Unbreakable Beauty Tara Sosa,2017-10-17 First date First kiss Make out Make love Have wild uninhibited crazy sex Find someone to love me back When I first read Elizabeth Masters list I was excited And then I was furious She created a list of firsts Firsts that should have been mine Firsts she was now going to give to someone else Because when she offered me her firsts I said I didn t want them But that was a lie It was one of many I told her Because I wanted her and her firsts more than anything Someone to love her back She already had that First kiss That was me She can t erase anything that happened between us no matter how hard she tries to forget And I know that from experience Because I ve never been able to forget what we had what we shared I couldn t stop thinking about what could have been if I pulled her close and not pushed her away And now she wants to move on with someone else It wasn t going to happen What we have is real Unbreakable And I m not messing up again No more lies No more hiding I know she s the best thing that s ever happened to me Just like I know she s mine And so are her firsts Her firsts her lasts her in betweens her love her forever It s mine She just needed to let me back in She needed to give me another chance And if she didn t want to I d make her Because I was never losing her again Ryan Flannery broke my heart Or what was left of the frayed and fragile pieces I had to give I let him in I let him close I gave him everything I thought he loved me I laid myself bare I stripped myself raw I chased a fantasy and I got burned But he did do one thing for me He gave me something An idea According to him I was too young too inexperienced And he was right I needed to change that So what if he was my first love He didn t have to be my only It was time for me to spread my wings Explore It was time for me to live Ryan might have been the one I wanted to give my firsts to And my lasts And everything in between But it s not happening I ve been hurt enough Lied to enough Betrayed enough It was time I started to think about me He thinks that I can just forget what he s done That he lied That he made a mistake He thinks we re unbreakable He thinks that it s me and him Always Forever He thinks I m going to give him another chance at that Another chance at me It Will Never Happen Until it does Everyone remembers their first Except Ryan Flannery But that s okay Because all he needs to remember is his last

His last Her first *A Somaesthetics of Performative Beauty* Falk Heinrich, 2023-04-14 This book develops an original theory of performative beauty Philosophical aesthetics has largely neglected one's own actions as a potential experience of the beautiful Throughout the book the author uses his own experiences of Argentine tango as a case study one important incentive for social dancing is to have pleasurable and beautiful experiences This book begins by investigating the methodological causes for why beauty in modernity has been seen to result only from contemplating external objects It then builds a theory of performative beauty that incorporates findings from new phenomenology neuroaesthetics enactivism and somaesthetics and that reassesses existing inquiries of beauty The result is an account that identifies kinaesthetic awareness as the point of emergence of both theory and practice of creation poiesis and perception aisthesis and of moving agency and being moved reception Performative beauty is the pleasure of being moved by the dance where the dancer feels both as a creative improviser and as an integrated part of the activity itself *A Somaesthetics of Performative Beauty* Tangoing Desire and Nostalgia will appeal to scholars and advanced students working in aesthetics dance studies performance studies and related fields of artistic research Chapter 6 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license
