Hope, Help, Healing with Archangel Raphael and the Angels Mary LaSota, Harriet Sternberg, 2007-05. In this book Hope, Help, Healing with Archangel Raphael and The Angels, many comments and much information is given which is extremely important at this time in terms of very much needed hope both in the present and for the future. Planet Earth and the individuals living on it need to know about Angels, Archangels, Spirit Guides and Ascended Masters in order to avail themselves of all the helpful, hopeful, healing, protecting and guiding ways they have given in the past and about how all these offerings can be utilized now. The Emerald Joy Healing Ceremonials, the attunements and the messages are valuable because they come directly from Archangel Raphael himself, his contributions benefiting us all. The authors intensive and extensive research about past Golden Ages and the predicted Golden Age to come culminates in a last chapter which shows the cosmic role Planet Earth has played in the past and needs to play again. This book has come forth at this time to offer words of hope, help and healing to a world in its transformational period.
