Peter's Last Sermon James M. Dawsey, 2010 What Christian would not want to hear Mark's gospel as the first believers heard it Using the tools of modern scholarship Peter's Last Sermon takes seriously Mark's audience The community would have heard rather than read the gospel It would have encountered the story as a whole instead of piecemeal in short texts for sermons Missing would have been the static of Matthew Luke and John As for the speaker While most modern scholars table the question of authorship the post apostolic writers of the second and third centuries claim with one voice that though penned by Mark the gospel actually went back to Peter So to hear the gospel as did those early Christians was to hear it as if coming from him Does it make a difference to our understanding of Mark's message if from Peter Yes And the result is surprising Peter's Last Sermon takes us on a journey through Roman and Jewish texts to meet the Jesus not of the modern Church but of Peter's proclamation in Rome Nero's persecution had left the community in crisis What was Peter's message for his time Christ was different from expected he said but how James Dawsey shows that Christ broke the messianic expectations of his Galilean followers and the Jerusalem religious elite of his day And as the reader of Peter's Last Sermon will see he surprised Mark's hearers a generation later The Gospel of Mark still confronts us in new ways *Desert Banquet* David G. R. Keller, 2011 The wisdom of the desert fathers and mothers lies in their experiences of solitude prayer community life work and care for their neighbors Their goal was transformation of their lives through openness to the presence and energy of God in Christ They taught by example and by sharing narratives and sayings that reflect the deep human psychological and spiritual aspects of their journey toward authentic human life The venue for their transformation was the whole person body mind and spirit They emphasized self knowledge humility purity of heart and love of God and neighbor Far from being naive their sayings and narratives reflect honest struggles temptations and failures They also demonstrate the disciplines of prayer and meditation that kept them centered in God as their only source of strength The daily reflections in *Desert Banquet* introduce readers to a variety of these early Christian mentors and offer reflections on the significance of their wisdom for life in the twenty first century David G R Keller an Episcopal priest is adjunct professor of ascetical theology at the General Theological Seminary in New York City He is co steward with his wife Emily Wilmer of Oasis of Wisdom An Institute for Contemplative Study Practice and Living based in Asheville North Carolina www.oasisofwisdom.net He is the author of *Oasis of Wisdom The Worlds of the Desert Fathers and Mothers* Liturgical Press and *Come and See The Transformation of Personal Prayer* Morehouse Publishing **Secrets of a Good Life as Told by Saints and Sinners**, 2005

On the Song of Songs and Selected Writings Saint Bede (the Venerable), 2011 The first English translation of Bede's allegorical commentary *On the Song of Songs* along with selections from his homilies and the *Ecclesiastical History* an introduction to his spirituality and notes *The Sacred Writings of John Cassian* John Cassian, Cassian was one of the first and most prominent of the Semi Pelagians maintaining that while man is by nature sinful he yet has some good remaining in him and that while the immediate gift of God's grace is necessary to salvation conversion may also be begun by the exercise

of man's will. He further asserted that God is always willing to bestow his grace on all who seek it though at the same time it is true that he sometimes bestows it without its being sought. These views have been held by a very large part of the church from his time and embrace much of the essence of Arminianism. The style of Cassianus is slovenly and shows no literary polish but its direct simplicity is far superior to the rhetorical affectations which disfigure most of the writings of that age. At the request of Castor bishop of Apt he wrote two monumental and influential treatises on the monastic life. *The De Institutione Coenobiorum* twelve books describes the dress the food the devotional exercises the discipline and the special spiritual dangers of monastic life in the East: gluttony unchastity avarice anger gloom apathy vanity and pride. *The Collationes Patrum* a series of dialogues with the pious fathers of Egypt deal with the way in which these dangers and others e.g. demons may be avoided or overcome. At the desire of Leo then archdeacon of Rome he wrote against Nestorius his *De Incarnatione Domini* in seven books.

Contemporary Authors Scot Peacock, 2002-12 Your students and users will find biographical information on approximately 300 modern writers in this volume of Contemporary Authors R **American Book Publishing Record**, 1998 **Psalmody and Prayer in the Writings of Evagrius Ponticus** Luke Dysinger, 2005 Evagrius often neglected commentaries on scripture are discussed together with his better known works in order to present a more balanced picture of the monk and his model of the spiritual life as a rhythm back and forth between the poles of image filled prayer and imageless wordless pure prayer *John Cassian Collection [4 Books]* John Cassian, Aeterna Press, **Demons and the Making of the Monk** David BRAKKE, David Brakke, 2009-06-30 In this finely written study of demonology and Christian spirituality in fourth and fifth century Egypt David Brakke examines how the conception of the monk as a holy and virtuous being was shaped by the combative encounter with demons. Drawing on biographies of exceptional monks collections of monastic sayings and stories letters from ascetic teachers to their disciples sermons and community rules Brakke crafts a compelling picture of the embattled religious celibate First Sight Laurence Freeman, 2011-01-07 In his latest book Laurence Freeman shows that the basic experience of contemplation is the experience of faith and that we all need to develop this in order to become fully human. We are all capable of it indeed we are designed for it. Freeman redefines faith for our secular age. He draws on his wide experience and travels in the modern world to show how a new sense of the spiritual dimension can transform the way we approach education business mental health the environment inter religious dialogue and our view of ourselves in society. Moving from this new vision and fresh thinking illustrated vividly from his own life experience he leads to practice. Meditation he shows offers an accessible and attractive antidote to the current cult of speed and distraction. He does not deny that this needs discipline but because it is radically simple it is a path that all can integrate. *First Sight* is the sequel to Laurence Freeman's acclaimed book *Jesus the Teacher Within* **Putting Joy Into Practice** Phoebe Farag Mikhail, 2019-04-01 Putting Joy into Practice Seven Ways to Lift Your Spirit from the Early Church is an invitation to a life of joy. Phoebe Farag Mikhail explains what joy is and how to experience it through seven spiritual

practices that cultivate our inner lives and connect us to our communities These seven practices which include giving thanks hospitality praise and more take us on a journey that leads to joy through the giving and receiving of sacrificial love She describes her own experiences and struggles with joy and offers practical ways to implement these practices to increase joy in our own lives and in the lives of all those around us *Everyday Holiness* Carolyn Humphreys, 2018-04-18 *Everyday Holiness* presents the spiritual journey to and with Christ as possible noble challenging and rewarding It describes the many aspects of holiness and how it is essential to our growth in Christ Holiness is the most important developmental area in life and the greatest goal to which we can aspire The Doctor of the Church St Francis de Sales wrote All of us can attain Christian virtue and holiness no matter in what condition of life we live and no matter what our life's work may be This book should be read slowly prayerfully and seriously It invites us to ponder the meaning of life and how holiness benefits every aspect of our church our society and ourselves Because all good things lead to God the book infuses a deeper meaning into the ordinary circumstances of daily life thus showing how holiness is not a static reality but a dynamic force that transforms every aspect of our day The book is replete with concrete examples and practical illustrations that show how living holiness is possible today Indeed holiness is our greatest need deepest joy and hardest challenge *Everyday Holiness* is for everyone who wants to love God more and serve him better Ascetic Pneumatology from John Cassian to Gregory the Great Thomas L. Humphries Jr., 2013-10-24 *Ascetic Pneumatology from John Cassian to Gregory the Great* presents three interconnected arguments The first argument concerns scholarly readings of antiquity there are developments in 5th and 6th century Latin pneumatology which we have overlooked Theologians like John Cassian and Gregory the Great were engaged in a significant discussion of how the Holy Spirit works within Christian ascetics to reform their inner lives Other theologians like Leo the Great participate to a lesser extent in a similar project They applied pneumatology to theological anthropology Thomas L. Humphries Jr labels that development ascetic pneumatology and beings to track some of the late antique schools of thought about the Holy Spirit The second argument concerns the reception of Augustine in the two centuries immediately after his death different people read Augustine differently Augustine's theology was known and understood to varying degrees in various regions Humphries demonstrates significant engagements with Augustine's theology as it was relevant to Pelagianism evidenced in Prosper of Aquitaine as it was relevant to Gallic Arians evidenced with the Latin theologians and as it was relevant to African Arians and certain questions posed of Nestorianism evidenced with Fulgentius of Ruspe Instead of attempting to rank various theologians as better and worse Augustinians Humphries argues that there were different kinds of Augustinianisms even in the years immediately after Augustine The third argument concerns Gregory the Great and his sources Once we see that ascetic pneumatology was a strain of thought in this era and see that there are different kinds of Augustinianisms we can see that Gregory depends on both Augustine and Cassian In the closing chapters Humphries argues that Gregory uses Cassian's ascetic pneumatology and this allows Gregory's synthesis of Cassian and Augustine to stand in

greater relief than it has before The study begins with Cassian ends with Gregory and is attentive to Augustine throughout
