Leadership and Management Compendium David Obatomi,2024-09-04 A complete

dependence on capable leadership is one of few things every organisation has in common. In the absence of talented leadership, the workforce and by extension the entire business cannot achieve its full potential. Leadership and Management are two very different concepts though they are intrinsically interconnected. For an organisation to perform at its best, a strategic combination of both Leadership and Management is required. It is one thing to master the art of effective delegation, instruction and supervision. It is something else entirely to inspire a workforce to achieve more by setting a strong example. To become a talented manager and an inspiring leader is to enjoy extraordinary career prospects worldwide. This booklet is a compilation of all the assignments and answers provided through thorough research using a wide range of resources. It is anticipated that the compendium will be a valuable document to consult for anyone aspiring to be an excellent manager or leader in their organisation.
