Sider,2019-07-16 What does Jesus have to say about violence just war and killing Does Jesus ever want his disciples to kill in order to resist evil and promote peace and justice This book by noted theologian and bestselling author Ronald J Sider provides a career capstone statement on biblical peacemaking Sider makes a strong case for the view that Jesus calls his disciples to love and never kill their enemies He explains that there are never only two options to kill or to do nothing in the face of tyranny and brutality There is always a third possibility vigorous nonviolent resistance If we believe that Jesus is Lord then we disobey him when we set aside what he taught about killing and ignore his command to love our enemies This thorough comprehensive treatment of a topic of perennial concern vigorously engages with the just war tradition and issues a challenge to all Christians especially evangelicals to engage in biblical peacemaking The book includes a foreword by Stanley Hauerwas

Philosophical Perspectives on Power and Domination ,2021-09-20 The essays in this volume explore in detail many of the ways power structures our daily personal political and intellectual lives and evaluate the workings of power using a variety of theoretical paradigms from Hobbesian liberalism to Foucauldian feminist postmodernism Taken as a whole the book aims towards an end to unjust and destructive uses of power and the flowering of an encouraging educated empowerment for all human beings in a pluralistic world Section I offers a progressive chain of arguments that moves from the acceptance of domination through the rejection of domination and finally to a new vision of power based on equality and mutual respect Section II explores the questions how is the philosophical self that is our very understanding of who we are implicated in the web of power and domination Section III responds to political realism as it explores morally ideal solutions to the global problems of poverty war and hunger Section IV discusses ways in which our thought and practice in both public and private life are bound up in hierarchies of domination **Swords into Plowshares, Volume One** Arthur J. Laffin,Anne Montgomery,2010-05-01 Why is nonviolent civil disobedience divine disobedience an imperative for bringing about disarmament What is the connection between faith nonviolence and resistance How does one prepare for nonviolent acts of resistance How does one respond to the charges brought in court How does one view and cope with the consequences of

imprisonment How have some people nonviolently responded to U S intervention in Iraq and Central America and in war torn countries like Bosnia What are the main tenets of U S nuclear and foreign policy in the post Cold War era What is the human cost of weapons production What does it mean to live in a national security state What are some of the challenges faced by people in the U S who are concerned about justice and peace The primary goal of this revised edition of *Swords into Plowshares* is to provide some initial answers to these and related questions Contributors to this edition include Bob Aldridge Daniel and Philip Berrigan Samuel H Day Jr Jim and Shelly Douglass Elizabeth McAlister Molly Rush and a host of other activists

Social defence Brian Martin,Jørgen Johansen,2019-07-11 Social defence is nonviolent community resistance to aggression and repression as an alternative to military forces Given the enormous damage caused by military systems social defence is an alternative worth investigating and pursuing Since the 1980s J rgen Johansen and Brian Martin have been involved in promoting social defence In this book they provide an up to date treatment of the issues They address the downsides of military systems historical examples of nonviolent resistance to invasions and coups key ideas about social defence important developments since the end of the Cold War and the role of social movements Social defence challenges deeply embedded assumptions about violence and defence It is also a challenge to powerful groups with vested interests in systems of organised violence especially militaries and governments Popular action against aggression and repression is a radical alternative and a logical one Must Global Politics Constrain Democracy? Alan Gilbert,2012-01-06 As each power vies for its national interests on the world stage how do its own citizens democratic interests fare at home Alan Gilbert speaks to an issue at the heart of current international relations debate He contends that in spite of neo realists assumptions a vocal citizen democracy can and must have a role in global politics Further he shows that all the major versions of realism and neo realism if properly stated with a view of the national interest as a common good surprisingly lead to democracy His most striking example focuses on realist criticisms of the Vietnam War Democratic internationalism as Gilbert terms it is really the linking of citizens interests across national boundaries to overcome the antidemocratic actions of their own governments Realist misinterpretations have overlooked Thucydides theme about how a democracy corrupts itself through imperial expansion as well as Karl Marx s observations about the positive effects of democratic movements in one country on events in others Gilbert also explodes the democratic peace myth that democratic states do not wage war on one another He suggests instead policies to accord with the interests of ordinary citizens whose shared bond is a desire for peace Gilbert shows through such successes as recent treaties on land mines and policies to slow global warming that citizen movements can have salutary effects His theory of deliberative democracy proposes institutional changes that would give the voice of ordinary citizens a greater influence on the international actions of their own government **Politics, Order and History** Stephen McKnight,Glenn Hughes,Geoffrey Price,2001-01-01 This volume brings together critical review papers many specially commissioned on key themes and questions in the work of the political scientist philosopher and religious thinker Eric Voegelin 1901 1985 Areas covered include 1 Political science Political Religions manifestations in Nazi Germany and in contemporary European and North American nationalism 2 International relations the Cold War in critical perspective 3 Philosophy Plato and Aristotle in the reading of Eric Voegelin contemporary assessments 4 Sociology Correspondence of Voegelin and Alfred Sch tz 5 New Testament studies and Christology questions and developments for Voegelin s

Downloading Making Europe Unconquerable The Potential Of Civilianbased Deterrence And Defense provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient

studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Making Europe Unconquerable The Potential Of Civilianbased Deterrence And Defense has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Making Europe Unconquerable The Potential Of Civilianbased Deterrence And Defense. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Making Europe Unconquerable The Potential Of Civilianbased Deterrence And Defense. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Making Europe Unconquerable The Potential Of Civilianbased Deterrence And Defense, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Making Europe Unconquerable The Potential Of Civilianbased Deterrence And Defense has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
