Create Your Own Fate Elaine Northrop,2011 Nothing is Beyond Belief Imagination is the key to creating a new reality Whatever you can imagine you can implement Whatever you believe to be actually creates the world you see Life doesn t just happen to you It responds to you and the thoughts that you are creating on a continuing basis Although thoughts are not tangible they are programmable and powerful Thoughts can transform the abstract into the absolute This book is about creative visualization or wishcraft which is a way of thinking that can change your life The principles proposed in this book can propel you from poverty to prosperity and jumpstart your JOY as you learn how to transform your thoughts into reality The process starts with a dream a desire or even just a wish Wishes come in all sizes One can wish small or one can wish big or tall One can even choose not to wish at all but wishing is really the key to creating a new reality Everything that you can conceive of already exists or you couldn t even conceive of it Creative visualization simply makes the invisible visible Your beliefs are the key to making the invisible materialize Predicting the future actually becomes possible once you realize that you can create your own future by propelling your dreams into reality The world can be yours to have and to hold once you take control of your own destiny That doesn t mean that you can control the events that will happen in your life but you can control how you envision those events Those visualizations can either empower you to excel or cripple you in crisis If you want your life to change try doing something strange If you want your life to be different do different think different Sometimes all that you need to change is your mind and your beliefs Stop setting limits on your life Become part of the cycle of life which is to Dream desire create and inspire
