this book is a welcome and original contribution to it The book not only sets Star Trek in dialogue with ideas and stories of utopia community self improvement that are central to American culture and history but goes further to examine the ways in which these are taken up and used by ordinary fans who engage with Star Trek in complex and significant ways Lincoln Geraghty explores for example Star Trek's multiple histories and how Star Trek has used the Puritan American Jeremiad one of the nation's foundational texts to create a narrative that relates how through communal effort and personal change utopia

can be achieved He discusses how fans define the series as a blueprint for the solution of such social problems in America as racism and war and shows how they have used the series to cope with personal trauma and relate to such characters as Data and Seven of Nine in moments of personal transformation This is all in all an enjoyable and revealing book on Star Trek's active relationship with its many thoughtful fans *Star Trek* Ina Rae Hark, 2008-09-09 Film and cinema **NASA/TREK**
