## **Making Foreign Policy A Certain Idea Of Britain:**

**David Owen, Human Rights and the Remaking of British Foreign Policy** David Grealy, 2022-10-06 Although the evolution of human rights diplomacy during the second half of the 20th century has been the subject of a wealth of scholarship in recent years British foreign policy perspectives remain largely underappreciated Focusing on former Foreign Secretary David Owen s sustained engagement with the related concepts of human rights and humanitarianism David Owen Human Rights and the Remaking of British Foreign Policy addresses this striking omission by exploring the relationship between international human rights promotion and British foreign policy between c 1956 1997 In doing so this book uncovers how human rights concerns have shaped national responses to foreign policy dilemmas at the intersections of civil society media and policymaking how economic and geopolitical interests have defined the parameters within which human rights concerns influence policy how human rights considerations have influenced British interventions in overseas conflicts and how activism on normative issues such as human rights has been shaped by concepts of national identity Furthermore by bringing these issues and debates into focus through the lens of Owen s human rights advocacy analysis provides a reappraisal of one of the most recognisable albeit enigmatic parliamentarians in recent British history Both within the confines of Whitehall and without Owen s human rights advocacy served to alter the course of British foreign policy at key junctures during the late Cold War and post Cold War periods and provides a unique prism through which to interrogate the intersections between Britain s enduring search for a distinctive role in the world and the development of the international human rights regime during the period in question

### **Geopolitics and Identity in British Foreign Policy Discourse**

**Nick Whittaker, 2023-07-27** This is the first book to examine Britain s geopolitical identity and how it is expressed in foreign policy discourse It demonstrates how British imperial thought related to its island status has remained important for British Members of Parliament in their debates of contemporary issues It presents an exciting and provocative new reading of modern British foreign policy that decentres traditional notions of rationalism and pragmatism by foregrounding the much neglected aspects of identity and geopolitical space As British foreign policy makers wrestle with how to define Britishness outside of the EU this analysis provides a fresh perspective It presents a much needed historical contextualisation of long standing concepts such as insularity from Europe and a universal aspect on world affairs This book will be highly relevant for students researchers and professionals that are seeking to understand British foreign policy It will be of interest to those researching and working within geopolitics identity sociology foreign policy analysis and international relations

**British Foreign Policy and the National Interest** T. Edmunds, J. Gaskarth, R. Porter, 2014-11-18 Whose interests does British foreign policy serve Is the national interest a useful explanatory tool for foreign policy analysts This interdisciplinary collection responds to these questions exploring ideas of Britain s national interest and their impact on strategy challenging current thinking and practice in the making of foreign policy

*British Foreign Policy since 1945* Mark Garnett, Simon

Mabon, Robert Smith, 2017-09-19 *British Foreign Policy since 1945* brings a chronological approach to the study of British foreign policy since the Second World War in order to make the principal events and dynamics accessible within a broader historical and cultural context. The key features included in this book are a detailed chronological survey of developments in post-war British politics, an integrated discussion of foreign and domestic policy developments indicating connections and interlocking themes, illustrations of British foreign policy drawn from popular culture, analysis of Britain's role in the world particularly in regards to the UK's special relationship with the US and its decision to leave the EU, a range of in-text features including essay questions and seminar discussion topics. This timely book will be essential reading for anyone interested in British politics, foreign policy analysis and British history. **British Foreign Policy and the Conflict in Sierra Leone, 1991-2001** Michael S. Kargbo, 2006 This book critically examines the content of British policy towards Sierra Leone from the outbreak of conflict there in 1991 to its official conclusion in 2001. It attempts to find answers to why Britain's New Labour government pursued a more proactive policy in Sierra Leone than its Conservative predecessors. This is done by means of traditionalist but especially transformationalist theoretical approaches. Analysis is made of the influence of major international organisations on British policy towards the Sierra Leone conflict as well as the impact of other important states. As foreign policy is not created in a vacuum, analysis is also made of the impact of the domestic setting, especially bureaucratic institutions. *Contemporary European Foreign Policy* Walter Carlsnaes, Helene Sjursen, Brian White, 2004-05-24 Introduces and examines developments in European foreign policy. Part 1 provides an overview of the latest theories and concepts in this field. Part 2 assembles and reviews a series of contemporary issue areas including security and defense, economic foreign policy, diplomacy, national cooperation, human rights and sovereignty. Part 3 provides an applied case study to each of the preceding topics. The authors address and incorporate both the national and European Union levels of foreign policy and explore the complex interactions between the two. *Confrontation, Strategy and War Termination* Christopher Tuck, 2016-05-23 At the heart of this book is the problem of war termination. Britain won an almost unbroken string of tactical military victories during an undeclared war against the Republic of Indonesia in the 1960s, yet it proved difficult to translate this into strategic success. Using conflict termination theories, this book argues that British strategy during Confrontation was both exemplary and flawed, both of which need not be mutually exclusive. The British experience in Indonesia represents an illuminating case study of the difficulties associated with strategy and the successful termination of conflicts. The value of this book lies in two areas: as a contribution to the literature on British counter-insurgency operations and as a contribution to the debates on the problems of war termination in the context of strategic thought. *Values and Principles in European Union Foreign Policy* Sonia Lucarelli, Ian Manners, 2006-08-21 This book examines the values and principles that inform EU Foreign Policy, conveying an understanding of the EU as an international actor. This volume explores the implications of these values and principles on the process of the construction of the European Union identity.

**The Permanent Under-Secretary for Foreign Affairs, 1854-1946** Keith Neilson, T.G. Otte, 2008-11-19 Chief among the personnel at the Foreign Office is the Permanent Under secretary the senior civil servant who oversees the department and advises the Foreign Secretary This book is a study of the twelve men who held this Office from 1854 1946 European Security in the Twenty-First Century Adrian Hyde-Price, 2007-02-12 Combining a sophisticated theoretical analysis with detailed empirical case studies this book provides an original view of the challenges and threats to a stable peace order in Europe The end of Cold War bipolarity has transformed Europe Using structural realist theory Adrian Hyde Price analyzes the new security agenda confronting Europe in the twenty first century Europe he argues is not primed for peace as mainstream thinking suggests rather it faces new security threats and the challenge of multipolarity This critical and original volume looks at European security after the Iraq War the failure of the EU constitution and the change of government in Germany Reflecting on the inherently competitive and tragic nature of international politics it concludes that realism provides the only firm foundations for an ethical foreign and security policy European Security in the Twenty First Century will appeal to students and scholars of international relations European politics and security studies *Margaret Thatcher and the Middle East* Azriel Bermant, 2016-11-03 This volume examines Margaret Thatcher s policy on the Middle East with a spotlight on her approach to the Israeli Palestinian conflict The European Finality Debate and Its National Dimensions Simon Serfaty, 2003 **Special Bibliography Series**, 1957 Special Bibliography Series United States Air Force Academy. Library, 2001 **British Foreign Policy** O. Daddow, J. Gaskarth, 2011-06-21 A major review of New Labour s foreign policy from leading experts This book re imagines policy thinking away from Churchill s idea of Britain as at the intersection of three circles the English speaking world Europe and the Commonwealth and towards a new conceptual model that takes into account identity ethics and power The Iron Lady John Campbell, 2011-10-25 The Iron Lady the definitive Margaret Thatcher biography is available just in time for the movie starring Meryl Streep as one of the most infamous figures in postwar politics Whether you love her or hate her Margaret Thatcher s impact on twentieth century history is undeniable From her humble small town upbringing to her rise to power as the United Kingdom s first female prime minister to her dramatic fall from grace after more than three decades of service celebrated biographer John Campbell delves into the story of this fascinating woman s life as no one has before The result of more than nine years of meticulous research The Iron Lady is the only balanced unvarnished portrait of Margaret Thatcher one of the most vital and controversial political figures of our time *Margaret Thatcher* Charles Moore, 2013-04-25 One of the best political biographies I have ever read Dominic Sandbrook Sunday Times Not For Turning is the first volume of Charles Moore s authorized biography of Margaret Thatcher the longest serving Prime Minister of the twentieth century and one of the most influential political figures of the postwar era Charles Moore s biography of Margaret Thatcher published after her death on 8 April 2013 immediately supercedes all earlier books written about her At the moment when she becomes a historical figure this book also makes her into a three

dimensional one for the first time It gives unparalleled insight into her early life and formation especially through her extensive correspondence with her sister which Moore is the first author to draw on It recreates brilliantly the atmosphere of British politics as she was making her way and takes her up to what was arguably the zenith of her power victory in the Falklands This volume ends with the Falklands Dinner in Downing Street in November 1982 Moore is clearly an admirer of his subject but he does not shy away from criticising her or identifying weaknesses and mistakes where he feels it is justified Based on unrestricted access to all Lady Thatcher s papers unpublished interviews with her and all her major colleagues this is the indispensable fully rounded portrait of a towering figure of our times **Thatcher** Graham Goodlad,2015-12-14

Thatcher provides an accessible and scholarly introduction to the personality and career of Britain s first female political leader and the twentieth century s longest serving Prime Minister Providing a balanced narrative and assessment of one of the most significant figures of the post war era this new biography examines the reasons why Margaret Thatcher has been admired by many as an architect of national revival yet loathed by others as the author of widening social and geographical division The book begins by examining the making of Margaret Thatcher her education the beginning of her political career and her rise through the Conservative Party to her appointment as unexpected leader Moving on to her tenure as Prime Minister Graham Goodlad then examines her impact at home and abroad covering her controversial economic policies and hard line with the trade unions leadership through the Falklands conflict and during the last decade of the Cold War and influence on Britain s relationship with a more closely integrated Europe Finally the biography closes with a review of Thatcher s legacy before and after her death in April 2013 and considers how far she shaped the politics and society of the 1980s and those of our own time Thatcher is essential reading for all students of twentieth century history and politics

*The Human Factor* Archie Brown,2020 In this penetrating analysis of the role of political leadership in the Cold War s ending Archie Brown shows why the popular view that Western economic and military strength left the Soviet Union with no alternative but to admit defeat is wrong To understand the significance of the parts played by Mikhail Gorbachev Ronald Reagan and Margaret Thatcher in East West relations in the second half of the 1980s Brown addresses several specific questions What were the values and assumptions of these leaders and how did their perceptions evolve What were the major influences on them To what extent were they reflecting the views of their own political establishment or challenging them How important for ending the East West standoff were their interrelations Would any of the realistically alternative leaders of their countries at that time have pursued approximately the same policies The Cold War got colder in the early 1980s and the relationship between the two military superpowers the USA and the Soviet Union each of whom had the capacity to annihilate the other was tense By the end of the decade East West relations had been utterly transformed with most of the dividing lines including the division of Europe removed Engagement between Gorbachev and Reagan was a crucial part of that process of change More surprising was Thatcher s role Regarded by Reagan as his ideological and political soulmate she

formed also a strong and supportive relationship with Gorbachev beginning three months before he came to power Promoting Gorbachev in Washington as a man to do business with she became in the words of her foreign policy adviser Sir Percy Cradock an agent of influence in both directions      **Explaining Pakistan's Foreign Policy** Aparna Pande, 2011-03-16

Pakistan has over the decades become a hotbed for the terrorist ideology often referred to as Jihadism This book investigates the underlying principles of Pakistan's foreign policy from 1947 until the present day and explains the rise of Jihadism as an offshoot of Pakistan's security concerns The book goes on to discuss that from its inception as a separate state Pakistan's foreign policy focused on seeking parity with India and escaping from an Indian South Asian identity The desire to achieve parity with its much larger neighbour led Pakistan to seek the assistance and support of allies The author analyses the relationship Pakistan has with Afghanistan United States China and the Muslim world and looks at how these relationships are based on the desire that military economic and diplomatic aid from these countries would bolster Pakistan's meagre resources in countering Indian economic and military strength The book presents an interesting contribution to South Asian Studies as well as studies on International Relations and Foreign Policy

This Enthralling World of E-book Books: A Thorough Guide Revealing the Pros of E-book Books: A Realm of Ease and Versatility E-book books, with their inherent mobility and ease of availability, have liberated readers from the limitations of physical books. ## **Making Foreign Policy A Certain Idea Of Britain Introduction**

In today's digital age, the availability of Making Foreign Policy A Certain Idea Of Britain books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Making Foreign Policy A Certain Idea Of Britain books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Making Foreign Policy A Certain Idea Of Britain books and manuals for download is the cost-saving aspect. Traditional books and manuals

can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Making Foreign Policy A Certain Idea Of Britain versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Making Foreign Policy A Certain Idea Of Britain books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Making Foreign Policy A Certain Idea Of Britain books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Making Foreign Policy A Certain Idea Of Britain books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Making Foreign Policy A Certain Idea Of Britain books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Making Foreign Policy A Certain Idea Of Britain books and manuals for download and embark on your journey of

knowledge?

## **FAQs About Making Foreign Policy A Certain Idea Of Britain Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility.
