evil but a vivid depiction of traditional New England Indian culture in pre Columbian times Richly atmospheric resonant with Native American spirituality melodious with the rhythms of the Abenaki language The Waters Between paints both an epic quest and a colorful portrait of the lives of people living as human beings were told to live by the Talker Never perfect often failing but always growing always part of something larger than themselves their varied heartbeats meshing together to make the one great healthy heartbeat which was the Only People **Medicine Trail** Melissa Jayne Fawcett,2015-09-01 Contrary to the fictional account of James Fenimore Cooper the Mohegan Mohican nation did not vanish with the death of Chief Uncas more than three hundred years ago In the remarkable life story of one of its most beloved matriarchs 100 year old medicine woman Gladys Tantaquidgeon Medicine Trail tells of the Mohegans survival into this century Blending autobiography and history with traditional knowledge and ways of life Medicine Trail presents a collage of events in Tantaquidgeon s life We see her childhood spent learning Mohegan ceremonies and healing methods at the hands of her tribal grandmothers and her Ivy League education and career in the white male dominated field of anthropology We also witness her travels to other Indian communities acting as both an ambassador of her own tribe and an employee of the federal government s Bureau of Indian Affairs Finally we see Tantaquidgeon s return to her beloved Mohegan Hill where she cofounded America s oldest Indian run museum carrying on her life s commitment to good medicine and the cultural continuance and renewal of all Indian nations Written in the Mohegan oral tradition this book offers a unique insider s understanding of Mohegan and other Native American cultures while discussing the major policies and trends that have affected people throughout Indian Country in the twentieth century A significant departure from traditional anthropological as told to American Indian autobiography Medicine Trail represents a major contribution to anthropology history theology women s studies and Native American studies Sovereignty and Sustainability Siobhan Senier,2020-05 Sovereignty and Sustainability examines how Native American authors in what is now called New England have maintained their own long and complex literary histories often entirely outside of mainstream archives libraries publishing houses and other institutions usually associated with literary canon building Indigenous people in the Northeast began writing in English almost immediately after the arrival of colonial settlers and they have continued to write in almost every form histories newsletters novels poetry and electronic media Over the centuries Native American authors have used literature to assert tribal self determination and protect traditional homelands and territories Drawing on the fields of Native American and Indigenous studies environmental humanities and literary history Siobhan Senier argues that sustainability cannot be thought of apart from Indigenous sovereignty and that tribal sovereignty depends on environmental and cultural sustainability Senier offers the framework of literary stewardship to show how works of Indigenous literature maintain recirculate and adapt tribally specific approaches to community land and relations Individual chapters discuss Wampanoag historiography tribal newsletters and periodicals novelists and poets Joseph Bruchac John Christian Hopkins Cheryl Savageau and Melissa
