Primavera,2016-02-23 Staying happily married has become a difficult proposition in recent times Although the institution is still firmly embedded in our culture divorce rates have steadily climbed since the 1960s While some marriages are truly divorce worthy many other broken marriages can be saved Recent emphasis on personal needs and greater social acceptance of divorce and alternative lifestyles may have weakened the resolve of partners to work through their problems Furthermore many couples may not realize that problems in their current marriages are likely to surface in other relationships Consequently while they may consider divorce a solution it may in fact only be a stepping stone to the next relationship where patterns may repeat Solving marital differences can be difficult They tend to be linked to or caused

by other problems and that can make it hard to identify the real reasons for conflicts Without knowing the true nature of their problems couples cannot arrive at solutions that actually work To understand the underlying issues that plague many marriages the authors look to the research conducted on the subject over the past fifty years and to real life stories of success and failure to outline the major issues that detract from marital stability Drawing on Louis Primavera's twenty five years in private practice as a marriage counselor each chapter is peppered with anecdotes that every married person can relate to and that help bring issues to life The authors also propose frank and honest solutions that can help couples have more satisfying relationships Anyone looking to improve their marriage will find suggestions for sussing out the underlying problems they may be experiencing and guidance for addressing those problems

Sexperiment Ed Young, Lisa Young, 2012-01-10 The predominant message in our culture is that it's okay to have sex whenever wherever and however we want Sex has become just sex But while society has taken sex too far the church hasn't taken it far enough God wants couples to make love in marriage with passion with

purpose and with pleasure Marriages aren't experiencing all the benefits that come from a healthy sex life Couples are facing a barrage of influences that keep them from connecting with each other regularly the kids the career the house the errands etc SEXPERIMENT shows people that sex in marriage is more than just sex and it's more than a chore The Youngs believe it's time to get back to understanding the context of sex in marriage and that it's time for couples to break the barriers keeping them from a healthy sexual relationship Couples ought to experience the benefits of having sex regularly intentionally and creatively SEXPERIMENT will allow couples to discover that the intersection of God and sex can lead to a life punctuated by exclamation marks **Rock-Solid Marriage** Robert G. The Cockroach that Saved My Marriage Sonal Lobo,2023-12-11 Someone once shared with me their fantasy the idea of living a life akin to the movies filled with love mystery romance and occasional moments of horror They lamented that everyday life seemed mundane devoid of novelty It was the same old house the same old job weekend outings and a constant sense of monotony For a brief period I found myself nodding in agreement I allowed their perspective to seep into my thoughts and accepted it as my own That was until I embarked on the journey of marriage To me marriage became a thrilling adventure transforming the way I perceived the world I encountered diverse individuals and navigated through a myriad of situations that made me both laugh and cry Above all I learned valuable lessons and discovered answers to the whys and buts that had puzzled me for so long This book serves as a narrative of the incidents that unfolded in my life post

marriage It is a beautiful memoir of the lessons life imparted to me before I tied the knot and the truths I unearthed as I expanded my horizons It would not be an overstatement to declare that life is a tapestry of adventures happiness and fun all contingent on how we choose to embrace it A rainy day might prove to be an arduous commute for one trapped in traffic yet it could be a blessing for a farmer in need of irrigation A bone in your meal can sometimes be an annoyance but to a stray dog it could be a delectable feast Here I am eager to share with you the seemingly insignificant moments in my life that imparted invaluable lessons and shaped me into a better version of myself Join me as I guide you down memory lane where you will encounter moments that are humorous heartwarming poignant and undoubtedly enlightening
